These four nonfiction,

high-interest writing

prompts are designed to support second graders as they practice the writing process. The prompt topics promote writing based on real-world experiences. A suggested scoring rubric is included. *Developing the Creative Brain in the 21st Century* Kumon Pub North America Limited

Since the mid-twentieth century, Zoltán Kodály's child-developmental philosophy for teaching music has had significant positive impact on music education around the world, and is now at the core of music teaching in the United States and other English speaking countries. The Kodály

Today handbook series is the first comprehensive system to update and apply the Kodály concepts to teaching music in elementary school classrooms. Kodály in the Fourth Grade Classroom provides teachers with a step-by-step road map for developing children's performance, creative movement, and literacy skills in an organic and thoughtful manner. Through six years of field-testing with music teachers in the United States, Great Britain, and Hungary (the home

country of Zoltán Kodály), authors Micheál Houlahan and Philip Tacka have developed a methodology specifically for 21st century classrooms. Houlahan and Tacka use the latest research findings in cognition and perception to create a system not only appropriate for the developmental stages of fourth graders but also one which integrates vertically between elementary music classes. The methods outlined in this volume encourage greater musical ability

and creativity in children by teaching them to sing, move, play instruments, and develop music literacy skills. In addition, Kodály in the Fourth Grade Classroom promotes critical thinking, problem solving, and collaboration skills. Although the book uses the Kodály philosophy, its methodology has also been tested by teachers certified in Orff and Dalcroze, and has proven an essential guide for teachers no matter what their personal philosophy and specific training

might be. Over 100 children's books are incorporated into Kodály in the Fourth Grade Classroom, as well as 35 detailed lesson plans that demonstrate how music and literacy curriculum goals are transformed into tangible musical objectives. Scholarly yet practical and accessible, this volume is sure to be an essential guide for elementary music teachers everywhere. Four Quick Second Grade Writing Prompts (Set 1)
Teacher Created Materials
The Visual Guide to

Second Grade uses bold infographics to present fascinating facts about sports, rain forests, volcanoes, cloud formation, and more. Infographics allow students to complete creative challenges while building math, writing, and data-collection skills. When information is presented visually, children are more likely to understand and remember it. The Visual Guide to Second Grade uses infographics to grab young learners' attention with an exciting visual

learning technique. Infographics simplify complex information by highlighting key ideas and connections with colorful charts, pictures, and graphs. The perfect at-home resource, this cross-curricular workbook provides comprehension questions, writing prompts, and creative challenges to keep your child engaged in the learning process. Grade-specific and high-interest, the Visual Guide series offers a unique collection of infographics that teach language arts, math,

social studies, and science. Your child will grow as a critical thinker; make strides toward learning independently; and improve skills with text, numbers, and data. A way of learning that appeals to today's youth, the Visual Guide series focuses on building the 21st century skills that lead to school success. The end of second grade marks a huge milestone in a child's life; and this MY 2ND GRADE STORY

guided journal will help them capture all of the special memories and milestones of second grade before moving on to third grade! Filled with over 100 pages of interview-style question and answer prompts and plenty of space to record: School statistics Favorite subjects and teachers Details of classes, activities, and events Current food and entertainment favorites Memories of friends, family, and holidays Hopes and dreams for the future Pages for photos

and memorabilia along with autographs Once completed, this book will make a lasting keepsake and an heirloom for future generations! Makes a wonderful gift!

Four Quick Second Grade Writing Prompts (Set 11) Teacher Created Materials Evidence-Based Inquiry Using Primary Sources, grade two, offers many opportunities for inquiry-based learning. This high-interest book is the perfect tool to increase reading comprehension. The primary sources, obtained from the Library

of Congress, are photos of actual people, events, and symbols of another era. Accompanying text lends context to the photos and is offered at three readability levels to allow for differentiation. A final page in each section presents questions and prompts to encourage students to ask questions, look for answers, and make connections between the past and the present. Students will enjoy the primary source subjects, which range from traffic police to working children to

Harriet Tubman. --The Evidence-Based Inquiry Using Primary Sources series for grades 1 to 6 will engage students in a world of inquiry and discovery. Inquiry-based learning is active learning that elicits a higher level of reading comprehension. The pages of these books contain exciting and fascinating real-world photographs, advertising, recipe cards, theater programs, posters, letters, and maps, as well as other interesting items that document history.

Each book highlights 15 primary sources across four pages each. The first three pages of each set present the same primary source with text that is differentiated for three reading levels. The last page of each set offers questions and prompts to encourage higher-level thinking and inquiry. A Guided Journal with Prompt Questions for a Second Grader to Record Their School Memories Teacher Created Materials Provides techniques, lessons plans, and ready-to-use assignments to

help integrate the traits of good writing into all areas of the curriculum.

Their School Memories Using Primary Sources, Grade 2
Teacher Created Materials

In this digital age, faculty, teachers, and teacher educators are increasingly expected to adopt and adapt pedagogical perspectives to support student learning in instructional environments featuring online or blended learning. One highly adopted element of online and blended learning involves the use of online learning discussions. Discussion-based learning

offers a rich pedagogical context for creating learning opportunities as well as a great deal of flexibility for a wide variety of learning and learner contexts. As post-secondary and, increasingly, K-12 institutions cope with the rapid growth of online learning, and an increase in the cultural diversity of learners, it is critical to understand, at a detailed level, the relationship between online interaction and learning and how educationally-effective interactions

might be nurtured, in an inclusive way, by instructors. The Handbook of Research on Online Discussion-Based Teaching Methods is a cutting-edge research publication that seeks to identify promising designs, pedagogical and assessment strategies, conceptual models, and theoretical frameworks that support discussion-based learning in online and blended learning environments. This book provides a better understanding of the effects and both

commonalities and differences of new tools that support interaction, such as video, audio, and real-time interaction in discussion-based learning. Featuring a wide range of topics such as gamification, intercultural learning, and digital agency, this book is ideal for teachers, educational software developers, instructional designers, IT consultants, academicians, curriculum designers, researchers, and students.

Reading Comprehension
Grade 2 Passages and
Questions for 2nd,
Homeschool Grade : This
reading comprehension
workbook grade 2 packet
includes 15 passages
designed to help kids
work toward the goals of
reading and
comprehending Guided
Reading Levels K and L
text. There are two pages

of questions with each
story. The first page
includes four text-based
multiple choice questions.
These questions prompt
students to find evidence
in the text, to consider
author's purpose and to
differentiate fact from
opinion. The second page
is comprised of short
answer and extended
answer writing prompts.
Depending on the length
and complexity of the
responses, there are
either two or three written
response questions for
each passage. Reading

Passages with Text-Based
Questions: Guided
Reading Levels K & L
These passages are
perfect for close reading
lessons. As students are
learning to use evidence
to support their thinking, I
have them find and
highlight the section of
text they use to justify
their answer. Two options
include: - Color coded
highlighting ~ Students
highlight the answer to
each question in a
different color. -
Numbered highlighting ~
Students highlight
evidence within the text

and then write the question number beside the highlighted evidence. I also use these passages for choral reading, fluency work, homework, and literacy centers. The following passages are included in this pack: - Redwood Trees - The

Amazing Elephant Trunk - All About Helicopters - All About Hippos - All About Soil - Lions and Tigers - Birds and Reptiles - Reading comprehension 2nd grade- States of Matter - Elephant and Monkey - Silly Simon -

Silly Simon's Revenge - Rabbit's Great Escape - The Mirror - Tug of War - The Dog and His Bone Thanks so much for stopping by and taking a look. - Reading Comprehension and Skills Grade 2 Passages and Questions Education
