Pastoral and Occasional Liturgies Church Publishing, Inc.

In this third and final volume in a series of ceremonial guides to worship in the Episcopal Church according to The Book of Common Prayer, Leonel L. Mitchell focuses on the pastoral and occasional liturgies. Beginning with the celebration of the Daily Office, he goes on to discuss the seasonal liturgies beyond the Lent-Easter cycle, including Advent Lessons and Carols, Candlemas, and Rogation processions. The pastoral offices include baptism, marriage, the blessing of homes, reconciliation, ministry to the sick, and burial. Finally, Mitchell concludes with the services involving bishops, including celebrations of new

ministries, consecrations of churches, and ordination rites. Like its two companion volumes, Howard E. Galley's *The Ceremonies of the Eucharist* and Mitchell's *Lent, Holy Week, Easter, and the Great Fifty Days*, this new guide offers clear descriptions of ways of celebrating the rites as well as the theological and historical reasons behind them. The book is designed to be useful in churches of all sizes, small and large.

Evangelical Lutheran Worship Occasional Services for the Assembly Penguin

In the section entitled "Concerning the Service of the Church," the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord's Day and other major Feasts, and Daily Morning and Evening Prayer, as set forth in this book, are the regular services appointed for public worship in the Church.

(BCP, 13) Eucharistic propers (collects, Scripture readings, and proper prefaces) are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. The Calendar section at the front of the Prayer Book identifies these eucharistic feasts by placing them into three categories, ranked by priority: Principal Feasts, Sundays, and Holy Days. Normatively, on all other days, Morning and Evening Prayer are the Church's official public services. However, as celebration of the Eucharist has become more frequent, many congregations and other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. The Prayer Book provides a range of possible options for the celebration of the Eucharist on these ferial or non-feast days. These options include the celebration of: • a Major Feast that has fallen elsewhere in the week (BCP, 17); • a commemoration listed in the Calendar (BCP, 18); • a commemoration not appointed in the Church's Calendar by using the Common of Saints (BCP, 18); • an Ember Day or Rogation Day (BCP, 18); • the season, by using the propers of the preceding Sunday (BCP, 158); • the weekdays of Holy Week and Easter, by using the propers appointed in the Book of Common Prayer; • an occasion provided for in the propers for Various Occasions (BCP, 18). In addition, since 1979 Lesser Feasts and Fasts has appointed weekday propers for seasons of the church year, and when Holy Women, Holy Men was authorized in 2009, it included those seasonal propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources

authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

The Book of Alternative Services of the Anglican Church of Canada Book of Occasional Services

This strikingly original study of Cambodian nationalism brings to life eight turbulent decades of cultural change and sheds new light on the colonial ancestry of Pol Pot's murderous dystopia. Penny Edwards recreates the intellectual milieu and cultural traffic linking Europe and empire, interweaving analysis of key movements and ideas in the French Protectorate of Cambodia with contemporary developments in the Métropole. From the naturalist Henri Mouhot's expedition to Angkor in 1860 to the nationalist Son Ngoc Thanh's short-lived premiership in 1945, this history of ideas tracks the talented Cambodian and French men and women who shaped the contours of the modern Khmer nation. Their visions and ambitions played out within a shifting landscape of Angkorean temples, Parisian museums, Khmer printing presses, world's fairs, Buddhist monasteries, and Cambodian youth hostels. This is cross-cultural history at its best. With its fresh take on the dynamics of colonialism and nationalism, *Cambodge: The Cultivation of a Nation* will become essential reading for scholars of history, politics, and society in Southeast Asia. Edwards' nuanced analysis of Buddhism and her consideration of Angkor's emergence as a national monument will be of particular interest to students of Asian and European religion, museology, heritage studies, and art history. As a highly readable guide to Cambodia's recent past, it will also appeal to specialists in modern French history, cultural studies, and

colonialism, as well as readers with a general interest in Cambodia.

"This book is a message from autistic people to their parents, friends, teachers, coworkers and doctors showing what life is like on the spectrum. It's also my love letter to autistic people. For too long, we have been forced to navigate a world where all the road signs are written in another language." With a reporter's eye and an insider's perspective, Eric Garcia shows what it's like to be autistic across America. Garcia began writing about autism

because he was frustrated by the media's coverage of it; the myths that the disorder is caused by vaccines, the narrow portrayals of autistic people as white men working in Silicon Valley. His own life as an autistic person didn't look anything like that. He is Latino, a graduate of the University of North Carolina, and works as a journalist covering politics in Washington D.C. Garcia realized he needed to put into writing what so many autistic people have been saying for years; autism is a part of their identity, they don't need to be fixed. In *We're Not Broken*, Garcia uses his own life as a springboard to discuss the social and policy gaps that exist in supporting those on the spectrum. From education to healthcare, he explores how autistic people wrestle with systems that were not built with them in mind. At the same time, he shares the experiences of all types of autistic people, from those with higher support needs, to autistic people of color, to those in the LGBTQ community. In doing so, Garcia gives his community a platform to articulate their own needs, rather than having others speak for them, which has been the standard for far too long.

