MATHEWS SHANNON

[American Theatre](#) Indiana University Press

"Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said *The New York Times*. "It is as if history is conspiring to make the play a classic."

The first comprehensive overview of an influential American photographer and filmmaker whose work is known for its intimacy and social engagement. Coming of age in the 1960s, the photographer Danny Lyon (b. 1942) distinguished himself with work that emphasized intimate social engagement. In 1962 Lyon traveled to the segregated South to photograph the civil rights movement. Subsequent projects on biker culture, the demolition and redevelopment of lower Manhattan, and the Texas prison system, and more recently on the Occupy movement and the vanishing culture in China's booming Shanxi Province, share Lyon's signature immersive approach and his commitment to social and political issues that concern those on the margins of society. Lyon's photography is paralleled by his work as a filmmaker and a writer. Danny Lyon: Message to

the Future is the first in-depth examination of this leading figure in American photography and film, and the first publication to present his influential bodies of work in all media in their full context. Lead essayists Julian Cox and Elisabeth Sussman provide an account of Lyon's five-decade career. Alexander Nemerov writes about Lyon's work in Knoxville, Tennessee; Ed Halter assesses the artist's films; Danica Willard Sachs evaluates his photomontages; and Julian Cox interviews Alan Rinzler about his role in publishing Lyon's earliest works. With extensive back matter and illustrations, this publication will be the most comprehensive account of this influential artist's work.

Text & Presentation, 2008 Scarecrow Press

From the author of *The Sword and the Shield*, this definitive biography of the Black Power activist Stokely Carmichael offers "an unflinching look at an unflinching man" (*Daily Beast*). Stokely Carmichael, the charismatic and controversial Black activist, stepped onto the pages of history when he called for "Black Power" during a speech one Mississippi night in 1966. A firebrand who straddled both the American civil rights and Black Power movements, Carmichael would stand for

the rest of his life at the center of the storm he had unleashed. In Stokely, preeminent civil rights scholar Peniel E. Joseph presents a groundbreaking biography of Carmichael, using his life as a prism through which to view the transformative African American freedom struggles of the twentieth century. A nuanced and authoritative portrait, Stokely captures the life of the man whose uncompromising vision defined political radicalism and provoked a national reckoning on race and democracy.

Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A-Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures.

Revision as Resistance in Twentieth-Century American Drama Henry Holt and Company

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Issued also separately.

Adapted Reader's Companion Markus Wiener Publishers

Winner of the 2019 PEN/Jacqueline Bograd Weld Award for Biography Winner of the Lambda Literary Award for LGBTQ Nonfiction Winner of the Shilts-Grahn Triangle Award for Lesbian Nonfiction Winner of the 2019 Phi Beta Kappa Christian Gauss Award A New York Times Notable Book of 2018 A revealing portrait of one of the most gifted and charismatic, yet least understood, Black artists and intellectuals of the twentieth century. Lorraine Hansberry, who died at thirty-four, was by all accounts a force of nature. Although best-known for her work *A Raisin in the Sun*, her short life was full of extraordinary experiences and achievements, and she had an unflinching commitment to social justice, which brought her under FBI surveillance when she was barely in her twenties. While her close friends and contemporaries, like James Baldwin and Nina Simone, have been rightly celebrated, her story has been diminished and relegated to one work—until now. In 2018, Hansberry will get the recognition she deserves with the PBS American Masters documentary “Lorraine Hansberry: Sighted Eyes/Feeling Heart” and Imani Perry’s multi-dimensional, illuminating biography, *Looking for Lorraine*. After the success of *A Raisin in the Sun*, Hansberry used her prominence in myriad ways: challenging President Kennedy and his brother to take bolder stances on Civil Rights, supporting African anti-colonial leaders, and confronting the romantic racism of the Beat poets and Village hipsters. Though she married a man, she identified as lesbian and, risking censure and the prospect of being outed, joined one of the nation’s first lesbian organizations. Hansberry associated with many activists, writers, and musicians, including Malcolm X, Langston Hughes, Duke Ellington, Paul Robeson, W.E.B. Du Bois, among others. Looking for Lorraine is a powerful insight into Hansberry’s extraordinary life—a life that was tragically cut far too short. [The Racial Imaginary of the Cold War Kitchen](#) UM Libraries

The moving story of the life of the woman behind *A Raisin in the Sun*, the most widely anthologized, read, and performed play of the American stage, by the New York Times bestselling author of *Mockingbird: A Portrait of Harper Lee* Written when she was just twenty-eight, Lorraine Hansberry’s landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics’ Circle Award. Charles J. Shields’s authoritative biography of one of the twentieth century’s most admired playwrights examines the parts of Lorraine Hansberry’s life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

The Midwest has produced a robust literary heritage. Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes. This volume explores the rich racial, ethnic, and cultural diversity of the region. It also contains entries on 35 pivotal Midwestern literary works, literary genres, literary, cultural, historical, and social movements, state and city literatures, literary journals and magazines, as well as entries on science fiction, film, comic strips, graphic novels, and environmental writing. Prepared by a team of scholars, this second volume of the *Dictionary of Midwestern Literature* is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature.

Danny Lyon University of Texas Press

Examines the life and work of this African American playwright and social activist who received great recognition at an early age.

