Congressional Record Random House  
 A story of love, loss, family and discovery  
 — a story of life on a trapline in the Far  
 North. “Bob Harte was well-known to those  
 of us in the trapping community long  
 before he became an international  
 celebrity as a star of the Last Alaskans TV  
 program. Bob was born to live a remote  
 lifestyle and found his slice of heaven in  
 the remote region of northeast Alaska.  
 Nancy's book offers a perspective on their  
 life together in the wilderness. Readers  
 will gain a new understanding of what it's  
 like to live in one of the most isolated  
 places on earth. The lifestyle is simple and  
 challenging, but very rewarding.” — Randy  
 Zarnke - President of the Alaska Trappers

Association  
Statement of Disbursements of the House  
 Random House Trade Paperbacks  
 Go back to the beginning of the Collins-  
 Burke mysteries with this collection, which  
 includes the first three novels in the  
 award-winning series: Sign of the Cross,  
 Obit, and Barrington Street Blues. Sign of  
 the Cross: This winner of the Arthur Ellis  
 Award for Best First Novel introduces  
 lawyer Monty Collins who meets Father  
 Brennan Burke when he represents him:  
 the priest is the lead suspect in the  
 murder of a young woman. Conflict  
 between lawyer and client simmers, as  
 evidence piles up and murder charges  
 seem inevitable. With Burke remaining  
 tight-lipped about his past, Monty has no  
 choice but to go behind his back and  
 conduct a probe into the life of his own  
 client. Never in his career has Monty been

so lost for answers, until a long-forgotten  
 incident takes on new and ominous  
 meaning . . . Obit: “Strong characters and  
 a vivid depiction of Irish American family  
 life . . . as outstanding as her first.” —  
 Library Journal. Declan Burke fled Ireland  
 forty years ago and never looked back.  
 Now settled in New York, he thinks he's  
 put the old country behind him, until he  
 reads the obituary of one Cathal Murphy.  
 The obituary, he sees at once, is not about  
 Murphy at all. It is a coded indictment of  
 Burke's own life. And an announcement of  
 his impending death. Halifax lawyer Monty  
 Collins investigates the obit with its  
 allusions to Burke's IRA past. From the  
 farms of Ireland to the tenements of New  
 York City, Collins gets no help from Burke,  
 who — good soldier to the end — keeps  
 the silence of the grave. p.p1 {margin:  
 0.0px 0.0px 0.0px 0.0px; font: 16.0px

Times; -webkit-text-stroke: #000000} span.s1 {font-kerning: none} Barrington Street Blues: A rich man and a poor man are found dead of gunshot wounds outside a seedy bar on Barrington Street in Halifax. The police declare it a murder-suicide, but bluesman/lawyer Monty Collins — hired to represent the victims' families — suspects it's a double murder. Helped by his friend Father Brennan Burke, and hindered by his femme fatale law partner Felicia Morgan, Monty explores the dark side of Halifax society: hookers, drug addicts, boozers, gamblers, and people desperate to cover up a series of parties that got way out of hand. A secret from the past and turmoil with his estranged wife, Maura, have Monty singing the blues, lashing out at his closest friends, and spending far too much time in the bars of Halifax.

The Art of Dying Well Publication Consultants

Fieldworks offers a historical account of the social, rhetorical, and material attempts to ground art and poetry in the physicality of a site. Arguing that place-oriented inquiries allowed poets and artists to develop new, experimental models of historiography and ethnography, Lytle Shaw draws out the shifting terms of this practice from World War II to the present through a series of illuminating case studies. Beginning with the alternate national genealogies unearthed by William Carlos Williams in Paterson and Charles Olson in Gloucester, Shaw demonstrates how subsequent poets sought to ground such inquiries in concrete social formations—to in effect live the poetics of place: Gary Snyder in his back-to-the-land familial compound, Kitkitdizze; Amiri Baraka in a black nationalist community in Newark; Robert Creeley and the poets of Bolinas, California, in the capacious “now” of their poet-run town. Turning to the work of Robert Smithson—who called one of his essays an “appendix to Paterson,” and who in turn has exerted a major influence on poets since the 1970s—Shaw then traces the emergence of site-specific art in relation both to the poetics of place and to the larger linguistic turn in the humanities, considering poets including Clark Coolidge, Bernadette Mayer, and Lisa Robertson. By putting the poetics of place into dialog with site-specificity in art, Shaw demonstrates how poets and artists became experimental explicators not just of concrete locations and their histories, but of the discourses used to interpret sites more broadly. It is this dual sense of fieldwork that organizes Shaw's groundbreaking history of site-specific

poetry.

