Inside Listening and Speaking Level 3 Student Book

Pearson Education ESL

"Every student needs top class listening and speaking skills to succeed at an academic level. "Skillful" focuses on these two skills to give presentation, instant practice, and complete immersion in those language skills. It offers students the opportunity to develop language skills by presenting them with ideas from today's world, while building critical thinking skills that are vital for academic success. This is taken even further with a focus on study skills, providing students with practical guidance and support, and building confidence for independent learning throughout their university career."--Publisher.

Skillful Listening and Speaking, Level 3 McGraw-Hill

The boy at the centre of this book finds it hard to listen, and consequently gets into all sorts of trouble, such as getting lost in a museum and having to wear a really embarrassing pair of swimming trunks at a friend's party. However, he feels lonely and invisible when no one listens to him, so now he makes an extra special effort to listen, and finds that sometimes listening can bring nice things, such as ice cream!
