Collier Macmillan

"This guide will introduce you to Judaism in easy-to-understand terms and language. Whether you are married to or dating a Jewish man or woman, or are the parent, sibling, or friend of someone in an interfaith relationship, you will find this book to be a thorough and accessible entry to the Jewish faith and the cultural and social

institutions of the Jewish world in America. Rabbi Kerry M. Olitzky speaks directly to you, a person who stands on the periphery of Jewish culture and is only now beginning to move into the circle of Jewish faith and life."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. **Jewish Pastoral Care, 2nd Edition** London ; New York : Soncino P  
 The Cambridge Guide to Jewish History, Religion, and Culture is a comprehensive and engaging overview of Jewish life, from its origins in the ancient Near East to its impact on contemporary popular culture. The twenty-one essays, arranged historically and thematically, and written specially for this volume by leading scholars, examine the development of Judaism and the evolution of Jewish history and culture over many centuries and in a range of locales. They emphasize the ongoing diversity and creativity of the Jewish experience. Unlike previous anthologies, which concentrate on elite groups and expressions of a male-oriented rabbinic

culture, this volume also includes the range of experiences of ordinary people and looks at the lives and achievements of women in every place and era. The many illustrations, maps, timeline, and glossary of important terms enhance this book's accessibility to students and general readers.

IN THE LATE 1950's, Rabbi Zalman Schachter-Shalomi, better known as 'Reb Zalman, ' penned what was perhaps the first book on Jewish meditation and contemplative Judaism in English. It was called, *The First Step: A Primer of a Jew's Spiritual Life*, and was printed in a simple stapled booklet edition which he mailed out to friends and students. But it was not long before this humble booklet had reached readers as diverse as President Zalman Shazar of Israel and the famous author of *The Seven Storey Mountain*, Father Thomas Merton. In 1965, it was included as a chapter in the widely influential *Jewish Catalog*, and read by thousands of young Jews in the late 60s and early 70s looking for an authentically Jewish

approach to meditation. Then, for many years, the booklet fell out of use until it was completely revised and updated in 1993, in a new booklet called, *Gate to the Heart: An Evolving Process*, which was again privately printed and distributed within the Jewish Renewal movement. In this expanded version, the booklet inspired a whole new generation of Jewish contemplatives looking for a manual of Jewish practice. Now, after being revised and supplemented once again, Reb Zalman's first and most personal book, the culmination of over 60 years of spiritual guidance work, is finally being published and made available to the general public. "For me, *Gate to the Heart* is the one essential book by Reb Zalman. Although there are others that go into more depth, and are more expansive on certain topics, none convey his authentic voice and brilliant creativity more than this one. It is the book that I want to carry with me at all times, a true vade mecum that one can consult again and again to renew one's spiritual practice." --- Netanel Miles-Yepetz, co-author of *A Heart Afire*:

*Stories and Teachings of the Early Hasidic Masters*" *The Main Institutions of Jewish Law* Reconstructionist Press Filled with practical advice as well as history, Blu Greenberg's book is a comprehensive guide to the joys and complexities of running a modern Jewish home. *How to Run a Traditional Jewish Household* is a modern, comprehensive guide covering virtually every aspect of Jewish home life. It provides practical advice on how to manage a Jewish home in the traditional way and offers fascinating accounts of the history behind the tradition. In a warm, personal style, Blu Greenberg shows that, contrary to popular belief, the home, and not the synagogue, is the most important institution in Jewish life. Divided into three large sections—"The Jewish Way," "Special Stages of Life," and "Celebration and Remembering"—this book educates the uninitiated and reminds the already observant Jew of how Judaism approaches daily life. Topics include prayer, dress, holidays, food preparation, marriage, birth, death, parenthood, and many others. This description of the modern-

yet-traditional Jewish household will earn special regard among the many American Jews who are re-exploring their ties to Jewish tradition. Such Jews will find this book a flexible guide that provides a knowledge of the requirements of traditional Judaism without advocating immediate and complete compliance. *How to Run a Traditional Jewish Household* will also appeal to observant Jews, providing them with helpful tips on how to manage their homes and special insights into the most minute details and procedures in a traditional household. Herself a traditional Jew, Blu Greenberg is nevertheless quite sympathetic to feminist views on the role of women in Jewish observance. *How to Run a Traditional Jewish Household* therefore speaks intimately to women who are struggling to reconcile their identities as modern women with their commitments to traditional Judaism. **Blessed Are You** Jewish Lights Publishing Inspiring, practical information and advice to enrich a Jewish spiritual life with traditional rituals and practices. Each

chapter explores a different ritual or practice in depth and explains the why, what, and how to do it. Contents: Tefillin; Tallit and Tallit Katan; Kashrut; Shabbat; Daily Prayer; Talmud Torah; Blessings throughout the Day; Covering the Head; Upon Rising and Going to Bed; Mikvah.

