How to Make, Market and Sell Ebooks

- All for Free Jason Matthews

At Mount Olympus Academy, a little learning is a dangerous thing... Revenge. That's why I decided to join the assassination class at Mount Olympus Academy. A monster killed my father and grandmother - and I'm going to make them pay. But first I have to learn how. I'm Edie. Once I was just a normal girl with

asthma and a bad back. Now, though, I'm at a school taught by Greek gods. My classmates are vampires, witches, and shifters. We're all training to fight in the war between the gods and monsters. There's also...Val. He's a vampire, but he's different from the others. Plus, he's got secrets too. I get secrets. The wings that sprout from my back were hidden from me my entire life. I also sometimes breathe fire. But no one - including me - can figure out what I fully shift into. Honestly...a part of me doesn't want to know. But if I'm going to avenge my family, I need to

figure it out before I flunk out. Fire & Flood is a young adult magic academy fantasy novel with non-stop action. It contains a spunky heroine, one best friend with the gift of sight...to see tomorrow's lunch menu, a mean-girl vampire roommate with a carnivorous plant, and a meet-cute with her roommate's hot twin brother that almost kills them both. Percy Jackson meets Vampire Academy in this fun new series! Classes start now - one-click to enroll with Edie in the assassination class! [The Time of Their Lives](#) University of Chicago Press

In *Subculture to Clubcultures* Steve Redhead responds to the separation of "youth" and "pop" in the 1980s and the fragmentation of the audience for popular music in the 1990s, arguing for a redefinition of the conceptual apparatus needed to explain the most recent developments in popular music culture - from the rise of "Clubcultures" to the future of the popular music scene. Coverage includes: the dance pop culture of the 1980s and 1990s; global youth culture as it was dynamized in this period by Garage, House, Electro, Techno and other contemporary dance music forms; the consequences of this for the continued importance of various forms of rock and pop music and a range of theoretical approaches to the economic and cultural condition of the postmodern.

Artificial Intelligence Mia West
First Published in 2002. It is easy to see that we are living in a time of rapid and radical social change. It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it. Yet this is nowhere more apparent than in the central field of

what may, in general terms, be called literary studies. 'New Accents' is intended as a positive response to the initiative offered by such a situation. Each volume in the series will seek to encourage rather than resist the process of change. To stretch rather than reinforce the boundaries that currently define literature and its academic study.

Dark Path Routledge

Many of us read books every day, either electronically or in print. We remember the books that shaped our ideas about the world as children, go back to favorite books year after year, give or lend books to loved ones and friends to share the stories we've loved especially, and discuss important books with fellow readers in book clubs and online communities. But for all the ways books influence us, teach us, challenge us, and connect us, many of us remain in the dark as to where they come from and how the mysterious world of publishing truly works. How are books created and how do they get to readers? *The Book Business: What Everyone Needs to Know®* introduces those outside the industry to the world of book publishing. Covering everything from the beginnings

of modern book publishing early in the 20th century to the current concerns over the alleged death of print, digital reading, and the rise of Amazon, Mike Shatzkin and Robert Paris Riger provide a succinct and insightful survey of the industry in an easy-to-read question-and-answer format. The authors, veterans of "trade publishing," or the branch of the business that puts books in our hands through libraries or bookstores, answer questions from the basic to the cutting-edge, providing a guide for curious beginners and outsiders. How does book publishing actually work? What challenges is it facing today? How have social media changed the game of book marketing? What does the life cycle of a book look like in 2019? They focus on how practices are changing at a time of great flux in the industry, as digital creation and delivery are altering the commercial realities of the book business. This book will interest not only those with no experience in publishing looking to gain a foothold on the business, but also those working on the inside who crave a bird's eye view of publishing's evolving landscape. This is a moment of dizzyingly rapid change wrought by the

emergence of digital publishing, data collection, e-books, audio books, and the rise of self-publishing; these forces make the inherently interesting business of publishing books all the more fascinating.

Learning to Labor ABDO

Artificial Intelligence: A Modern Approach offers the most comprehensive, up-to-date introduction to the theory and practice of artificial intelligence. Number one in its field, this textbook is ideal for one or two-semester, undergraduate or graduate-level courses in Artificial Intelligence.

