John Wiley & Sons
Fiction. Nick Antosca's
THE GIRLFRIEND GAME is

a tumble through the looking glass into a vortex of violence and desire. The 12 stories in the newest collection by the Shirley Jackson Award-winning author are brutal, urgent and unforgettable. In "Predator Bait," a decoy in a sex sting news show questions her job and the man who shares her bed. An undependable son watches his mother become a creature he hardly recognizes in "Amphibian." A young man plots the death of his girlfriend's killer in "Winter Was Hard." Antosca crafts surreal doomsday scenarios and otherworldly transformations alongside painfully articulate depictions of sexuality and animal impulse. The stories in THE GIRLFRIEND GAME are mesmerizing, leaving a haunting afterglow long after you close the book.

"Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. A Memoir and Dating Handbook Too Late, Mate? A Daygame Memoir Non-monogamy is having a moment. It's widely discussed and celebrated in the culture. At the same time, many guys are learning about game and evolutionary biology, which together discuss what women find attractive and how to use that knowledge to meet and have sex with attractive women. But no one is discussing how non-monogamy (including sex clubs, sex parties, and group dates) and the game fit together. Yet

that's what's I've been doing for the past ten years. This book synthesizes everything I've done and experienced over this time period. You'll learn why non-monogamy is popular; how non-monogamy works in practice; what successful non-monogamy looks like; and how to propose non-monogamy to your lovers. Sex clubs are not a shortcut to having real game. Sex clubs are an extension of existing game. If you don't have game and status already you will have a bad time if you try to bring your only, sole, single girl with you. By analogy, if you invest your life savings in a single stock, you are one scandal away from going bankrupt, while a diversified portfolio or index fund ensures that you are financially robust. But if you have game, non-monogamy can be a powerful accelerant to your dating and relationship portfolio. Myths and incorrect information abound in this field. Many guys in the game think non-monogamy is something only out-there fruits are willing to try. Many people doing non-monogamy are blinded by blank-slate ideology and foolish

optimism about human nature. This book dispels myths, explains how exchanging value for value propels the non-monogamy scene, and why non-monogamy is an untapped resource for players.

A mature guide to attraction that is neither insulting to women nor to the intelligence of its

readers. While written for a general audience, this text caters especially to those with technical backgrounds. Logically minded individuals, such as engineers and computer programmers, are generally among the most befuddled when it comes to attracting women. While attraction and seduction are more of an art than a science, this text breaks down and delineates the most critical and fundamental concepts. Inside this book you will not find pick-up lines, routines, gimmicks, tricks or manipulative mind games. While other resources provide surface level advice, this book tackles attraction on a first principles basis. By understanding how attraction works on the deepest level, you will learn to address the causes of your issues rather than just how to cover up the symptoms. That is, you will learn to become an attractive man, not just how to act like one.

If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as *Style*. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, *The Stylelife Challenge*, breaks down the knowledge he learned and techniques

he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of *The Game*. *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," *The Style Diaries* takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.
