A record of  
America in the  
50s with a rich  
cast of  
characters;  
writers,  
painters,  
actors, rich

and famous -  
all part of the  
tumultuous  
lives and loves  
of Norman  
and Adele  
Mailer. This is  
the intimate  
story of a  
literary  
genius in  
search of  
himself and  
the woman  
who was with  
him every  
step of the

seem to be  
improving.  
She's a little  
strange, and  
her 'father' is  
frankly  
sinister, but at  
least she likes

Oskar. Then a child's body is found hanging from a tree, and all hell breaks loose. Is it a serial killer? Or something a bit...different?

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingl y tender and

morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with

it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also

a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

The internationally acclaimed author of the L.A. Quartet and The Underworld USA Trilogy, James Ellroy, presents another literary masterpiece, this time a true crime murder

mystery about his own mother. In 1958 Jean Ellroy was murdered, her body dumped on a roadway in a seedy L.A. suburb. Her killer was never found, and the police dismissed her as a casualty of a cheap Saturday night. James Ellroy was ten when his mother died, and he spent the next thirty-six years running from her ghost and attempting to exorcize it through crime fiction. In 1994, Ellroy

The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically

while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster.... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he

perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police

reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. I'll Be Gone in the Dark—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It

is also a portrait of a woman's obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer. [Born a Crime](#) St. Martin's Press

The late 1690

and early 70s  
may be  
remembered  
as the years of  
the great bank  
and other  
armed  
robberies in  
Kenya. This is  
the true story  
of one of the  
participants in  
some of those  
robberies,  
John Kiriamiti.  
In raw and  
candid  
language,  
Kiriamiti tells  
the story of  
how he  
dropped out of  
secondary  
school when  
he was only  
fifteen years  
old, and for a  
time became  
a novice  
pickpocket,  
before  
graduating

into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminal's struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti

left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s. Death Is Not the End East African Publishers Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary

land in which the boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing. **There's Someone Inside Your House** East African Publishers This novel is by the author of the celebrated *My Life in Crime* and is his first. The life of the 'Son of Fate' is a grim struggle for survival, after his release from prison. He tries his luck at

farming, and odd jobs in the city, but everything fails, and he finds himself on the wrong side of the law again. But a glimmer of hope comes when he rescues a tycoon.

He is respected. Admired in the courtroom.

Happy at home with the loves of his life: his wife, Laurie, and their teenage son, Jacob. Then Andy's quiet suburb is stunned by a shocking crime: a young boy stabbed to death in a leafy park. And an even greater shock: The accused is Andy's own son—shy, awkward, mysterious Jacob. Andy believes in Jacob's innocence. Any parent would. But the pressure mounts. Damning

evidence. Doubt. A faltering marriage. The neighbors' contempt. A murder trial that threatens to obliterate Andy's family. It is the ultimate test for any parent: How far would you go to protect your child? It is a test of devotion. A test of how well a parent can know a child. For Andy Barber, a man with an iron will and a dark secret, it is a test of guilt and innocence in the deepest sense. How far

would you go? Praise for Defending Jacob "A novel like this comes along maybe once a decade . . . a tour de force, a full-blooded legal thriller about a murder trial and the way it shatters a family. With its relentless suspense, its mesmerizing prose, and a shocking twist at the end, it's every bit as good as Scott Turow's great Presumed Innocent. But it's also something more: an indelible domestic

The Daughter of Time was voted greatest mystery novel of all time by the Crime Writers' Association in 1990. Live and Let Die A&C Black

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the

American Dream becomes a nightmare . . . With an introduction by Irvine Welsh, Bret Easton Ellis's American Psycho is one of the most controversial and talked-about novels of all time. A multi-million-copy bestseller hailed as a modern classic, it is a violent black comedy about the darkest side of human nature. *You Can't Win* Good Press For readers unfamiliar with the

blistering plots and language of Ian Rankin's longer works, this special edition novella is the perfect opportunity to get to know Rankin and his unforgettable creation, Inspector John Rebus. For longtime Rebus fans, it is an opportunity to follow him as he explores a subplot from

his most recent outing, *Dead Souls*. When his high-school sweetheart calls him out of the blue, Rebus agrees to track down her missing son, who was last seen at a bar owned by some shady mob-linked gangsters. His pursuit takes him through an Edinburgh beyond the tartan

tearooms and cobbled streets of the tourist brochures, a modern city boasting a variety of criminals and their victims. As Rebus contemplates the lurking immortality of his own city, Rankin offers readers page-turning suspense and astonishing literary grace.
