HARPER LORELAI

English File 2 Pearson Education ESL American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a

solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to

determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan

Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Ask a Manager Oxford University Press, USA

Four-skills American English course with a communicative methodology, engaging texts, and a strong pronunciation syllabus - designed to get students speaking. English File is a flexible course for adults
and young adults which reflects the
realities of both learning and teaching.
At each of the first two levels, there is a
fast-track core of 60 hours' class work,
with additional material which can
extend the course to more than 120
hours. English File 1 is for beginners and
false beginners. English File gives
students a real sense of achievement
and progress. It offers clear learning
objectives, an organized approach to
revision and reference work, and a fully
integrated home-study programme. For

teachers, there are well-planned lessons
that work, a realistic syllabus focusing on
what can be achieved in a first level
course, and a complete source of ready-
to-use supplementary materials. •
Lessons which cover the grammar
pronunciation, and vocabulary syllabus
of the course, with in-built revision and
recycling. • Systematic pronunciation
work, with a memorable and learner-
friendly introduction to English sounds. •
Graded listening materials and tasks. •
Travel with English. Functional language,
practical communication in international
'survival' contexts. • Revision and
extension. Consolidation and
development of core lessons through
skills work. • Vocabulary file. Systematic
vocabulary development and revision,
and learning tips. • Grammar file. Self-

check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference. American English File: Level 1: Student Book Pack OXFORD

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does

this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

A 21-day course for modern meditators
It can be difficult for the hyperactive

21st century mind to relax into an experience of silence and awareness. Recognizing this, the revered mystic Osho developed new meditation techniques to address the challenges of the modern mind. A Course in Meditation demonstrates these techniques in an easy-to-navigate format. Each day, learn a new aspect of meditative living followed by a simple, practical meditation and awareness practice. After each experience, reflect on the accompanying quote of the day, or use the provided space to take notes. Throughout the course, Osho imparts his unique insights on love, anger, relaxation, and more to guide you toward a space of inner acceptance, joy and mindfulness. A Course in Meditation shows how we can reclaim the

meditative nature that we each come in to the world with, but lose over time as we are initiated into the ways of society. From beginners eager to find stillness to more experienced meditators who wish to elevate their practice, Osho's guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings. "Without meditation you do not know the secrets of life, you know only the surface of life." -OSHO Osho, known for his revolutionary contribution to the science of inner transformation, continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self-directed

and responsive to the everyday challenges of contemporary life. Osho was described by UK's Sunday Times as one of the "1000 Makers of the 20th Century." His internationally bestselling works are available in 60 languages around the world.

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical

guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your

cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or

anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