*Full House* Rowman & Littlefield

Spending the summer in Florida with her stepfather's sister who operates a “meals-on-wheels” van, twelve-year-old Chloë and her aunt become involved in a controversy surrounding the wearing of T-back bathing suits.

*Waste of a Nation* Harvard University Press  
When a car of inebriated guests from Carmen's wedding hits and kills a girl on a country road, Carmen and the people involved in the accident connect, disconnect, and reconnect throughout twenty-five subsequent years of marriage, parenthood, holidays, and tragedies.

*Erased* Random House

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of “dead white men.” As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

As the electric power industry faces the challenges of climate change, technological disruption, new market imperatives, and changing policies, a renowned energy expert offers a roadmap to the future of this essential sector. As the damaging and costly impacts of climate change increase, the rapid development of sustainable energy has taken on great urgency. The electricity industry has responded with necessary but wrenching shifts toward renewables, even as it faces unprecedented challenges and disruption brought on by new technologies, new competitors, and policy changes. The result is a collision course between a grid that must provide abundant, secure, flexible, and affordable power, and an industry facing enormous demands for power and rapid, systemic change. The fashionable solution is to

think small: smart buildings, small-scale renewables, and locally distributed green energy. But Peter Fox-Penner makes clear that these will not be enough to meet our increasing needs for electricity. He points instead to the indispensability of large power systems, battery storage, and scalable carbon-free power technologies, along with the grids and markets that will integrate them. The electric power industry and its regulators will have to provide all of these, even as they grapple with changing business models for local electric utilities, political instability, and technological change. Power after Carbon makes sense of all the moving parts, providing actionable recommendations for anyone involved with or relying on the electric power system.

A New York Times Book Review Editors' Choice A Telegraph Editor's Choice An Evening Standard “Best Books about London” Selection In popular imagination, London is a city of fog. The classic London fogs, the thick yellow “pea-soupers,” were born in the industrial age of the early nineteenth century. Christine L. Corton tells the story of these epic London fogs, their dangers and beauty, and their lasting effects on our culture and imagination. “Engrossing and magnificently researched...Corton's book combines meticulous social history with a wealth of eccentric detail. Thus we learn that London's ubiquitous plane trees were chosen for their shiny, fog-resistant foliage. And since Jack the Ripper actually went out to stalk his victims on fog-free nights, filmmakers had to fake the sort of dank, smoke-wreathed London scenes audiences craved. It's discoveries like these that make reading London Fog such an unusual, enthralling and enlightening experience.” —Miranda Seymour, New York Times Book Review “Corton, clad in an overcoat, with a linklighter before her, takes us into the gloomier, long 19th century, where she revels in its Gothic grasp. Beautifully illustrated, London Fog delves fascinatingly into that swirling miasma.” —Philip Hoare, New Statesman *Into the Deep* Copyright Office, Library of Congress

In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's claim to fame and their burial site location or as much as is known. Grave location within a

cemetery is provided in many cases, as well as places of cremation and sites where ashes were scattered. Source information is provided.

**Fieldworks** Harvard University Press  
One of the most anticipated reads from InStyle, HelloGiggles, Hypable, Bookbub, and Bookriot! One of Real Simple's Best Historical Fiction novels of the year! "The Gown is marvelous and moving, a vivid portrait of female self-reliance in a world racked by the cost of war."--Kate Quinn, New York Times bestselling author of *The Alice Network* From the internationally bestselling author of *Somewhere in France* comes an enthralling historical novel about one of the most famous wedding dresses of the twentieth century—Queen Elizabeth's wedding gown—and the fascinating women who made it. "Millions will welcome this joyous event as a flash of color on the long road we have to travel." —Sir Winston Churchill on the news of Princess Elizabeth's forthcoming wedding London, 1947: Besieged by the harshest winter in living memory, burdened by onerous shortages and rationing, the people of postwar Britain are enduring lives of quiet desperation despite their nation's recent victory. Among them are Ann Hughes and Miriam Dassin, embroiderers at the famed Mayfair fashion house of Norman Hartnell. Together they forge an unlikely friendship, but their nascent hopes for a brighter future are tested when they are chosen for a once-in-a-lifetime honor: taking part in the creation of Princess Elizabeth's wedding gown. Toronto, 2016: More than half a century later, Heather Mackenzie seeks to unravel the mystery of a set of embroidered flowers, a legacy from her late grandmother. How did her beloved Nan, a woman who never spoke of her old life in Britain, come to possess the priceless embroideries that so closely resemble the motifs on the stunning gown worn by Queen Elizabeth II at her wedding almost seventy years before? And what was her Nan's connection to the celebrated textile artist and holocaust survivor Miriam Dassin? With *The Gown*, Jennifer Robson takes us inside the workrooms where one of the most famous wedding gowns in history was created. Balancing behind-the-scenes details with a sweeping portrait of a society left reeling by the calamitous costs of victory, she introduces readers to three unforgettable heroines, their points of view alternating and intersecting throughout its pages, whose lives are woven together by the pain of survival, the bonds of friendship, and the redemptive power of love.

