This book describes recent advances on fuzzy logic augmentation of nature-inspired optimization metaheuristics and their application in areas such as intelligent control and robotics, pattern recognition, time series prediction and optimization of complex problems. The book is organized in two main parts, which contain a group of papers around a similar subject. The first part consists of papers with the main theme of theoretical aspects of fuzzy logic augmentation of nature-inspired optimization metaheuristics, which basically consists of papers that propose new optimization algorithms enhanced using fuzzy systems. The second part contains papers with the main theme of application of optimization algorithms, which are basically papers using nature-inspired techniques to achieve optimization of complex optimization problems in diverse areas of application.

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and

have yourself a jolly old time.

A Romance Novel by USA Today Bestselling Author Priscilla West Note: This is the beginning of Vincent & Kristen's story. You DO NOT need to read any books in the Forever Series before enjoying this one. "What gives you a thrill Kristen?" The minute I saw Vincent Sorenson, I knew he was trouble. Arrogant. Controlling. Possessive. He was everything I craved, and nothing I needed. Unfortunately, I couldn't just avoid him. The higher ups at my company decided they needed his business, and I was on the team to bring him in. Vincent Sorenson didn't seem as interested in business as he was in me, but I knew that was a door better left unopened. If I got involved with him, it would only unearth the pain I spent years trying to bury. I thought I had it under control, but I seriously underestimated Vincent's seductive charm and silver-tongue. I would soon find out how delicious it would feel to let myself fall into this forbidden surrender. \_\_\_\_\_ Reading Order: The Forever series currently follows three different couples. You can choose which couple you start reading about, but each couple's story has an order. Forbidden Surrender (Vincent & Kristen 1) Secret Surrender (Vincent & Kristen 2) Beautiful Surrender (Vincent & Kristen 3) Wrecked (Hunter & Lorrie 1) Rescued (Hunter & Lorrie 2) Reckless (Jax & Riley 1) Fearless (Jax & Riley 2)

Strategic Reading is a three-level series designed to develop reading, vocabulary-building, and critical-thinking skills. The Student's Book contains 16 thematic units with a selection of engaging topics that motivate learners to relate the reading to their own experiences. Three inviting reading passages in each unit, all adapted from authentic sources, allow students to explore the theme in depth. The original sources expose learners to a wide range of writing styles. Preview pages in every unit introduce new vocabulary and ask thought-provoking questions. Vocabulary-building activities improve students' ability to deal with unfamiliar words, and recycle key vocabulary with challenging exercises and puzzles. Reading topics include games, movies, families, communication, heroes, and languages.

Randy Couture -- voted "The Greatest Fighter of All Time" by viewers' choice -- recounts his record-breaking career, which has made him an undisputed UFC legend. Randy Couture wins fights with the

seemingly effortless ease with which lesser mortals eat or breathe. He's the only athlete to have held championship titles in both the heavyweight and light heavyweight divisions of the UFC, and he's the only six-time title earner in UFC history. In *Becoming the Natural*, Couture tells his story for the first time, beginning with a childhood spent in search of an elusive father figure, followed by the pure adrenaline rush that accompanied his first wrestling bout in grade school. In 1997, at the age of thirty-three, Couture made his UFC debut, defeating two opponents in the heavyweight class and then scoring a TKO victory against Brazilian phenom Vitor Belfort to earn the nickname "The Natural." He won his first heavyweight title that same year. At the age of forty, he defeated five-time defending champion Tito Ortiz for the undisputed light heavyweight title. Couture retired in 2006, only to reemerge the following year and seize the heavyweight championship title once again. *Becoming the Natural* is the remarkable story of one of the world's most gifted and dedicated athletes -- a born fighter whose skill and showmanship have helped to lift mixed martial arts out of the shadows and into the mainstream.

"Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of *Becoming Mrs. Lewis* A storied castle. A band of rebels. A nation chasing a centuries-old dream of freedom. And three women who rise above it all . . . When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Spanning more than two centuries, *Castle on the Rise* unites the legacy of three women who must risk mending the broken places within for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of *Secrets at Cedar Cabin* and the *Rock Harbor* series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author

*The ABC of Money* Cambridge University Press

From the days of farmer's bartering for bushels of corn to establishing the concept of credit, this practical guide gets at the root of the subject of money: why it exists and, more importantly, what money really is. THE ABC OF MONEY is an undiscovered gem offering a wealth of knowledge and Carnegie's shrewd philosophies on the subject - a fascinating look at the history of "debased coin" and "greenbacks," and the value of currency from one of the great American industrialists. *Fuzzy Logic Augmentation of Nature-Inspired Optimization Metaheuristics* Blackbird Publishing Our world is increasingly driven by sophisticated networks of advanced computing technology, and the basic operation of everyday society is becoming increasingly vulnerable to those networks'

shortcomings. The implementation and upkeep of a strong network defense is a substantial challenge, beset not only by economic disincentives, but also by an inherent logistical bias that grants advantage to attackers. *Network Security Attacks and Countermeasures* discusses the security and optimization of computer networks for use in a variety of disciplines and fields. Touching on such matters as mobile and VPN security, IP spoofing, and intrusion detection, this edited collection emboldens the efforts of researchers, academics, and network administrators working in both the public and private sectors. This edited compilation includes chapters covering topics such as attacks and countermeasures, mobile wireless networking, intrusion detection systems, next-generation firewalls, and more.

**Death Waits in the Dark** Ingram

The concept of an intelligent agent - a computational system capable of performing certain tasks autonomously - derived from the growing potential of digital computers in the mid 20th century and had been widely adopted by the early 1990s. Partly in parallel with this concept, the perspective of ambient intelligence (Aml) emerged in the late 1990s. Agent technology and Aml have many similarities, and the main purpose of this book is to provide an overview of the state-of-the-art of the scientific area that integrates these two. The book addresses a wide variety of topics related to agents and Aml, including theoretical, practical, design, implementation, ethical and philosophical issues. The 12 chapters are arranged in four sections. The first consists of three chapters discussing ethical and philosophical issues; the second part explores various approaches that can be used to develop agent-based Aml Systems; the third part contains three chapters that share the goal to endow Aml systems with useful properties like intelligence and adaptivity and the last section presents concrete applications of agent-based Aml systems. This book provides an insight into recent achievements and future challenges at the intersection of agent technology and ambient intelligence and will assist the development of more intelligent, flexible, effective and user-friendly systems as well as posing critical questions about the future of the role of agents within the Aml perspective.

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