They Told Me I Was Everything Brown Street Books

Greg Mortenson, the bestselling author of *Three Cups of Tea*, is a man who has built a global reputation as a selfless humanitarian and children's crusader, and he's been nominated for the Nobel Peace Prize. But, as bestselling author Jon Krakauer demonstrates in this extensively researched and penetrating book, he is not all that he appears to be. Based on wide-ranging interviews with former employees, board members, and others who have intimate knowledge of Mortenson and his charity, the Central Asia Institute, *Three Cups of Deceit*

uncovers multiple layers of deception behind Mortenson's public image. Was his crusade really inspired by a desire to repay the kindness of villagers who nursed him back to health when he became lost on his descent down K2? Was he abducted and held for eight days by the Taliban? Has his charity built all of the schools that he has claimed? This book is a passionately argued plea for the truth, and a tragic tale of good intentions gone very wrong. 100% of Jon Krakauer's proceeds from the sale of *Three Cups of Deceit* will be donated to the "Stop Girl Trafficking" project at the American Himalayan Foundation

(www.himalayan-foundation.org/live/project/stopgirltrafficking).

Kissing Magic John Wiley & Sons

The authors of the Eleventh Edition of *Civilization Past and Present* specialists in Islamic, African, Asian, Ancient, Russian, and East European history weave the diverse trends of world history into a clear and accessible analysis for today's students. *Civilization Past and Present*, well known in the marketplace as a highly readable survey text, delivers a strong narrative of world history and a level of

detail that is manageable for students and solid for instructors. Using images and documents that enhance the text's content, the narrative traces connections across cultures and introduces intriguing avenues of historical interpretation. The text examines all aspects of world history social, political, economic, religious, cultural, and geographic.

Merchants of Culture Independently Published

A princess longing to be free. A bastard aching to belong. Fate brought them together, now destiny will tear them apart... Don't miss this prequel novella to *The Raven and the Dove*, an avian-inspired fantasy retelling of *Tristan and Isolde* perfect for fans of Sarah J. Maas, Sabaa Tahir, and Leigh Bardugo! Taking place the day before book one of the series begins, *The Princess and the Pawn* follows two of the four main characters—Lyana, the dove princess, and Rafe, the bastard born raven—as they prepare for the upcoming courtship trials, in which the royal heirs of all the avian houses compete for mates.

"An irresistible book about Grub Street, authorship and the literary marketplace."—Washington Post Book World Jason Epstein has led arguably the most creative career in book publishing during the past half-century. He founded Anchor Books and launched the quality paperback revolution, cofounded the New York Review of Books, and created the Library of America, the prestigious publisher of American classics, and The Reader's Catalog, the precursor of online bookselling. In this short book he discusses the severe crisis facing the book business today—a crisis that affects writers and readers as well as publishers—and looks ahead to the radically transformed industry that will revolutionize the idea of the book as profoundly as the introduction of movable type did five centuries ago.

The Shatzkin Files Clever Capybara Press Each year writers and editors submit over three thousand grammar and style questions to the Q&A page at The Chicago Manual of Style Online. Some are arcane, some simply hilarious—and one editor, Carol Fisher Saller, reads every single one

of them. All too often she notes a classic author-editor standoff, wherein both parties refuse to compromise on the "rights" and "wrongs" of prose styling: "This author is giving me a fit." "I wish that I could just DEMAND the use of the serial comma at all times." "My author wants his preface to come at the end of the book. This just seems ridiculous to me. I mean, it's not a post-face." In *The Subversive Copy Editor*, Saller casts aside this adversarial view and suggests new strategies for keeping the peace. Emphasizing habits of carefulness, transparency, and flexibility, she shows copy editors how to build an environment of trust and cooperation. One chapter takes on the difficult author; another speaks to writers themselves. Throughout, the focus is on serving the reader, even if it means breaking "rules" along the way. Saller's own foibles and misadventures provide ample material: "I mess up all the time," she confesses. "It's how I know things." Writers, Saller acknowledges, are only half the challenge, as copy editors can also make trouble for themselves. (Does any other book have an index entry that says "terrorists. See copy editors"?)

The book includes helpful sections on e-mail etiquette, work-flow management, prioritizing, and organizing computer files. One chapter even addresses the special concerns of freelance editors. Saller's emphasis on negotiation and flexibility will surprise many copy editors who have absorbed, along with the dos and don'ts of their stylebooks, an attitude that their way is the right way. In encouraging copy editors to banish their ignorance and disorganization, insecurities and compulsions, the Chicago Q&A presents itself as a kind of alter ego to the comparatively staid *Manual of Style*. In *The Subversive Copy Editor*, Saller continues her mission with audacity and good humor.

