A perceptive literary
critic, a world-famous
writer of witty and
playful verses for
children, a leading
authority on children's
linguistic creativity,

and a highly skilled translator, Kornei Chukovsky was a complete man of letters. As benefactor to many writers including Alexander Solzhenitsyn and Joseph Brodsky, he stood for several decades at the center of the Russian literary milieu. It is no exaggeration to claim that Chukovsky knew everyone involved in shaping the course of twentieth-century Russian literature. His voluminous diary, here translated into English for the first time, begins in prerevolutionary Russia and spans nearly the entire Soviet era. It is the candid commentary of a brilliant observer who documents fifty years of Soviet literary activity and the

personal predicament of the writer under a totalitarian regime. From descriptions of friendship with such major literary figures as Anna Akhmatova and Isaac Babel to accounts of the struggle with obtuse and hostile censorship, from the heartbreaking story of the death of the daughter who had inspired so many stories to candid political statements, the extraordinary diary of Kornei Chukovsky is a unique account of the twentieth-century Russian experience.

The weather in Moscow is good, there's no cholera, there's also no lesbian love...Brrr! Remembering those persons of whom you write me makes me nauseous as if I'd eaten a rotten sardine. Moscow doesn't have them--and that's marvellous." —Anton Chekhov, writing to his publisher in 1895 Chekhov's barbed comment suggests the climate in which Sophia Parnok was writing, and is an added testament to the strength and confidence with which she pursued both her personal and artistic life. Author of five volumes of poetry, and lover of Marina

Tsvetaeva, Sophia Parnok was the only openly lesbian voice in Russian poetry during the Silver Age of Russian letters. Despite her unique contribution to modern Russian lyricism however, Parnok's life and work have essentially been forgotten. Parnok was not a political activist, and she had no engagement with the feminism vogueish in young Russian intellectual circles. From a young age, however, she deplored all forms of male posturing and condescension and felt alienated from what she called patriarchal virtues. Parnok's approach to her sexuality was equally forthright. Accepting lesbianism as her natural disposition,

Parnok acknowledged her relationships with women, both sexual and non-sexual, to be the centre of her creative existence. Diana Burgin's extensively researched life of Parnok is deliberately woven around the poet's own account, visible in her writings. The book is divided into seven chapters, which reflect seven natural divisions in Parnok's life. This lends Burgin's work a particular poetic resonance, owing to its structural affinity with one of Parnok's last and greatest poetic achievements, the cycle of love lyrics *Ursa Major*. Dedicated to her last lover, Parnok refers to this cycle as a seven-star of verses, after the seven stars that make up the constellation. Parnok's

poems, translated here for the first time in English, added to a wealth of biographical material, make this book a fascinating and lyrical account of an important Russian poet. Burgin's work is essential reading for students of Russian literature, lesbian history and women's studies.

How the Bible Has

Been Misused to Keep Women in Spiritual Bondage AuthorHouse

What does the Bible say about women's roles in the church? With pros and cons on either side of a heated, ongoing debate, no definitive conclusions have emerged. This book furnishes you with a clear and thorough presentation of the two primary views on women in ministry so you can better understand each one's strengths, weaknesses, and complexities. Each view—egalitarian (equal ministry opportunity for both genders) and complementarian (ministry roles differentiated by gender)—is represented by two contributors. This revised edition of the

book brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions, and to form your own opinion concerning the practical and often deeply personal issue of women in ministry. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the

Counterpoints series.

War: A Children's Book
is an educational
peacemaking tool.

When your child asks, "why is there war?" will you be ready with a real answer? This rhyming children's book is a tool to help gently explain the terrifying phenomenon of war without continuing the cycle of fear and hate. It teaches children not just the root causes and effects of war, but also their own role in preventing future wars. In the year after

writing was complete, the text was edited dozens of times by an international community from every related field - from soldiers to teachers. Veterans edited alongside those who grew up in warzones. Psychologists working in Latin American orphanages edited alongside educators from US inner cities and most importantly: a lot of committed parents.

Ten Lies The Church Tells Women Xulon Press

This first-rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles, affirming full equality of the sexes in family and church. The third edition has been

revised throughout. Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research. The aim is for nonspecialized readers to be able to follow his discussion step-by-step, evaluate arguments, consider alternative views, and arrive at independent conclusions. The study guide format of the book is designed for either individual investigation or group work. Pastors, church leaders, students, and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint.

Good News of Great Joy

Genuine art has the power to awaken and liberate. The renowned meditation master and artist Chögyam Trungpa called this type of art "dharma art"—any creative work that springs from an awakened state of mind, characterized by directness, unselfconsciousness, and nonaggression. Dharma art provides a vehicle to appreciate the nature of things as they are and express it without any struggle or desire to achieve. A work of dharma art brings out the goodness and dignity of the situation it reflects—dignity that comes from the artist's interest in the details of life and sense of appreciation for experience. Trungpa shows how the principles of dharma

art extend to everyday life: any activity can provide an opportunity to relax and open our senses to the phenomenal world. An expanded edition of Trungpa's *Dharma Art* (1996), this book includes a new introduction and essay. Oxford, Clarendon P

God's Timeless Promises for a Life of Fulfillment Charisma Media

At the end of the 19th century, Haggard placed Allan Quatermain, the

elephant hunter, in the partly unexplored lands of Africa, enlisted on a journey bristling with difficulties in search of the mighty mines of King Solomon. A succession of dangers, caused by nature, wild beasts or natives who do not understand the idolatry of white people for stones will stand in their way. An essential question arises from all this: whether the materialistic and money-obsessed "civilization" will not be at heart more savage than these warlike tribes lost in the heart of the jungle.

A Guide to Raising Children Zondervan

The Death of Vazir-Mukhtar, a novel by Yury Tynyanov, one of the leading figures of the Russian formalist school, describes the final year in the life of Alexander Griboedov, the author of the comedy *Woe from Wit*. As ambassador to Persia, Griboedov was murdered in 1829 by a Tehrani mob during the sacking of the Russian embassy. One of the central texts of Russian formalist literary production, the novel is a brilliant meditation on the nature of historical and poetic consciousness and of artistic creation. It is a complex and fascinating work that explores the

relationships among individual memory, historical fact, and the literary imagination. The result is a hybrid text, containing elements of various genres—historical, biographical, existential, and adventure novels—and a deeply personal, almost confessional testament to the writer’s relationship to his generation and the state. Completed in 1927, almost a century after the events it depicts, *The Death of Vazir-Mukhtar* marks the watershed between revolution and reaction. At a time when the Soviet regime was becoming increasingly restrictive of freedom of expression and conscience, Tynyanov grappled with the themes of

disillusionment, betrayal, and unrealized potential. Unabashedly intellectual yet filled with intrigue and suspense, *The Death of Vazir-Mukhtar* is a great historical novel of Russian modernism. *Digo-English-Swahili Dictionary : with a Concise Grammar of the Digo Language* Tyndale House Publishers, Inc. Ronald W. Pierce and Rebecca Merrill Groothuis (general editors), with the aid of Gordon D.