The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*  
[Abide with Me](#) McFarland  
In India, you can still find the kabaadiwala, the rag-and-bone man. He wanders from house to house buying old newspapers, broken utensils, plastic bottles—anything for which he can get a little cash. This custom persists and recreates itself alongside the new economies and ecologies of consumer capitalism. *Waste of a Nation* offers an anthropological and historical account of India's complex relationship with garbage. Countries around the world struggle to achieve sustainable futures. Assa Doron and Robin Jeffrey argue that in India the removal of waste and efforts to reuse it also lay waste to the lives of human beings. At the bottom of the pyramid, people who work with waste are injured and stigmatized as they deal with sewage, toxic chemicals, and rotting garbage. Terrifying events, such as atmospheric pollution and childhood stunting, that touch even the wealthy and powerful may lead to substantial changes in practices and attitudes toward sanitation. And innovative technology along with more effective local government may bring about limited improvements. But if a clean new India is to emerge as a model for other parts of the world, a "binding morality" that reaches beyond the current environmental crisis will be required. Empathy for marginalized underclasses—Dalits, poor Muslims, landless migrants—who live, almost invisibly, amid waste produced predominantly for the comfort of the better-off will be the critical element in India's relationship with waste. Solutions will arise at the intersection of the traditional and the cutting edge, policy and practice, science and spirituality.

Anyone with an appreciation for the macabre will swoon for patterns like *Lovers' Graves*, which features twin headstones and a heart-shaped weeping willow. Meanwhile, the ghosts, ghouls and ghoulish bats of *Trick or Treat* and *Haunted Wings* are perfect pieces to hang on your wall to keep the spirit of Halloween in your home year-round. With moody tones, muted hues and spooky subjects, this collection of bewitching patterns makes it easy to add a little subversive charm to your cross-stitch repertoire.  
*Carry the One* Harvard University Press  
*Into the Deep* traces one woman's spiritual odyssey from birthright evangelicalism through postmodern feminism and, ultimately, into the Roman Catholic

Church. As a college student, Abigail Favale experienced a feminist awakening that reshaped her life and faith. A decade later, on the verge of atheism, she found herself entering the oldest male-helmed institution on the planet--the last place she expected to be. With humor and insight, Favale describes her gradual exodus from Christian orthodoxy and surprising swerve into Catholicism. She writes candidly about grappling with wounds from her past, Catholic sexual morality, the male priesthood, and an interfaith marriage. Her vivid prose brings to life the wrenching tumult of conversion--a conversion that began after she entered the Church and began to pry open its mysteries. There she discovered the startling beauty of a sacramental cosmos, a vision of reality that upended her notions of gender, sexuality, identity, and authority. This is a thoroughly 21st century conversion, a compelling account of recovering an ancient faith after a decade of doubt. *The Telephone Bulletin* Vintage Crime/Black Lizard

A fantastic Maeve Binchy - written specially for the World Book Day Quick Reads promotion. 'Her storytelling ability is second to none' SUNDAY EXPRESS 'It's little wonder that Maeve Binchy's bewitching stories have become world-beaters' OK MAGAZINE 'Maeve Binchy is a master storyteller' NEW YORK TIMES Dee loves her children very much, but now they are all grown up, shouldn't they leave home? Rosie moved out when she got married, but it didn't work out, so now she is back with her parents. Helen is a teacher, and doesn't earn enough for a place of her own. Anthony writes songs, and is just waiting for the day when someone will pay him for them. Until then, all three are happy at home. It doesn't cost them anything, and surely their parents like having a full house? When a crisis occurs, Dee decides things have to change for the whole family...whether they like it or not.