Ravenite Mike Shatzkin

A lively portrait of mid-twentieth-century American book publishing—"A wonderful book, filled with anecdotal treasures" (The New York Times). According to Al Silverman, former publisher of Viking Press and president of the Book-of-the-Month Club, the golden age of book publishing began after World War II and lasted into the early 1980s. In this entertaining and affectionate industry biography, Silverman

captures the passionate spirit of legendary houses such as Knopf; Farrar, Straus and Giroux; Grove Press; and Harper & Row, and profiles larger-than-life executives and editors, including Alfred and Blanche Knopf, Bennett Cerf, Roger Straus, Seymour Lawrence, and Cass Canfield. More than one hundred and twenty publishing insiders share their behind-the-scenes stories about how some of the most famous books in American literary history—from *The Rise and Fall of the Third Reich* to *The Silence of the Lambs*—came into being and why they're still being read today. A joyful tribute to the hard work and boundless energy of professionals who dedicate their careers to getting great books in front of enthusiastic readers, *The Time of Their Lives* will delight bibliophiles and anyone interested in this important and ever-evolving industry.

Contemporary Latin American Short Stories *The Hard Word*

FREE How far will a person go to gain freedom? When Samuel Bellamy, an enigmatic Englishman on the run from the Crown, seeks refuge in Eastham, Massachusetts, the life of Maria Hallett

begins to tragically unravel. Stepping outside the boundaries of her pious and unforgiving Puritan community, she faces censure and judgement from her family and church. Eventually Maria is pushed to the limits of her sanity when a trusted, childhood friend betrays her in the most heinous and violent of ways. Based on the true story of pirate “Black Sam” Bellamy, *The Hummingbird and the Sea* is a powerful tale of love, faith, hidden passions and the eternal search for freedom. Perfect for fans of *Outlander* and *Hour of the Witch*.

Wild On You John Wiley & Sons

Seventeen-year-old Kevin Jason starts his first day at his new school by unintentionally punching the local bully through the cafeteria wall. When Kevin's father, a legendary superhero, learns of this, he insists on training Kevin to master his new powers, though Kevin finds his father's training methods a lot less exciting than he thought they were going to be. But Kevin's training takes on new

urgency when the local bully's father—Master Chaos, one of the world's most dangerous supervillains—breaks out of prison and declares Kevin his new archenemy for harming his son. Now Kevin must complete his training as a superhero before Master Chaos arrives. If Kevin doesn't complete his training in time, then all of the power in the world won't be able to keep him and his family safe from the madman who wants him dead.

A deadly virus. A brilliant, young

researcher. And an infected survivor who threatens to steal her heart. In a society ruled by sanctions and curfews, Dr. Meghan Forester emerges as the youngest and most promising scientist to join the fight against Makanza—the deadly virus that's ravaged the world. Inside Compound 26, a giant government-controlled research facility, Meghan's new job involves studying the Kazzies, the rare survivors who carry the virus and now exhibit supernatural powers. But as her work unfolds, Meghan's horrified at the brutal and unethical practices the Kazzies are subjected to. And most surprisingly, she falls in love with one. Faced with growing conflict over helping the Kazzies versus following the Compound's strict policies, Meghan must choose: obey the government's unethical practices or risk everything to save the only man she's ever loved. Jack Sparrow has now gotten everything that he needs in order to use the all-powerful Sword of Cortâes, but he must still figure out how to master the Sword, get rid of the ghost of its former owner, and save his stranded crew. *The Sword of Cortes* Hodgkin and Blount
Meet the Justiss Alliance: Risk, Rath, Saxby, Knox, and Julian. Led by a mysterious employer with plenty to hide, these fallen stars of the D.O.D. are about to take advantage of their ruined reputations and start turning wrongs to rights—no matter the cost. Wild Hearts:

Five impeccably trained soldiers—used to danger, unafraid of death—are sent into a black ops assignment where no one knows the full story of deceit and deception. The situation gets ugly. The press gets wind. Someone has to take the fall. And when these five SEALs fall, they fall hard. Wild On You: One untamable SEAL meets a woman who handles the wildest sort of animals—until she herself becomes the hunted. When Rick Yarbrough, aka Risk, a discharged SEAL with a taste for danger, joins the Justiss Alliance, his first assignment seems like a baby-sitting gig: He must guard an out-of-control general's daughter. Then he meets his charge. Addie Wunder is no baby. She's a dedicated animal-rights activist who isn't above breaking the law if innocent creatures are threatened. But her work has made her a lot of powerful enemies. If she doesn't stop, she may just turn herself into an endangered species. Risk's mission is to keep Addie out of trouble. But as they grow closer, Addie becomes so much more than a job. And the more he has to lose, the more Risk is willing to put his own life on the line—for her cause, her safety, and her sweet-hot embrace. "Tina Wainscott

