## PRATT CRISTINA

*The Complete Stories of Robert Louis Stevenson* Punto De Lectura  
En la historia de la narrativa breve hay un nombre ineludible: Guy de Maupassant (1850-1893), autor considerado el gran maestro del cuento europeo y autor de títulos universalmente conocidos como "Bola de sebo" o "El Horla". Esta edición en dos volúmenes, preparada y traducida por Mauro Armiño, Premio Nacional de Traducción y el más reputado especialista en la obra de Maupassant, recoge los trescientos un relatos que forman los Cuentos completos del autor francés. Una edición definitiva que incluye una primera parte donde el lector podrá encontrar una introducción así como un índice temático, la biografía del autor, una bibliografía, las adaptaciones al cine y al teatro, y los resúmenes de las tramas. Asimismo, se ofrece un aparato crítico útil tanto para expertos como para las nuevas generaciones. Además, el apéndice final aporta seis inclasificables textos junto con un índice alfabético de títulos en francés y en español

### Cuentos completos ALFAGUARA

"The Mystery of the Grave-Yard" is a story story by American horror fiction writer H. P. Lovecraft. Howard Phillips Lovecraft (August 20, 1890 – March 15, 1937) — known as H.P. Lovecraft — was an American author who achieved posthumous fame through his influential works of horror fiction. Virtually unknown and only published in pulp magazines before he died in poverty, he is now regarded as one of the most significant 20th-century authors in his genre. Lovecraft was born in Providence, Rhode Island, where he spent most of his life. His father was confined to a mental institution when Lovecraft was three years old. His grandfather, a wealthy businessman, enjoyed storytelling and was an early influence. Intellectually precocious but sensitive, Lovecraft began composing rudimentary horror tales by the age of eight, but suffered from overwhelming feelings of anxiety. He encountered problems with classmates in school, and was kept at home by his highly strung and overbearing mother for illnesses that may have been psychosomatic. In high school, Lovecraft was able to better connect with his peers and form friendships. He also involved

neighborhood children in elaborate make-believe projects, only regretfully ceasing the activity at seventeen years old. Despite leaving school in 1908 without graduating — he found mathematics particularly difficult — Lovecraft had developed a formidable knowledge of his favored subjects, such as history, linguistics, chemistry, and astronomy. Although he seems to have had some social life, attending meetings of a club for local young men, Lovecraft, in early adulthood, was established in a reclusive 'nightbird' lifestyle without occupation or pursuit of romantic adventures. In 1913 his conduct of a long running controversy in the letters page of a story magazine led to his being invited to participate in an amateur journalism association. Encouraged, he started circulating his stories; he was 31 at the time of his first publication in a professional magazine. Lovecraft contracted a marriage to an older woman he had met at an association conference. By age 34, he was a regular contributor to newly founded *Weird Tales* magazine; he turned down an offer of the editorship. Lovecraft returned to Providence from New York in 1926, and over the next nine months he produced some of his most celebrated tales including "The Call of Cthulhu", canonical to the Cthulhu Mythos. Never able to support himself from earnings as author and editor, Lovecraft saw commercial success increasingly elude him in this latter period, partly because he lacked the confidence and drive to promote himself. He subsisted in progressively straitened circumstances in his last years; an inheritance was completely spent by the time he died at the age of 46.

### Strange Case of Dr. Jekyll and Mr. Hyde and Nineteen Other Tales

Grupo Planeta Spain

It is impossible to understand the literary universe of Carlos Fuentes without appreciating its production of short stories; we can find in it the root of the issues that dominated his whole work time, identity, the Mexican, origins, family-but also it represents the more experimental side of the author. Thus, this volume brings together all the stories published by Fuentes in his life since the precocious *Pastel rancio* ["stale cake"] (*El maana*, 1949)

[*Tomorrow*, 1949] until the last collection, *Carolina Grau* (2010).

