Family Romance Simon and Schuster *On The Run* is a novel of love and survival. The time is a modern history of anarchy when everyone did what was right in their own eyes. Corinne is fourteen years old. Adam who is her godfather and Corinne are on the run from the Hunters, who are bounty hunters for The Collection Agency, a national government initiative to boost the economy by taking "surplus" young girls and selling them into the international sex trade. The setting for the book is a fictionalized Pacific northwest coast, which is also the author's home. *On The Run* was written especially for a young adult audience, but many adults have enjoyed the fast pace of drama in *On The Run*. "A wonderful and passionate read. I cried at the end." BD, Canada.

Chinese Masculinity and Transnational Film Stardom Penguin UK

This is the first study of Chinese stars and their transnational stardom, examining the transnational Chinese actor Jet Li, probably the best martial arts actor alive. Jet Li's career has crossed numerous cultural and geographic boundaries, from mainland China to Hong Kong, from Hollywood to

France. In *Jet Li: Chinese Masculinity and Transnational Film Stardom*, Sabrina Qiong Yu uses Li as an example to address some intriguing but under-examined issues surrounding transnational stardom in general and transnational kung fu stardom in particular. Presenting case studies of audiences' responses to Jet Li films and his star image, this book explores the way in which Li has evolved from a Chinese wuxia hero to a transnational kung fu star in relation to the discourses of genre, gender, sexuality, ethnicity and national identity. By rejecting a text-centred approach which prevails in star studies and instead emphasising the role of audiences in constructing star image, this book challenges some established perspectives in the study of Chinese male screen images and martial arts/action cinema.

The Ambiguous Allure of the West examines the impact of Western imperialism on Thai cultural development from the 1850s to the present and highlights the value of postcolonial analysis for studying the ambiguities, inventions, and accommodations with the West that continue to enrich Thai culture. Since the mid-nineteenth century, Thais have adopted and adapted aspects of Western culture and practice in an

ongoing relationship that may be characterized as semicolonial. As they have done so, the notions of what constitutes "Thainess" have been inflected by Western influence in complex and ambiguous ways, producing nuanced, hybridized Thai identities. *The Ambiguous Allure of the West* brings together Thai and Western scholars of history, anthropology, film, and literary and cultural studies to analyze how the protean Thai self has been shaped by the traces of the colonial Western Other. Thus, the book draws the study of Siam/Thailand into the critical field of postcolonial theory, expanding the potential of Thai Studies to contribute to wider debates in the region and in the disciplines of cultural studies and critical theory. The chapters in this book present the first sustained dialogue between Thai cultural studies and postcolonial analysis. By clarifying the distinctive position of semicolonial societies such as Thailand in the Western-dominated world order, this book bridges and integrates studies of former colonies with studies of the Asian societies that retained their political independence while being economically and culturally subordinated to Euro-American power. *My Imperfect Love Story* Routledge Love can be contagious in this infectiously fun romance by debut author Katie Cikatelli-Kuc.

The six years John Burbidge spent in India as a community development worker changed him in many ways, but one stands out from all the rest. It led him to confront a deeply personal secret—his attraction to his own sex. After taking the plunge with masseurs on a Bombay beach, he found himself on a rollercoaster ride of

sexual adventuring. A complicating factor in his journey of self-discovery was the tightly knit community in which he lived and worked, with its highly regimented schedule and minimal privacy that forced him to live a double life. Written with passion, integrity and humour, *The Boatman* is packed with incident, anecdote, adventure and above all, real and memorable people. Burbidge takes hold of India as few have done before, deftly interweaving the search for selfhood with an intimate exploration of Indian life and society. His story shows us how, when we dare to immerse ourselves in a culture radically different from our own, we may discover parts of ourselves we never knew existed.

"Will leave readers swooning." —PopSugar

When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition.

But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

An Endless Love Story McFarland
What has America's War on Terror accomplished? Has it done more harm than good? Part thriller, part dark comedy, *Black Site* explores these questions in a narrative that unfolds during the years 2000 to 2007. The principal characters in *Black Site* are Paul Dean, a patriotic mid-level CIA intelligence analyst who is put in charge of a secret prison in Poland, and Laurel Fetzer, a seductive young photographer. Trauma and loss shape their actions, and their individual narratives of self-deception and revenge parallel the national narrative of the War on Terror.

Motography Cornell University Press
The author of *The Debt to Pleasure* digs into his family's extraordinary past in a memoir as enthralling as his finest fiction. It was only when his mother died that John Lanchester realized how little he really knew about his parents. With the cache of letters and papers she left behind, he set out to reconstruct just who his parents had been. In doing so, he did much more than trace the remarkable story of a reluctant international banker, a secretive former nun, and the life they shared; he also gained extraordinary insight into his own nature and a deeper understanding of the universal push-pull of family love-and family loss. Part detective work, part evocation of character, this is, above all, compelling storytelling.