delivers high-octane suspense and red-hot romance! Full of edge-of-your-seat action and red-hot passion, Wild on You is a souped-up roller coaster of a page-turner.”—Julie Ann Walker, New York Times and USA Today bestselling author of the Black Knights Inc. series “Bad boys breaking rules and hearts and dishing up justice—Tina Wainscott nails it!”—New York Times bestselling author Cindy Gerard

Adonais Blake Pierce

Billy O'Connell may have been just a boy when Den Shaw crossed him and his family, but the bad news for Den was; little boys eventually grow into men. Billy has bided his time, ten whole years of hurt, and now justice, as far as he is concerned, has finally been done. Jay Shaw only looks out for himself, His old man had taught him that much at least. Billy may hate him with a vengeance but the feeling is most definitely mutual. Jay is as nasty and conniving as his father before him: They say the apple doesn't fall far from the tree, and this one is Rotten to the Core. Kate O'Connell is a decent girl considering the rough area that she has grown up in, and the fact that her brother Billy is so fiercely

protective of her. How she has managed to keep her secret from him for so long she has no idea. Caught up in the vicious feud she finds herself having to make a choice, between the man she loves and her fiercely protective brother. It's a decision that could cost Kate her life. *Fire & Flood* Written Musings
USA TODAY BESTSELLING AUTHOR Alicia Rades creates an action-packed paranormal urban fantasy adventure where vampires roam free and shifters fight for justice. Bronze Medal Winner in the Readers' Favorite International Book Awards! Never mess with a witch who bites back. I'm Rachel Collins, low witch and raven shifter in hiding. I spend my days tending the cash register at a local magic shop and my nights patrolling the streets for vampires with a death wish. Until the night I spot the mark of the Soulless on some lowly vampire's wrist. The Soulless answer to Valkas, the original vampire and the most ruthless of them all. They're the same bloodsuckers who murdered my parents and kidnapped my sister. I want answers—and maybe a little revenge. Along comes Venn, a handsome, protective wolf shifter who takes my

breath away. We're both after the same guy, and as much as it kills me to ask for help, I kind of need it. Heaven help me. The dark, dangerous road we're traveling together will either free my sister or get me killed. ** Hunt vampires, team up with witches, and fall in love with shifters in this dark, fast-paced supernatural series. A serial killer is targeting victims in obscure historic settings—the Cloisters in New York City, the Glencairn in Philadelphia. What is the connection? Is there a message to the murders? *THE DEATH CODE* (A Remi Laurent FBI Suspense Thriller—Book 1) is the debut novel in a new series by mystery and suspense author Ava Strong. Chosen by Barnes & Noble as one of the Top 20 Favorite Indie eBooks of 2021! “Wow, it

starts slow, letting all the characters to build, but then halfway through it and u just can’t keep it down, amazing, u get as obsessed with cryptex, as Remi or the killer. Amazingly written.” –Fatima 88, B&N Reviewer FBI Special Agent Daniel Walker, 40, known for his ability to hunt killers, his street-smarts, and his disobedience, is singled out from the Behavioral Analysis Unit and assigned to the FBI’s new Antiquities unit. The unit, formed to hunt down priceless relics in the global world of antiquities, has no idea how to enter the mind of a murderer. Remi Laurent, 34, brilliant history professor at Georgetown, is the world’s leading expert in obscure historic artifacts. Shocked when the FBI asks for her help to find a killer, she finds herself reluctantly partnered

with this rude American FBI agent. Special Agent Walker and Remi Laurent are an unlikely duo, with his ability to enter killers’ minds and her unparalleled scholarship, the only thing they have in common, their determination to decode the clues and stop a killer. An unputdownable crime thriller featuring an unlikely partnership between a jaded FBI agent and a brilliant historian, the REMI LAURENT series is a riveting mystery, grounded in history, and packed with suspense and revelations that will leave you continuously in shock, and flipping pages late into the night. Books #2-#6 in the series—*THE MURDER CODE*, *THE MALICE CODE*, *THE VENGEANCE CODE*, *THE DECEPTION CODE*, and *THE SEDUCTION CODE*—are also available.
