A woman awakes in the morning to find that someone has picked her

apartment's supposedly impregnable door lock and rearranged personal items, even sitting beside her while she slept. The intrusion, the police learn, is a message to the entire city of carnage to come. Lincoln Rhyme and Amelia Sachs are brought in to investigate and soon learn that the sociopathic intruder, who calls himself "the Locksmith," can break through any lock or security system ever devised. With more victims on the horizon, Rhyme, Sachs and their stable of associates must follow the evidence to the man's lair... and discover his true mission. Their hunt is interrupted when an internal investigation in the police force uncovers what seems to be a crucial mistake in one of Rhyme's previous cases. He's fired as a consultant for the NYPD and must risk jail if he investigates the Locksmith case in secret. The Midnight Lock is a roller-coaster read that takes place over just a few days' time, features

surprise after surprise and offers a fascinating look at the esoteric world of lockpicking.

A Lincoln Rhyme Novel Grand Central Publishing

A classic thriller from New York Times bestselling author Jeffery Deaver featuring the intricate forensic detail, masterful plot twists, and harrowing breakneck pace that made *A Maiden's Grave*, *The Bone Collector*, and *The Coffin Dancer* national bestsellers. It's New Year's Eve, December 31, 1999, and Washington, DC, is under siege. Early in the day, a grisly machine gun attack in the Dupont Circle Metro station leaves dozens dead and the city crippled with fear. A note delivered to the mayor's office pins the massacre on the Digger, a robotlike assassin programmed to wreak havoc on the capital every four hours—until midnight. Only a ransom of \$20 million delivered to the Digger's accomplice—and mastermind—will end the death and terror. But the Digger becomes a far more sinister threat when his accomplice is killed in a freak accident while en route to the money drop. With the ransom note as the single scrap of evidence, Special Agent Margaret Lukas calls upon Parker Kincaid, a retired FBI agent and the top forensic document examiner in the country. Somehow, by midnight, they must find the Digger—before he finds them.

Twisted Penguin

A gripping tale of hatred, lies, and deadly tradition featuring Seattle detective J.P. Beaumont from the New York Times bestselling author of *Betrayal of Trust* J. A. Jance *Dismissed with Prejudice* The blood at the scene belies any suggestion of an "honorable death." Yet, to the eyes of the Seattle police, a successful Japanese software magnate died exactly as he wished—and by his own hand, according to the ancient rite of seppuku. Homicide Detective J.P. Beaumont can't dismiss what he sees as an elaborate suicide, however, not when something about it makes his flesh crawl. Because small errors in the ritual suggest something darker: a killer who will go to extraordinary lengths to escape detection—a fiend with a less traditional passion . . . for cold-blooded murder.
