AMINA WARD

The Essential Guide to Getting Your Work Published How To Books

In this absorbing volume, David Lodge turns his incisive critical skills onto his own profession, salutes the great writers who have influenced his work, wonders about the motives of biographers, ponders the merits of creative writing courses, pulls the rug from under certain theoretical critics and throws open the curtains on his own workshop.

Writers on Writing Tin House Books

An intimate, impertinent, and incisive collection about race, progress, and hypocrisy from Jill Louise Busby, aka Jillisblack. Jill Louise Busby spent years in the nonprofit sector specializing in Diversity & Inclusion. She spoke at academic institutions, businesses, and detention centers on the topics of Race, Power, and Privilege and delivered over two-hundred workshops to nonprofit organizations all over the California Bay Area. In 2016, fed up with what passed as progressive in the Pacific

Northwest, Busby uploaded a one-minute video about race, white institutions, and faux liberalism to Instagram. The video received millions of views across social platforms. As her pithy persona Jillisblack became an "it-voice" weighing in on all things race-based, Jill began to notice parallels between her performance of "diversity" in the white corporate world and her performance of "wokeness" for her followers. Both, she realized, were scripted. *Unfollow Me* is a memoir-in-essays about these scripts; it's about tokenism, micro-fame, and inhabiting spaces-real and virtual, black and white-where complicity is the price of entry. Busby's social commentary manages to be both wryly funny and achingly open-hearted as she recounts her shape-shifting moves among the subtle hierarchies of progressive communities. *Unfollow Me* is a sharply personal and self-questioning critique of white fragility (and other words for racism), respectability politics (and other words for shame), and all the places where fear masquerades as progress.

This essay collection discusses literature in relation to science, philosophy, and politics in studies of great classical works and tributes to such contemporary writers as Eugenio Montale, Roland

Barthes, and Marianne Moore

A Brief Guide for University and College Students Penguin

This book recalls an era when criticism could change the way we look at the world. In the tradition of Matthew Arnold and Edmund Wilson, James Wood reads literature expansively, always pursuing its role and destiny in our lives. In a series of essays about such figures as Melville, Flaubert, Chekhov, Virginia Woolf, and Don DeLillo, Wood relates their fiction to questions of religious and philosophical belief. He suggests that the steady ebb of the sea of faith has much to do with the revolutionary power of the novel, as it has developed over the last two centuries. To read James Wood is to be shocked into both thinking and feeling how great our debt to the novel is. In the grand tradition of criticism, Wood's work is both commentary and literature in its own right--fiercely written, polemical, and richly poetic in style. This book marks the debut of a masterly literary voice.

The Uses of Literature Crossway Books

This book gives students an answer to the question, "What does my professor want from this

essay?" In lively, direct language, it explains the process of creating "a clearly-written argument, based on evidence, about the meaning, power, or structure of a literary work." Using a single poem by William Carlos Williams as the basis for the process of writing a paper about a piece of literature, it walks students through the processes of reading, brainstorming, researching secondary sources, gathering evidence, and composing and editing the paper. *Writing Essays About Literature* is designed to strengthen argumentation skills and deepen understanding of the relationships between the reader, the author, the text, and critical interpretations. Its lessons about clarity, precision, and the importance of providing evidence will have wide relevance for student writers.

What is Literature? challenges anyone who writes as if literature could be extricated from history or society. But Sartre does more than indict. He offers a definitive statement about the phenomenology of reading, and he goes on to provide a dashing example of how to write a history of literature that takes ideology and institutions into account.

Writing Essays About Literature: A Brief Guide for University and College Students - Second Edition Routledge

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England.

The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

The Art of Writing English Literature Essays New York Review of Books

This book showcases a unique, innovative form for contemporary life narrative scholarship. Life Narrative is a dynamic and interdisciplinary field defined through attention to diverse styles of personal and auto/biographical narration and to subjectivity and ethics in acts of self-representation. The essay is a uniquely sympathetic mode for such scholarship, responsive to diverse methods, genres, and concepts and enabling a flexible, hybrid critical and creative approach. Many of the essays curated for this volume are by the authors of creative works of life writing who are seeking to reflect critically on disciplinary issues connected to practice, ethics, audience, or genre. Others show academics from a variety of disciplinary backgrounds engaged in creative critical self-reflection, using methods of cultural analysis, ethnography, or embodied scholarship to address foundational and emerging issues and concepts in relation to identity, experience, or subjectivity. *Essays in Life Writing* positions the essay as a unique nexus of creative and critical practice, available to academics publishing peer-reviewed scholarly work from a variety of disciplinary backgrounds, and a form of scholarship that is contributing in exciting and vigorous ways to the development of new knowledge in Life Narrative as a field. The chapters in this book were originally published as a special issue of the journal *Life Writing*.

How to Write Essays, Dissertations, and Theses in Literary Studies A&C Black

Eric Hayot teaches graduate students and faculty in literary and cultural studies how to think and write like a professional scholar. From granular concerns, such as sentence structure and grammar, to big-picture issues, such as adhering to genre patterns for successful research and publishing and developing productive and rewarding writing habits, Hayot helps ambitious students, newly minted Ph.D.'s, and established professors shape their work and develop their voices. Hayot does more than explain the techniques of academic writing. He aims to adjust the writer's perspective, encouraging scholars to think of themselves as makers and doers of important work. Scholarly writing can be frustrating and exhausting, yet also satisfying and crucial, and Hayot weaves these experiences, including his own trials and tribulations, into an ethos for scholars to draw on as they write. Combining psychological support with practical suggestions for composing introductions and conclusions, developing a schedule for writing, using notes and citations, and structuring paragraphs and essays, this guide to the elements of academic style does its part to rejuvenate scholarship and writing in the humanities.