Books for Schools and the Treatment of Minorities Civitas Books

Examining Lorraine Hansberry’s *A Raisin in the Sun* as Counternarrative: Understanding the Black Family and Black Students shows how and why Lorraine Hansberry’s play, *A Raisin in the Sun*, should be used as a teaching tool to help educators develop a more accurate and authentic understanding of the Black Family. The purpose of this book is to help educators develop a greater awareness of Black children and youth’s, humanity, academic potential and learning capacity, and for teachers to develop the consciousness to disavow white supremacy, American exceptionalism, myths, racial innocence, and personal absolution within the education system. This counternarrative responds to the flawed and racist perceptions, stereotypes, and tropes that are perpetuated in schools and society about the African American family and Black students in US schools. It is deliberative and reverberating in addressing anti-Black racism. It argues that, if Education is to be reimagined through a social justice structure, teachers must be educated with works that include Black artists and educators, and teachers must be committed to decolonizing their own minds. Examining Lorraine Hansberry’s *A Raisin in the Sun* as Counternarrative: Understanding the Black Family and Black Students is important reading for undergraduate and postgraduate courses in Educational Foundations, Curriculum and Instruction, Education Policy, Multicultural Education, Social Justice Education, and Black Studies. It will also be beneficial reading for in-service educators.

"A Raisin in the Sun" reflects Lorraine Hansberry's childhood experiences in segregated Chicago.

This electrifying masterpiece has enthralled audiences and has been heaped with critical accolades. "The play that changed American theatre forever" - The New York Times. Edition Description

Chicana Movidas Springer

With contributions from a wide array of scholars and activists, including leading Chicana feminists from the period, this groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing, activism, and leadership in the movement years. The essays in *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* demonstrate how Chicanas enacted a new kind of politica at the intersection of race, class, gender, and sexuality, and developed innovative concepts, tactics, and methodologies that in turn generated new theories, art forms, organizational spaces, and strategies of alliance. These are the technologies of resistance documented in *Chicana Movidas*, a volume that brings together critical biographies of Chicana activists and their bodies of work; essays that focus on understudied organizations, mobilizations, regions, and subjects; examinations of emergent Chicana archives and the politics of collection; and scholarly approaches that challenge the temporal, political, heteronormative, and spatial limits of established Chicano movement narratives. Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies, feminist theory, and queer theory, *Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era* offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism.

Humanities Yale University Press

Prior to the 1960s, when African Americans had little access to formal political power, black popular culture was commonly seen as a means of forging community and effecting political change. But as Richard Iton shows, despite the changes politics, black artists have continued to play a significant role in the making of critical social spaces.

Six-time Coretta Scott King Award winner and four-time Caldecott Honor recipient Bryan Collier brings this classic, inspirational poem to life, written by poet Useni Eugene Perkins. Hey black child, Do you know who you are? Who really are? Do you know you can be What you want to be If you try to be What you can be? This lyrical, empowering poem celebrates black children and seeks to inspire all young people to dream big and achieve their goals.

Catalog of Copyright Entries. Third Series Copyright Office, Library of Congress

This book demonstrates the ways in which the kitchen - the centerpiece of domesticity and consumerism - was deployed as a recurring motif in the ideological and propaganda battles of the Cold War. Beginning with the famous Nixon-Khrushchev kitchen debate, Baldwin shows how Nixon turned the kitchen into a space of exception, while contemporary writers, artists, and activists depicted it as a site of cultural resistance. Focusing on a wide variety of literature and media from the United States and the Soviet Union, Baldwin reveals how the binary logic at work in Nixon's discourse - setting U.S. freedom against Soviet totalitarianism - erased the histories of slavery, gender subordination, colonialism, and racial genocide. The *Racial Imaginary of the Cold War Kitchen* treats the kitchen as symptomatic of these erasures, connecting issues of race, gender, and social difference across national boundaries. This rich and rewarding study - embracing the literature, film, and photography of the era - will appeal to a broad spectrum of scholars.

Theatre Arts Vintage

The women in SNCC acquired new skills, experienced personal growth, sustained one another, and even had fun in the midst of serious struggle. Readers are privy to their analyses of the Movement--its tactics, strategies, and underlying philosophies. The contributors revisit central debates of the struggle including the role of nonviolence and self-defense, the role of white people in a black-led movement, and the role of women within the Movement and the society at large. --

Examining Lorraine Hansberry's A Raisin in the Sun as Counternarrative Little, Brown Books for Young Readers

Any future biographical work on Richard Wright will find this bibliography a necessity; academic or public libraries supporting a program of black culture will find it invaluable; and it belongs in any library supporting American literature studies. Richard Wright has truly been well served. Choice

The most comprehensive bibliography ever compiled for an American writer, this book contains 13,117 annotated items pertaining to Richard Wright. It includes almost all published mentions of the author or his work in every language in which those mentions appear. Sources listed include books, articles, reviews, notes, news items, publishers' catalogs, promotional materials, book

jackets, dissertations and theses, encyclopedias, biographical dictionaries, handbooks and study guides, library reports, best seller charts, the Index Translationum, playbills and advertisements, editorials, radio transcripts, and published letters and interviews. The bibliography is arranged chronologically by year. Each entry includes bibliographical information, an annotation by the

authors, and information about all reprintings, partial or full. The index is unusually complete and contains the titles of Wright's works, real and fictional characters in the works, entries relating to significant places and events in the author's life, important literary terminology, and much additional information.