*Cuentos Completos 2* Greenbooks editore

En este volumen, los lectores y lectoras encontrarán todas las colecciones de cuentos de Cortázar publicadas entre 1969 y 1982 y, como novedad, aquellos relatos aparecidos póstumamente en *Papeles inesperados* (2009) que por título o fecha pudieron pertenecer a ellas: Último round, Octaedro, Alguien que anda por ahí, Un tal Lucas, Queremos tanto a Glenda y Deshoras conforman este segundo volumen de los cuentos completos cortazarianos. La verdadera revolución de Cortázar está en sus cuentos. ENGLISH DESCRIPTION Cortázar is a must for any reader. His stories brilliantly portray unlikely beings full of magic and tenderness. They are the greatest synthesis of his literary work as well as an opportunity to embark on an endless voyage, guided by the hand of a true master. Cortázar's literature is brought to life in three exceptional volumes written by this immortal cronopio, one of the best storytellers of the twentieth century. The collection includes an in-depth introduction by Mario Vargas Llosa. Includes short stories published between 1969 and 1982 like Último round, Octaedro, Alguien que anda por ahí, Un tal Lucas, Queremos tanto a Glenda y Deshoras. Also the extensive assortment of writings and unedited texts written throughout Cortázar's life published as *Papeles inesperados / Unexpected Writings*

*Cuentos completos* Vintage

Rubem Fonseca, máximo representante del realismo visceral, es dueño de una prosa violenta, mordaz y divertida que no teme llamar a las cosas por su nombre. Tanto así que en 1977 sufrió la censura del régimen brasileño: 36 mil copias de sus libros fueron confiscadas bajo el argumento de que "retrata en su casi totalidad personajes cargados de complejos, vicios y taras, con el propósito de ilustrar una cara oscura de la sociedad, basada en la delincuencia, el soborno, el latrocinio...", según explicaba el documento elaborado por el Ministerio de Justicia. Fonseca respondió, ganó el litigio contra el Estado y hoy sus libros forman parte del canon literario internacional. Este segundo volumen de los CUENTOS COMPLETOS incluye los títulos: *Novela negra* y otras historias, *El agujero en la pared*, *Historias de amor*, *Del fondo del mundo* prostituto sólo amores guardé para mi puro y *La Cofradía*

de los Espadas. TOMO I -Los prisioneros -Feliz año nuevo -Lucía McCartney -El collar del perro -El cobrador. The complexity and range of Robert Louis Stevenson's short fiction reveals his genius perhaps more than any other medium. Here, leading Stevenson scholar Barry Menikoff arranges and introduces the complete selection of Stevenson's brilliant stories, including the famed masterpiece Strange Case of Dr. Jekyll and Mr. Hyde, as well as "The Beach of Falesá" and Stevenson's previously uncollected stories. Arthur Conan Doyle has written that "[Stevenson's] short stories are certain to retain their position in English literature. His serious rivals are few indeed." This Modern Library Paperback Classics edition includes explanatory notes, a Scots' Glossary, and a unique appendix dedicated to Stevenson's influence on the Oxford English Dictionary.

«La verdadera revolución de Cortázar está en sus cuentos.» Mario Vargas Llosa En este libro, los lectores y lectoras encontrarán todas las colecciones de cuentos de Cortázar publicadas entre 1969 y 1983 y, como novedad, aquellos relatos aparecidos póstumamente en Papeles inesperados (2009) que por título o

fecha pudieron pertenecer a ellas. Último round, Octaedro, Alguien que anda por ahí, Un tal Lucas, Queremos tanto a Glenda y Deshoras conforman este segundo volumen de los cuentos completos cortazarianos.

Cuentos completos II (Philip K. Dick) Greenbooks editore

From the writer who shocked and delighted the world with his novels Lolita, Pale Fire, and Ada, or Ardor, and so many others, comes a magnificent collection of stories. Written between the 1920s and 1950s, these sixty-five tales--eleven of which have been translated into English for the first time--display all the shades of Nabokov's imagination. They range from sprightly fables to bittersweet tales of loss, from claustrophobic exercises in horror to a connoisseur's samplings of the table of human folly. Read as a whole, The Stories of Vladimir Nabokov offers and intoxicating draft of the master's genius, his devious wit, and his ability to turn language into an instrument of ecstasy.

Cuentos completos 2 New Directions Publishing

"Seven stories from Cortázar's volume Deshoras (see HLAS 48:5600). Useful afterword by Manguel places work in biographical, literary, and political context. Powerful, often fantastic narrations told from different points of view, compellingly translated by Manguel. Important contribution to Cortázar bibliography in English"--Handbook of Latin American Studies, v. 58.

