Unique, Fascinating Look at How God's Promises to Israel Apply to Today We read throughout the Bible about God blessing his people, but most of us don't realize that these blessings are still meant for today--and for us. In this accessible study, pastor and international leader Paul Thangiah connects ancient biblical texts to modern-day life. Exploring Jacob's final blessings over his twelve sons in Genesis and Moses' parting blessings to the twelve tribes in Deuteronomy, Thangiah sheds light on the history of those on whom these blessings were bestowed. With keen insight, he examines the background of each of Jacob's sons, the significance of each name and personal situation, and what the Bible says about his descendants. Then, he shows how each of the twelve tribes saw the fulfillment of both Jacob's and Moses' prophetic blessings. Yet these blessings didn't cease at the end of the Old Testament, says Thangiah, revealing how they were powerfully and ultimately fulfilled in Jesus. You will be

encouraged and inspired to discover how God's promises to his people extend beyond Israel to include all who've been grafted in through Christ--and how you can still enjoy these prophetic blessings today.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study covers one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how a given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians cherish the message of God's grace on each and every page of the Bible. In this study of Genesis, pastor Mitchell Kim leads readers through the first book of the Bible, uncovering the meaning of the text while exploring important applications for everyday life. From explaining the true significance of the creation account to investigating God's gracious calling of the nation of Israel, this book highlights how the storyline of Genesis foreshadows and connects to the good news about Jesus, the long-awaited "seed of the woman." With penetrating exegetical insights and thought-provoking application questions, Kim has crafted an invaluable guide for those seeking to better understand this foundational book.

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Appointed to be a prophet before he was born, Jeremiah faithfully preached God's Word in the face of confusion, opposition, and persecution. When instructed, he brought the message of God's righteous judgment against sin to the nation of

Israel, but not without reminding them of God's covenant faithfulness. In this 12-week study, Matthew Harmon highlights key biblical themes, clarifies crucial doctrines, and draws personal applications from the book of Jeremiah—reminding us of the truth that God's proclamation of judgment is always intended to spur his people to seek salvation in and through him.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple—then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

CAUGHT UP TO THE SECOND AND THIRD HEAVENS ! For the things which are seen are temporal; but the things which are not seen are eternal - 2 Cor. 4:18 Sam Henson was an Oklahoma farmer. In August 1937 he had appendicitis. Three days after the operation he was burning up with fever and hurting all over. He had a premonition he was going to die. He prayed that he'd be allowed to finish raising his family. When the 7 p.m. nurse (a Christian lady) came on duty, as she was coming into his room the Lord spoke to her and said "I want you to take good care of this man, he's Mine" so she stayed with him all night long. It was when she first came into the room that he felt himself slipping away. He said he was there in no time, he was taken to Paradise. The next morning just after the 7 a.m. nurse had come on duty, is when he knew he came back into his body. He had spent those 12 hours in Heaven. He said the hospital records then (1937) showed he was dead that long. This is a true story & account of my grandfather's out of the body experience he had back in August 1937. (They didn't call it near death experience back then). He was dead for 12 hours while he was taken to Paradise which he said is the Second Heaven. Jesus told him his prayer was answered, and He told him that he had to go back. While he was there he saw Paradise and the place called Hell. After seeing Paradise, he didn't want to come back any time soon. Then Jesus told him again "You have to go back." Then He said, "Come and see." Instantly he was caught up to the Third Heaven where God's throne is, high and lifted up; He took him back in time and began showing him a Vision of the entire history of the Universe. He took him back before there were any stars or angels, and showed him the Universe being created. He saw the things in the Bible "happening." Beginning with Genesis right on through to the end, seeing the things in the book of Revelation happen. He was shown things as far ahead as 5,000 years into the future pertaining to God's Creation. Contained in this book: \* The Vision of the entire history of the Universe \* A Look at Paradise and the Holy City and the New Earth \* Scenes of hell and the lake of fire St. John was taken to the Third Heaven in the spirit back when he was shown a Vision (Rev. 21:10; 9:17 etc). The Apostle Paul mentions vision(s) in 2 Cor.12:1-2, and in the first verse uses the

word "revelation" the same way it is used in Rev. 1:1. What Sam Henson saw is best explained as "unsearchable things past finding out" (Job 5:9; 9:10). My grandfather described in detail everything the Lord showed him, to my father some fifty years ago. Sam Henson died 40 years later, in August 1977, almost to the day. Continuing on the work that my father began about 30 years ago which was compiled from Sam Henson's own descriptive words, I am publishing this book including several drawings made by my father, along with Biblical and Scientific evidence that I have found. The website is inseparable from the book because the research work is unending. I created the website (primarily) with those in mind who have already read the book; but it is available for all to view. A book on God's greatness that helps you to trust him, grow in faith and live confidently. What's the secret to truly trusting God so that we can rest easy at night? How can we have the same faith and confidence as David who said: "In peace I will lie down and sleep, for you alone, LORD, make me dwell in safety" (Ps 4:8)? The answer lies in focusing on God's greatness. When we consider God's greatness, we usually tend to think about what God can do. However, this book explores 12 things that God can't do. They all express aspects of his nature and character which we can embrace with relief, celebrate with joy and worship with awe. You will marvel both at God's otherness and at how he became one of us in the person of Jesus. Read this book to grow in faith, live with confidence and rest easy at night, trusting in the God who never sleeps.

Thus, the book of Joshua records a key period in God's plan to redeem his people from slavery in Egypt. Because God is personal and relational, He desires a personal

relationship with every one of us. God invites us to come apart each day for some quiet time with Jesus. When we do this, our Lord speaks and we hear; then He hears as we share our hearts, and He changes us in His presence. Daily quiet times with Jesus are an amazing and treasured opportunity. The life-changing principle we can apply in His presence each day is Because God . . . I Can. Because God what? Because He speaks, acts, reveals, empowers, loves - because He is with me in this moment and always, I can. What can I be or do because of who God is and what He does? This devotional focuses on twelve foundational practices we are called and enabled to live as we walk with God. Each month a different practice is emphasized that I can live today Because God . . . Each day of the month another truth about God is highlighted regarding that theme, which leads to increasingly understand how I Can be living this practice today. The twelve monthly themes in this yearlong devotional are Because God . . . I Can Believe, Trust, Receive, Pray, Praise, Love, Listen, Rest, Testify, Serve, Give, and Hope. Come, grow in these life practices as you follow the Lord and make it your habit to come apart for daily quiet time with Jesus. A daily schedule for reading the Bible through in a year is also included.
