#### My Body Skyhorse

Ciudad Juárez, Mexico, is the most dangerous city in the world. And when a mission to break the local cartel's grip goes wrong, Isabella Rose, the Angel, finds herself on the wrong side of prison bars. Fearing the worst, Isabella plays her only remaining card... British agent Vivian Bloom is determined to be the first to reach her, certain she will lead him to other operatives he's under pressure to hunt down. But US agents are circling too. And with the shadowy Prometheus group pulling the strings, Isabella knows that she and her mentor, the Asset, are living on borrowed time... The Assassin is the fourth part in a continuing story involving Isabella Rose that also includes Act I: The Angel, Act II: The Asset and Act III: The Agent.

WHEN OBEDIENCE MEANS DEATHA suicide bomber boards a crowded bus in central London. Ex-SAS captain Gabriel Wolfe, now struggling with PTSD, is having a coffee just yards away. In the ensuing carnage, Gabriel is plunged into a bloody memory of his last, botched mission.Plagued by visions of the dead comrade he left behind, Gabriel now freelances for The Department, a secret British Government hit squad. He wants to take out whoever ordered the attack.Gabriel's desire for vengeance leads him to Eden, the Brazilian rainforest compound of a religious cult called The Children of Heaven. The cult's leader is "Pore Christophe", a psychopath with a taste for fine wines, Mozart and extreme violence.But when Gabriel arrives, he is brainwashed, brutalised and fitted for his own suicide vest. Then his real battle begins. To prevent more deaths ... including his own."A Cross Between Bond and Reacher" This edge-of-your-seat action thriller is the third full-length outing for Andy Maslen's "hero among us", Gabriel Wolfe. Condor combines heart-stopping action with nightmarish scenes of psychological breakdown.Gabriel's enemies include a sadistic Colombian cartel boss nicknamed "The Baptist", a vicious biker gang - the Sons of Satan - and, in the heart of the rainforest itself, a psychopathic cult leader with a taste for classical music, fine wine and extreme violence.Fans of Lee Child, James Patterson, Vince Flynn and Daniel Da Silva are already saluting Maslen as an author to watch.If you like your heroes flawed as well as resourceful, you'll love Gabriel Wolfe. He's been called "deadlier than Bond", and "more human than Reacher".Praise for Andy Maslen's Gabriel Wolfe books"> Trigger Point"Action, double-crosses, villains galore... a rattling good thriller! Early Bond meets Jack Reacher - a thrilling debut outing for a new action hero."Damien Seaman, author of The Killing of Emma Gross, on Trigger Point."A pacy and entertaining read, with plenty of action, genuine suspense and good snappy dialogue. Gabriel Wolfe is a great new addition to the world of thriller heroes."bookworm51|Verified Purchase"> Blind Impact"... continues to develop its rugged hero."Kirkus Reviews" There's so much energy in this story, you're hooked from the start and can't help but race through it. From the best-selling author and rewilding pioneer Isabella Tree, *When We Went Wild* is a heartwarming, sustainably printed picture book about the benefits of letting nature take the lead, inspired by real-life rewilding projects. Nancy and Jake are farmers. They raise their cows and pigs, and grow their crops. They use a lot of big machines to help them, and spray a lot of chemicals to get rid of the weeds and the pests. That's what all good farmers do, isn't it? And yet, there is no wildlife living on their farm. The animals look sad. Even the trees look sad! One day, Nancy has an idea... what if they stopped using all the machines, and all the chemicals, and instead they went wild? The author's own experience of rewilding her estate at Knepp in West Sussex, England, has influenced conservation techniques around the world that are bringing nature back to the countryside and bringing threatened species back from the brink. Ivy Kids brings you beautiful,

sustainably printed books to rewild your child. They are hopeful, joyful stories and nonfiction about nature and the environment that are charmingly illustrated and printed on 100% post-consumer recycled paper, locally in the US, and using renewable energy. Praise for *Wilding*, the author's best-selling memoir: "In a story that is part personal memoir, part work of conservation, Tree reveals the capacity of the wild to reclaim the land--as long as humans step out of the way." --Smithsonian, "The Ten Best Science Books of 2018" "Wilding is both a timely and important book." --Tim Flannery, The New York Review of Books

The Girls meets Fight Club in this coming-of-age novel about queer desire, religious zealotry, and the hunger for transcendence among the devoted members of a cultic chapel choir in a prestigious Maine boarding school—and the obsessively ambitious, terrifyingly charismatic girl that rules over them. When shy, sensitive Laura Stearns arrives at St. Dunstan's Academy in Maine, she dreams that life there will echo her favorite novel, *All Before Them*, the sole surviving piece of writing by Byronic "prep school prophet" (and St. Dunstan's alum) Sebastian Webster, who died at nineteen, fighting in the Spanish Civil War. She soon finds the intensity she is looking for among the insular, Webster-worshipping members of the school's chapel choir, which is presided over by the charismatic, neurotic, overachiever Virginia Strauss. Virginia is as fanatical about her newfound Christian faith as she is about the miles she runs every morning before dawn. She expects nothing short of perfection from herself—and from the members of the choir. Virginia inducts the besotted Laura into a world of transcendent music and arcane ritual, illicit cliff-diving and midnight crypt visits: a world that, like Webster's novels, finally seems to Laura to be full of meaning. But when a new school chaplain challenges Virginia's hold on the "family" she has created, and Virginia's efforts to wield her power become increasingly dangerous, Laura must decide how far she will let her devotion to Virginia go. *The World Cannot Give* is a shocking meditation on the power, and danger, of wanting more from the world.

