Brook Press *Being Similar in Design to Elegant Extracts in Prose* Vintage This book presents a wide-ranging portrayal of the creative work done in Saint John in the hundred years following Confederation. Beautiful watercolour and oil paintings, early fossil discoveries, successful bestselling authors and other examples of the creative city are brought together in

this volume. Among the many surprising and interesting accounts: the contribution to Maritime natural history made by a butterfly found in the city, the role of the city's Great Fire in generating a host of visual artists documenting the urban landscape, and the little-known Hollywood connection that made the city a hotbed of film production — in the early 1900s. **Saint Death**

A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for

Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022. **Historical Analysis of Christian Civilisation** BoD – Books on Demand A propulsive, compelling, and unsparing novel set in the grimly violent world of the human and drug trade on the US-Mexican border. On the outskirts of Juarez, Arturo scrapes together a living working odd jobs and staying out of sight. But his friend

Faustino is in trouble: he's stolen money from the narcos to smuggle his girlfriend and her baby into the US, and needs Arturo's help to get it back. To help his friend, Arturo must face the remorseless world of drug and human traffickers that surrounds him, and contend with a murky past. Hovering over his story is the unsparing divinity Santa Muerte, Saint Death—and the relentless economic and social

inequalities that haunt the border between Mexico and its rich northern neighbor. Crafted with poetry and cinematic pace and narrated with cold fury, *Saint Death* is a provocative tour de force from three-time Printz Award honoree Marcus Sedgwick. This title has Common Core connections. **(Saint of Death)** Formac Publishing Company The second novel by

Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and

his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns

of plot and “a bustling, ridiculous humanity worthy of Dickens” (The New York Times Book Review), The Little Friend is a work of myriad enchantments by a writer of prodigious talent. *A Novel/ Saint Death* A potent, powerful and timely thriller about migrants, drug lords and gang warfare set on the US/Mexican border by PRINTZ MEDAL winning and CARNEGIE

MEDAL, COSTA BOOK AWARD and GUARDIAN CHILDREN'S FICTION PRIZE shortlisted novelist, Marcus Sedgwick. Anapra is one of the poorest neighbourhoods in the Mexican city of Juarez - twenty metres outside town lies a fence, and beyond it, America - the dangerous goal of many a migrant. Faustino is one such trying to escape from the gang he's been working for. He's dipped into a

pile of dollars he was supposed to be hiding and now he's on the run. He and his friend, Arturo, have only 36 hours to replace the missing money, or they're as good as dead. Watching over them is Saint Death. Saint Death (or Santissima Muerte) - she of pure bone and charcoal-black eye, she of absolute loyalty and neutral morality, holy patron to rich and poor, to prostitute and narco-lord, criminal and

police-chief. A folk saint, a rebel angel, a sinister guardian.

**A Novel**

Roaring Brook Press  
With the war between the Mexican state and the drug traffickers operating within its borders having claimed over 70,000 lives since 2006, noted journalist and author Michael Deibert zeroes in on the story of the notorious Gulf Cartel, their deadly war with their former allies Los Zetas, the

cartel's connections in Mexican politics and what its trajectory means for Mexico's--and America's--future. Punctuated by the disappearance of busloads of full of people from Mexican highways, heavy-weapon firefights in once-picturesque colonial towns and the discovery of mass graves, nowhere has the violence of Mexico's drug war been more intense than directly across the

border from East Texas, the scene of a scorched-earth war between two of Mexico's largest drug trafficking organizations: The Gulf Cartel, a criminal body with roots stretching back to Prohibition, and Los Zetas, a group famous for their savagery and largely made up of deserters from Mexico's armed forces. From the valleys and sierras of rural Tamaulipas and Nuevo León to the

economic hub of Monterrey, the violence rivals anything seen in the more well-known narco war in Ciudad Juárez, 830 miles to the west. Combining dozens of interviews that the author has conducted over the last six years in Mexico and other countries in the region along with a vast reserve of secondary source material, In the Shadow of Saint Death gives U.S. readers the

story of the war being waged along our border in the voices of the cartel hitmen, law enforcement officials, politicians, shopkeepers, migrants and children living inside of it year-round. Through their stories, the book will pose provocative questions about the direction and consequence of U.S. drug policy and the militarized approach to combating the narcotics trade on both sides of the border.
