Unit: Encapsulates the subject matter with simplicity in language and is replete with problems for practice to reinforce learning. Also includes comprehensive problems which provide an exhaustive training to students on slightly tougher problems. Must Know: Presents solved NCERT problems that on many occasions have been noticed to form the basis of several questions asked in the Board Examinations. Must Practise: Covers all recent questions (solved) that have been asked in the Board Examination chapter-wise to coach students readily. HOTS: Offers a range of questions to promote critical thinking, analysis and problem-solving skills. Evaluation Questions with Incomplete Information/Missing Figures deals with life-skills, values and tricky questions. Assess Yourself: Constitutes extensive exercises presenting typology of questions comprising Remembering, Understanding and Application-based which are classified as: Multiple Choice Questions (MCQs), Very Short Answer Type Questions, Short Answer Type Questions, Long Answer Type Questions and Practical Questions. The volume thus plans to assimilate three books- namely NCERT, CBSE examination question papers and a complete textbook-into one single volume for a much-focused study and exam preparation right from the beginning.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination.

Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject.