The "fascinating . . . lively" story of the Russian slave girl Roxelana, who rose from concubine to become the only queen of the Ottoman empire (New York Times). In *Empress of the East*, historian Leslie Peirce tells the remarkable story of a Christian slave girl, Roxelana, who was abducted by slave traders from her Ruthenian homeland and brought to the harem of Sultan Suleyman the Magnificent in Istanbul. Suleyman became besotted with her and foreswore all other concubines. Then, in an unprecedented step, he freed her and married her. The bold and canny Roxelana soon became a shrewd diplomat and philanthropist, who helped Suleyman keep pace with a changing world in which women, from Isabella of Hungary to Catherine de Medici, increasingly held the reins of power. Until now Roxelana has been seen as a seductress who brought ruin to the empire, but in *Empress of the East*, Peirce reveals the true history of an elusive figure who transformed the Ottoman harem into an institution of imperial rule.

Isabella Rose, the Angel, is used to surprises, but being abducted is an unwelcome novelty. She's relying on Michael Pope, the head of the top-secret Group Fifteen, to get her back. When ISIS get involved, the situation becomes even bleaker. Isabella's abductors are in turn abducted, and she finds herself trapped in Raqqa, the capital of the self-styled caliphate. Meanwhile, Pope has problems of his own: a new danger has emerged from the shadows and is threatening both him and

his family. His only option is to head for the war-torn border of Turkey and Syria--a murderous, lawless place where potential enemies lurk around every bombed-out corner. Pope knows that he is risking everything to find Isabella, but finding the Angel is not a choice--it's a necessity. The Asset is the second part in a continuing story involving Isabella Rose that started with Act I: The Angel. The story will be continued in Act III.

A NEW YORK TIMES BESTSELLER An Indie Bestseller! An Indie Next Pick! The blockbuster co-writing debut of Amanda Foody and Christine Lynn Herman, *All of Us Villains* begins a dark tale of ambition and magick... You Fell in Love with the Victors of the Hunger Games. Now Prepare to Meet the Villains of the Blood Veil. The Blood Moon rises. The Blood Veil falls. The Tournament begins. Every generation, at the coming of the Blood Moon, seven families in the remote city of Ilvernath each name a champion to compete in a tournament to the death. The prize? Exclusive control over a secret wellspring of high magick, the most powerful resource in the world—one thought long depleted. But this year a scandalous tell-all book has exposed the tournament and thrust the seven new champions into the worldwide spotlight. The book also granted them valuable information previous champions never had—insight into the other families' strategies, secrets, and weaknesses. And most important, it gave them a choice: accept their fate or rewrite their legacy. Either way, this is a story that must be penned in blood. Writings by Negri on the brief thaw in the cold winter of neoliberalism, Thatcherism, Reaganomics, and counterrevolution. Automation and information technology have transformed the organization of labor to such an extent that the processes of exploitation have moved beyond the labor class and now work upon society as a whole. If this displacement has destroyed the political primacy of the labor class, it has not, however, eliminated exploitation; rather, it has broadened it, implanting it within the given conditions of the most diverse spheres of society. —from *The Winter Is Over* In late 1995, in opposition to the conservative agenda of Jacques Chirac and his prime minister Alain Juppé and their proposed widespread welfare cuts, French students rose up against their government; public sector workers, together with all the major trade unions, went on strike. When railway workers and Paris Metro personnel joined in the protests, France's public transportation system came to a halt. These extensive social upheavals, the likes of which had not been seen in France since 1968, found widespread public support and fuelled the creation of many political organizations. Chirac backed down from restructuring the public retirement system. Antonio Negri's *The Winter is Over* comes out of the glimmer of optimism created by the events of 1995, when the long, cold season of neoliberalism, Thatcherism, Reaganomics, reaction, and counterrevolution appeared to have run its course. Published in Italian in 1996, *The Winter is Over* brings together a series of articles, speeches, and other documents written by Negri between 1989 and 1995 at the threshold of this thaw. It offers a revealing and wide-reaching account of those years of change and brink-of-change, focusing on such topics as the networks of social production, the decline of "limp thought," the end of applied socialism, the Gulf War, and, finally, Italy's transition to its so-called "Second Republic," as seen by an exile.

The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (Romantic Times Book Review). *The Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.

A masterful debut novel by Plimpton Prize winner Isabella Hammad, *The Parisian* illuminates a pivotal period of Palestinian history through the journey and romances of one young man, from his studies in France during World War I to his return to Palestine at the dawn of its battle for independence. Midhat Kamal is the son of a wealthy textile merchant from Nablus, a town in Ottoman Palestine. A dreamer, a romantic, an aesthete, in 1914 he leaves to study medicine in France, and falls in love. When Midhat returns to Nablus to find it under British rule, and the entire region erupting with nationalist fervor, he must find a way to cope with his conflicting loyalties and the expectations of his community. The story of Midhat's life develops alongside the idea of a nation, as he and those close to him confront what it means to strive for independence in a world that seems on the verge of falling apart. Against a landscape of political change that continues to define the Middle East, *The Parisian* explores questions of power and identity, enduring love, and the uncanny ability of the past to disrupt the present. Lush and immersive, and devastating in its power, *The Parisian* is an elegant, richly-imagined debut from a dazzling new voice in fiction.