 Accessible spiritual narratives of the meal as Communion, plus recipes, by a well-known blogger, widely-traveled musician, and retreat leader "This is a book about what nourishes us: food, faith, family, and friends, and how all of those elements are essential ingredients of Communion—in fact how every meal of our lives holds an invitation to the Sacred Meal. As I say in the opening chapter, 'What the Gospel writers don't seem to scrimp on are stories of Jesus eating, or at least stories about Jesus and food. He eats, feeds, talks about food, and even calls himself the Bread of Life, right down to that last night in the Upper Room...where they sat around the table and he wrapped it all up with a meal—The Meal—as his ultimate metaphor.'" —from the Introduction

Louis Weil looks back on his work shaping the liturgical life of the Episcopal Church through his involvement with the development of The 1979 Book of Common Prayer— and looks forward to the future of the church and its liturgical life. Through stories and first-person anecdotes, Weil does “narrative theology” as only he can. Although most points of reference are to the 1979 BCP, the book is aiming at a more fundamental level—not just Episcopal or even Anglican liturgy, but liturgical rites as such: how do they “do what they do”?—or NOT do when they are done badly! “Liturgical Sense” is two dimensional: both the “common sense” of liturgical rites and also their “aesthetic sense.” It is Dr. Weil’s contention that in American culture we have an inherent inability to “think symbolically.” Dr. Weil seeks to encourage a return to “liturgical sense” across the church.

The award-winning author of *Grateful* goes beyond the culture wars to offer a refreshing take on the comprehensive, multi-faceted nature of Jesus, keeping his teachings relevant and alive in our daily lives. How can you still be a Christian? This is the most common question Diana Butler Bass is asked today. It is a question that many believers ponder as they wrestle with

disappointment and disillusionment in their church and its leadership. But while many Christians have left their churches, they cannot leave their faith behind. In *Freeing Jesus*, Bass challenges the idea that Jesus can only be understood in static, one-dimensional ways and asks us to instead consider a life where Jesus grows with us and helps us through life’s challenges in several capacities: as Friend, Teacher, Savior, Lord, Way, and Presence. *Freeing Jesus* is an invitation to leave the religious wars behind and rediscover Jesus in all his many manifestations, to experience Jesus beyond the narrow confines we have built around him. It renews our hope in faith and worship at a time when we need it most.

John Jewel (1522-1571) has long been regarded as one of the key figures in the shaping of the Anglican Church. A Marian exile, he returned to England upon the accession of Elizabeth I, and was appointed bishop of Salisbury in 1560 and wrote his famous *Apologia Ecclesiae Anglicanae* two years later. The most recent monographs on Jewel, now over forty years old, focus largely on his theology, casting him as deft scholar, adept humanist, precursor to Hooker, arbiter of Anglican identity and seminal mind in the formation of Anglicanism. Yet in light of modern research it is clear that much of this does not stand up to closer examination. In this work, Gary Jenkins argues that, far from serving as the constructor of a positive Anglican identity, Jewel's real contribution pertains to the genesis of its divided and schizophrenic nature. Drawing on a variety of sources and scholarship, he paints a picture not of a theologian and humanist, but an orator and rhetorician, who persistently breached the rules

of logic and the canons of Renaissance humanism in an effort to claim polemical victory over his traditionalist opponents such as Thomas Harding. By taking such an iconoclastic approach to Jewel, this work not only offers a radical reinterpretation of the man, but of the Church he did so much to shape. It provides a vivid insight into the intent and ends of Jewel with respect to what he saw the Church of England under the Elizabethan settlement to be, as well as into the unintended consequences of his work. In so doing, it demonstrates how he used his Patristic sources, often uncritically and faultily, as foils against his theological interlocutors, and without the least intention of creating a coherent theological system.

A New History of the Book of Common Prayer Church Publishing, Inc.

A Guide to the Practice of Church Music by Marion J. Hatchett was published by Church Hymnal Corporation in 1989 and was an invaluable resource for church musicians, clergy, and educational programs in the church, such as the Leadership Program for Musicians (LPM). Since that time our liturgical language expanded and changed the scope of our worship offerings. The hymnody of other cultures, as well as hymn writers from the past thirty years, has influenced congregational song. The use of the Revised Common Lectionary has necessitated the need for new liturgical

and music planning texts. All Things Necessary: A Practical Guide for Episcopal Church Musicians by Marti Rideout is a resource for musicians serving in Episcopal Churches who come from other denominations; clergy who desire to have a deeper appreciation for church music and who seek a resource that will help them in their ministries; those who are new to church work, and those who have served the church but desire to expand their knowledge. This book provides: - Comprehensive information about the Episcopal Church, The Book of Common Prayer (1979), liturgical resources published since then and the opportunities for music within the various rites, The Hymnal 1982 and all hymnal supplements and resources written since that publication. - A philosophy of music in the Episcopal Church. - A complete compilation of service music and canticles for the Daily Offices, Holy Eucharist and Sacraments from Church Publishing's six main hymnal sources. - Suggestions for the singing of Psalms and planning liturgies throughout the liturgical year. - Extensive lists of sources for most aspects of church music and liturgy, terms and definitions from an Episcopal perspective, and a practical bibliography.

The lives of the saints are either too grisly for little kids or too saccharine for older ones. But this collection appeals to both groups with a combination of gentle humor and frankness - battle-tested at the author's weekly chapel services at the school where she teaches. It's organized into two full school years, with each saint's story falling on or near his or her special day so that each story can be a springboard to a creative seasonal teaching

unit or small festival. Saints represent a wide variety of ethnic and geographic backgrounds.
