*The Slab Boys  
Trilogy* DC  
Comics  
John Byrne  
(b.1940) grew  
up on the  
Ferguslie Park  
housing  
scheme in  
Paisley. He  
escaped work  
in a carpet  
factory to  
study at the  
Glasgow  
School of Art,  
and has since  
carved out a  
successful  
dual career as  
an artist and a  
writer. This is  
the first  
monograph to  
explore  
Byrne's  
remarkable  
artistic  
journey in  
both the  
visual and

cultural identity.  
**Marvel Universe by John Byrne Omnibus**  
 Lund Humphries Publishers  
 John Byrne makes his sensational return to the series he started, and She-Hulk's adventures as a super hero who knows she's in a comic book get wilder and more hilarious than ever! Shulkie will face problems high and low as her signature writer/penciler pits her against

Spragg the Living Hill and sends her on a puntastic Jenny to the Center of the Earth! But will she say "I do" to the Mole Man? She-Hulk will banter, bodyswap and battle as she tackles foes like the Black Talon and his Unliving X-Humed, and may end up wiped out of comic book continuity by the Living Eraser! But is She-Hulk's greatest nemesis Xemnu the Titan, or John Byrne himself?!

Star Trek  
Marvel  
It was the world's greatest comic magazine - again! Not since the days of Stan Lee and Jack Kirby had a creator so perfectly captured the

intense mood, cosmic style and classic sense of adventure of Marvel's First Family. Fresh off an earth-shattering and reputation-making run as penciler on UNCANNY X-MEN, John Byrne proved his writing talent was every bit the equal of his art as he pulled double-duty on FANTASTIC FOUR, launching Reed, Sue, Ben and Johnny into realms of imagination and wonder into which few

<p>creators before had dared to travel. From the four corners of the globe to the farthest reaches of space to the deepest depths of the Negative Zone, the FF face off against foes old and new - including the Dr. Doom, Galactus and Annihilus! **Sensational She-Hulk by John Byrne Omnibus** Primento  
Legendary writer and illustrator John Byrne transports us through this century-spanning tale to witness the

evil that brings the Batman and Superman together as a team. Now collected entirely in an omnibus Imagine a world where Superman and Batman aged normally from their respective debuts in 1938 and 1939 From their first meeting to their confrontations with the Joker, Lex Luthor, and Mr. Mxyzptlk, their personal relationship continually evolves from best friends to

bitter partners and finally respected peers. How would their legacies be passed on to future generations of heroes? With appearances by Wonder Woman, the Flash, Green Lantern, the JSA, the Spectre, Batgirl, Blackhawk, Deadman, Cyborg, and more, this collection has all the twists and turns the DC Universe has to offer Collects Superman & Batman: Generations An Imaginary

Tale #1-4, which follows Superman and Batman from the beginning with each story taking place 10 years after the previous one; Superman & Batman: Generations II #1-4, where the stories take leaps of 11 years, ending in the year 2019; and Superman & Batman: Generations III #1-12, which begins in the year 1925 and jumps to 100 years in the future in each story, while featuring characters from future

timelines and Jack Kirby's New Gods. *John Byrne* Marvel Spanning the 1950s to the 70s, the plays capture the rebellious mood of a post-war generation growing up to a backdrop of James Dean, Elvis, sharp-suited glamour, hope and despair. John Byrne takes the slab room he worked in and makes it pure theatre: the scams, the dreams, the aloof but gorgeous girl, the despair of life back

home, the obligatory tormenting of the office 'weed', and the mandatory boy chat and pranks all help the day to pass. Phil and Spanky explode onto the stage in a classic vaudeville double-act. Now considered one of Scotland's defining literary works of the twentieth century, the Slab Boys Trilogy premiered at the Traverse back in the late 1970s and early 80s

taking Scotland, then Britain, and then Broadway quickly by storm. Hulk Visionaries Marvel Masters One lone survivor of Krypton became the greatest hero in the universe—Superman. But before its destruction, the Man of Steel's birthplace was home to legions of heroes and heretics who molded their society into the technological

wonderland it would become. Take a look into the time before there was a Superman and walk with his ancestors to uncover the tales of their lost civilization! From some of the industry's greatest creators come	the life and times of Jor-El, father of Superman; the story of a forbidden love that would ignite a civil war and lead to the eventual destruction of the entire planet; and the Kryptonian legends that defined their	history. Collects WORLD OF KRYPTON VOL. 1 #1-3 and THE WORLD OF KRYPTON VOL. 2 #1-4, with stories from SUPERMAN #233, #236, #238, #240, #248, #257, #266, and SUPERMAN FAMILY # 182
