It ends with us Simon and Schuster
The #1 New York Times bestselling author of *My Sister's Keeper* examines the fault lines of a troubled marriage in this “unfailingly intelligent...undeniably literary psychological drama”(Booklist). To the outside world, they seem to have it all. Cassie Barrett, a renowned

anthropologist, and Alex Rivers, one of Hollywood's hottest actors, met on the set of a motion picture in Africa. They shared childhood tales, toasted the future, and declared their love in a fairy-tale wedding. But when they return to California, something alters the picture of their perfect marriage. A frightening pattern is taking shape—a cycle of hurt, denial, and promises, thinly veiled by glamour. Torn between fear and something that resembles love, Cassie wrestles with questions she never dreamed she would face: How can she leave? Then again, how can she stay?

She's drawn to an alley, where she is attacked and loses consciousness. MAY 20, 1869: Housemaid Catriona Mitchell had been enjoying a half day off, only to be discovered that night strangled and left for dead . . . exactly one hundred and fifty years before Mallory is strangled in the same

spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to her new reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray, also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. Her only hope is that catching the murderer can lead her back to her modern life . . . before it's too late. In *A Rip Through Time*, New York Times bestselling author Kelley Armstrong introduces a brand-new series mixing mystery, romance, and fantasy with thrilling results. 9-Nov Simon and

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have

time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

In this hilarious homage to Jane Austen, a lady with a penchant for trouble finds a handsome spy much more than merely tolerable. "It's Jane Austen meets Jane Foster in *Anstey's* debut novel, which serves up a delightful combination of Regency romance, scientific curiosity, and spy intrigue for a tale that will have readers rooting for love and science." -

Entertainment Weekly
Juliana Telford is not

your average nineteenth-century young lady. She's much more interested in researching ladybugs than marriage, fashionable dresses, or dances. So when her father sends her to London for a season, she's determined not to form any attachments. Instead, she plans to secretly publish her research. Spencer Northam is not the average young gentleman of leisure he appears. He is actually a spy for the War Office, and is more focused on acing his first mission than meeting eligible ladies. Fortunately, Juliana feels the same, and they agree to pretend to fall for each other. Spencer can finally focus, until he is tasked with observing Juliana's

traveling companions . . . and Juliana herself. Full of humor and English Regency Period charm, and starring a whip-smart strong female heroine, *Love, Lies and Spies* by Cindy Anstey is a young adult novel with the perfect mix of romance, action, and adventure. "A tongue-in-cheek nod to Regency romances, Anstey's lighthearted novel is perfect for readers looking for an Austen-inspired tale of intrigue and romance. The story gets an additional boost from Juliana's many humorous scrapes, which are unbecoming of a nineteenth-century lady. This would make a nice companion for Garth Nix's farcical *Newt's Emerald*." - Booklist "Give to young teens in need of a fluffier Patrice Kindl's

Keeping the Castle. . . . A cute premise and cover make this a solid purchase for budding historical romance readers." -School Library Journal "I cannot tell you how much I love this book. anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on

coming to her rescue like a Spanish knight in shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for either her or her deadline.
