#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a

love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

Sibling Revelry Simon and Schuster

A wonderfully candid memoir from one of the most recognizable faces of a generation, actor, writer, Youtuber, and television superstar, Josh Peck. In his warm and inspiring book, Josh reflects on the many stumbles and silver linings of his life and traces a zigzagging path to redemption. Written with such impressive detail and aching honesty, *Happy People are Annoying* is full of surprising life lessons for anyone seeking to accept their past and make peace with the complicated face in the mirror. Josh Peck rose to near-instant fame when he starred for four seasons as the comedic center of Nickelodeon's hit show *Drake & Josh*. However, while he tried to maintain his role as the funniest, happiest kid in every room, Josh struggled alone with the kind of rising anger and plummeting confidence that quietly took over his life. For the first time, Josh reflects on his late teens and early twenties. Raised by a single mother, and coming of age under a spotlight that could be both invigorating and cruel, Josh filled the cratering hole in his self-worth with copious amounts of food, television, drugs, and all of the other trappings of young stardom. Until he realized the only person standing in his way...was himself. Today, with a string of lead roles on hit television shows and movies, and one of the most enviable and dedicated fanbases on the internet, Josh Peck is more than happy, he's finally, enthusiastically content. *Happy People are Annoying* is the culmination of years of learning, growing, and finding bright spots in the scary parts of life. Written with the kind of humor, strength of character, and unwavering self-awareness only someone who has mastered their ego can muster, this memoir reminds us of the life-changing freedom on

the other side of acceptance.

A comprehensive biography of the late designer, Karl Lagerfeld, and his infamous rivalry with Yves Saint Laurent. In the 1970s, Paris fashion exploded like a champagne bottle left out in the sun. Amid sequins and longing, celebrities and aspirants flocked to the heart of chic, and Paris became a hothouse of revelry, intrigue, and searing ambition. At the center of it all were fashion's most beloved luminaries - Yves Saint Laurent, the reclusive enfant terrible, and Karl Lagerfeld, the flamboyant freelancer with a talent for reinvention - and they divided Paris into two fabulous halves. Their enduring rivalry is chronicled in this dazzling exposé of an era: of social ambitions, shared obsessions, and the mesmerizing quest for beauty. "Deliciously dramatic... The Beautiful Fall crackles with excitement."-New York Times Book Review "Fascinating." -New York Times "Addictive." -Philadelphia Inquirer "It's like US Weekly, 1970s style." -Gotham "A story constructed as exquisitely as a couture dress. . . . It moves stylishly forward, with frequent over-the-shoulder glances at some very dishy background." -Boston Globe

For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like *The ABC Movie of the Week* and *NBC Sunday Night at the Movies*. But with changing economic times and the race for ratings, the networks gradually dropped made-for-TV movies while basic cable embraced the format, especially the Hallmark Channel (with its numerous Christmas-themed movies) and the Syfy Channel (with its array of shark attack movies and other things that go bump in the night). From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and

character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform, Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of "Announced but Never Produced" TV movies and a performer's index.