#### No More Dying Than Orion

"Remarkable . . . With this book [Wolitzer] has surpassed herself."—The New York Times Book Review "A victory . . . The Interestings secures Wolitzer's place among the best novelists of her generation. . . . She's every bit as literary as Franzen or Eugenides. But the very human moments in her work hit you harder than the big ideas. This isn't women's fiction. It's everyone's."—Entertainment Weekly (A) The New York Times–bestselling novel by Meg Wolitzer that has been called "genius" (The Chicago Tribune), "wonderful" (Vanity Fair), "ambitious" (San Francisco

Chronicle), and a "page-turner" (Cosmopolitan), which The New York Times Book Review says is "among the ranks of books like Jonathan Franzen's *Freedom* and Jeffrey Eugenides' *The Marriage Plot*." The summer that Nixon resigns, six teenagers at a summer camp for the arts become inseparable. Decades later the bond remains powerful, but so much else has changed. In *The Interestings*, Wolitzer follows these characters from the height of youth through middle age, as their talents, fortunes, and degrees of satisfaction diverge. The kind of creativity that is rewarded at age fifteen is not always enough to propel someone through life at age thirty; not everyone can sustain, in adulthood, what seemed so special in adolescence. Jules Jacobson, an aspiring comic actress, eventually resigns herself to a more practical occupation and lifestyle. Her friend Jonah, a gifted musician, stops playing the guitar and becomes an engineer. But Ethan and Ash, Jules's now-married best friends, become shockingly successful—true to their initial artistic dreams, with the wealth and access that allow those dreams to keep expanding. The friendships endure and even prosper, but also underscore the differences in their fates, in what their talents have become and the shapes their lives have taken. Wide in scope, ambitious, and populated by complex characters who come together and apart in a changing New York City, *The Interestings* explores the meaning of talent; the nature of envy; the roles of class, art, money, and power; and how all of it can shift and tilt precipitously over the course of a friendship and a life.

A VINTAGE MURDER MYSTERY Rediscover Gladys Mitchell - one of the 'Big Three' female crime fiction writers alongside Agatha Christie and Dorothy L. Sayers. Alastair Bing's guests gather around his dining table at Chaynings, a charming country manor. But one seat, belonging to the legendary explorer Everard Mountjoy, remains empty. When the other guests search the house, a body is discovered in a bath, drowned. The body is that of a woman, but could the corpse in fact be Mountjoy? A peculiar and sinister sequence of events has only just begun... This is Gladys Mitchell's first book and it marks the entrance of the inimitable Mrs Beatrice Adela Lestrangle Bradley, psychoanalyst and unorthodox amateur sleuth, into the world of detective fiction. But instead of leading the police to the murderer, she begins as their chief suspect.

#### **Caffeine Blues** Ignatius Press

The Panama Canal's untold history—from the Panamanian point of view. Sleuth and scholar Marixa Lasso recounts how the canal's American builders displaced 40,000 residents and erased entire towns in the guise of bringing modernity to the tropics. The Panama Canal set a new course for the modern development of Central America. Cutting a convenient path from the Atlantic to the Pacific oceans, it hastened the currents of trade and migration that were already reshaping the Western hemisphere. Yet the waterway was built at considerable cost to a way of life that had characterized the region for centuries. In *Erased*, Marixa Lasso recovers the history of the Panamanian cities and towns that once formed the backbone of the republic. Drawing on vast and previously untapped archival sources and personal recollections, Lasso describes the canal's displacement of peasants, homeowners, and shop owners, and chronicles the destruction of a centuries-old commercial culture and environment. On completion of the canal, the United States engineered a tropical idyll to replace the lost cities and towns—a space miraculously cleansed of poverty, unemployment, and people—which served as a convenient backdrop to the manicured suburbs built exclusively for Americans. By restoring the sounds, sights, and stories of a world wiped clean by U.S. commerce and political ambition, Lasso compellingly pushes back against a triumphalist narrative that erases the contribution of Latin America to its own history. *Chase's Calendar of Events 2022* Penguin A sumptuously romantic story bursting with historical colour and flavour, perfect for readers of Dinah Jefferies, Lucinda Riley and Jenny Ashcroft. 'Romantic, engaging and hugely satisfying' Katie Fford on *The Apothecary's Daughter* \*\*\*\*\* Italy, 1819. Emilia Barton and her mother Sarah live a nomadic existence, travelling from town to town as itinerant dressmakers to escape their past. When they settle in the idyllic coastal town of Pesaro, Emilia desperately hopes that, this time, they have found a permanent home. But when Sarah is brutally attacked by an unknown assailant, a deathbed confession turns Emilia's world upside down. Seeking refuge as a dressmaker in the eccentric household of Princess Caroline of Brunswick, Emilia experiences her first taste of love with the charming Alessandro. But her troubling history gnaws away at her. Might she, a humble dressmaker's daughter, have a more aristocratic past than she could have

imagined? When the Princess sends her on an assignment to London, she grasps the opportunity to unravel the truth. Caught up in a web of treachery and deceit, Emilia is determined to discover who she really is - even if she risks losing everything . . . \*\*\*\*\* Reader reviews: 'You will never be disappointed with a Charlotte Betts book!'