ZETA BOLSILLO

Los Cuentos completos de los hermanos Grimm, originalmente conocidos como «Cuentos infantiles y domésticos», es una colección de cuentos de hadas de los hermanos Grimm, Jacob y Wilhelm, publicado el 20 de diciembre de 1812.

Cuentos completos SUNY Press

Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today Dubliners survives as a rich example of not just

literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Cuentos completos 2 Editorial Catalonia

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and

mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

*Así era entonces. Cuentos completos 2* Cuentos completos Presents the Argentine author's collections of short fiction, including some of his best-known works, in chronological order. *Cuentos completos CUENTOS COMPLETOS 2 (ZETA) (ISAAC ASIMOV) (NOVA)*

La selva, la barbarie, lo inesperado, asoman en sus cuentos en el centro mismo del orden civilizado y nos revelan que este orden es mucho menos confiable de lo que suponíamos. Collyer es un agitador, un observador apasionado de lo inquietante, un provocador. Jorge Edwards, Premio Cervantes Collyer es capaz de transitar con igual soltura y pericia por geografías y tiempos variopintos tocando una amplia gama de registros, del realista al fantástico y del satírico al histórico. Señala con humor la quiebra íntima de unos solitarios que nunca escapan a su destino y que se enfrentan a él con una leve sonrisa dibujada en el rostro. Marcos Giralte Torrente, El País, Madrid Como esperado complemento al primer tomo de sus cuentos completos (Los héroes, Catalonia,

2016), este segundo volumen de los relatos de Jaime Collyer irrumpe con su propia dosis de temas desconcertantes y protagonistas al margen de los cauces habituales, tan singulares como el turista que un día se queda a vivir en el zoológico de Schönbrunn o un exhibicionista extraviado en la Revolución francesa. Cosas, en fin, que terminan muchas veces descoyuntando la vida de sus personajes y que su autor aborda casi con deleite, como si explorar en el lado en penumbras de nuestra existencia fuera un derecho inalienable, el mecanismo literario que nos permite asumir su faceta diurna y a la vez su dimensión noctámbula, al Dr. Jekyll y Mr. Hyde en iguales proporciones. Decía Poe que no hay belleza alguna que no incluya una distorsión en la forma. Collyer parece el heredero privilegiado de esta fórmula y de sus consecuencias, cultivando a discreción sus "monstruos" entrañables, esas presencias insólitas que circundan nuestro diario vivir. Lo suyo es una invitación difícil de rechazar: hay que leerlo sin más y descifrar a sus protagonistas con la misma curiosidad que él los hace surgir de su pluma, disfrutando de sus alardes y sus motivos siempre tan afines a los nuestros. **SOBRE EL AUTOR: JAIME COLLYER** (Santiago de Chile, 1955): Es psicólogo y Magíster en Sociología, aunque su vocación auténtica fue desde siempre la escritura de ficciones. Su obra ha sido traducida a los principales idiomas y, a raíz de la edición norteamericana de *Gente al acecho*, el *New York Times* lo proclamó «un narrador nato». Su producción incluye las novelas

El infiltrado, Cien pájaros volando, El habitante del cielo, La fidelidad presunta de las partes y Fulgor; y los libros de cuentos *Gente al acecho*, *La bestia en casa*, *Cuentos privados*, *La voz del amo* y *Swingers*. A fines de 2016 publica *Los héroes*, primer tomo de sus *Cuentos completos*. Es además autor de los ensayos *Pecar como dios manda* y *Chile con pecado concebido*. Su obra ha sido distinguida con numerosos galardones, entre ellos el premio de narraciones eróticas de revista *Playboy* y el Premio de la Academia Chilena de la Lengua. Ha traducido a Shakespeare y otros autores dentro de la tradición universal y realizado una vasta labor académica, incluyendo su actual colaboración en el Magíster de Guión en la Universidad Finis Terrae.

*Recopilación y notas* Planeta Publishing Presents the Argentine author's collections of short fiction, including some of his best-known works, in chronological order. 2. ed GENERAL PRESS

*A Doll's House* is a three-act play in prose by Henrik Ibsen. The play is significant for its critical attitude toward 19th century marriage norms. In the central character of Nora, Ibsen epitomized the human struggle against the humiliating constraints of social conformity. Nora's ultimate rejection of a smothering marriage and life in 'a doll's house' shocked theatergoers of the late 1800s and opened new horizons for playwrights and their audiences.