**The Routledge Handbook of Judaism in the 21st Century**

Jewish Lights Publishing  
The Routledge Handbook of Judaism in the 21st Century is a cutting-edge volume that addresses central questions and issues animating Judaism, Jewish identity, and Jewish society in a global, integrated, and forward-looking way. It introduces readers to the complexity of Judaism as it has developed and continues to develop throughout the 21st century through the prism of three contemporary sets of issues: identities and geographies; structures and power; and knowledge and performances. Within these sections, international contributors examine central issues, topics, and debates, including: individual and collective identity; globalization and localization; Jewish

demography; diversity, denominations, and pluralism; interreligious relations; political orientations; community organization; family and gender; the Bible and Talmud today; Jewish philosophy and authority in Jewish thought; digital Judaism; antisemitism; Jewish spirituality and rituals; memory; language; religious education; material culture, literature, music, and art; approaches to the environment; and contemporary Zionism and Israel. The handbook also includes an extensive bibliography to help orient readers to the most important and leading work in the field. The Routledge Handbook of Judaism in the 21st Century is essential reading for students and researchers in religious studies and Jewish studies. It will also be useful for those in related fields, such as cultural studies, literature, sociology, anthropology, and history, as well as Jewish professionals and lay leaders.

*A Guide to Jewish Practice for Nurses and Medical Staff* Oxford University Press

This comprehensive guide presents theory from the field of secular adult

education in light of the questions and concerns of all aspects of adult Jewish education including learning theory curriculum programming planning budgeting and educational philosophy.

**The Oxford Handbook of Judaism and Economics**

Jonathan David Pub

For as long as historians have contemplated the Jewish past, they have engaged with the idea of diaspora. Dedicated to the study of transnational peoples and the linkages these people forged among themselves over the course of their wanderings and in the multiple places to which they went, the term "diaspora" reflects the increasing interest in migrations, trauma, globalism, and community formations. The Oxford Handbook of the Jewish Diaspora acts as a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies. Persecuted and exiled throughout their history, the Jewish people have also left familiar places to find better opportunities in new ones. But their history has consistently been defined by their permanent lack of belonging. This Oxford

Handbook explores the complicated nature of diasporic Jewish life as something both destructive and generative. Contributors explore subjects as diverse as biblical and medieval representations of diaspora, the various diaspora communities that emerged across the globe, the contradictory relationship the diaspora bears to Israel, and how the diaspora is celebrated and debated within modern Jewish thought. What these essays share is a commitment to untangling the legacy of the diaspora on Jewish life and culture. This volume portrays the Jewish diaspora not as a simple, unified front, but as a population characterized by conflicting impulses and ideas. The Oxford Handbook of the Jewish Diaspora captures the complexity of the Jewish diaspora by acknowledging the tensions inherent in a group of people defined by trauma and exile as well as by voluntary migrations to places with greater opportunity. *Institutional practice in Jewish hospitals of New York City* Turner Publishing Company This collection of newly-commissioned essays

covers the major areas of thought in contemporary Jewish studies, including considerations of religious differences, sociological, philosophical and gender issues, geographical diversity and inter-faith relations.

*A Guide to Jewish Prayer* Jewish Lights Publishing Noted educator and community revitalization pioneer Dr. Ron Wolfson presents practical strategies and case studies to guide Jewish leaders in turning institutions into engaging communities that connect members to Judaism in meaningful and lasting ways.

*Encyclopedia of Prisons and Correctional Facilities* Behrman House Publishing

Ritual and practice are some of the most defining features of religion, linked with its central beliefs. Discussing the wide range of Jewish ritual and practice, this volume provides a contemporary guide to this significant aspect of religious life and experience. Drawing on a wide range of disciplines, this volume describes not only what takes place, but the reasons behind this and the implications both the theory and practice have for our understanding of Judaism.

Organized in terms of texts, periods, practices, languages and relationships with the other, the book includes accounts of prayer, food, history, synagogues and the various legal and ideological debates that exist within Judaism with the focus on how they influence practice. Coming at a time of renewed interest in the role of the body in religion, this book aims to bring the theoretical and scriptural issues which arise in this area of Jewish life and culture up to date. This volume is aimed at students and researchers working in Jewish studies specifically, and religious studies in general. Designed to be helpful to those on courses in relevant areas, especially in the United States, this book includes substantial bibliographical material. *Jewish Pastoral Care 2/E* Turner Publishing Company The first comprehensive resource for pastoral care in the Jewish tradition--and a vital resource for counselors and caregivers of other faith traditions. The essential reference for rabbis, cantors and laypeople who are called to spiritually accompany those encountering joy, sorrow and change--now

in paperback. This groundbreaking volume draws upon both Jewish tradition and the classical foundations of pastoral care to provide invaluable guidance. Offering insight on pastoral care technique, theory and theological implications, the contributors to Jewish Pastoral Care are innovators in their fields, and represent all four contemporary Jewish movements. This comprehensive resource provides you with the latest theological perspectives and tools, along with basic theory and skills for assisting the ill and those who care for them, the aging and dying, those with dementia and other mental disorders, engaged couples, and others, and for responding to issues such as domestic violence, substance abuse and disasters. [The Essential Guide to Jewish Prayer and Practices](#) Simon and Schuster

Rabbi Joseph Telushkin combed the Bible, the Talmud, and the whole spectrum of Judaism's sacred writings to give us a manual on how to lead a decent, kind, and honest life in a morally complicated world. "An absolutely superb book: the most practical, most comprehensive guide to Jewish values I know." —Rabbi Harold Kushner, author of *When Bad Things Happen to Good People* Telushkin speaks to the major ethical issues of our time, issues that have, of course, been around since the beginning. He offers one or two pages a day of pithy, wise, and easily

accessible teachings designed to be put into immediate practice. The range of the book is as broad as life itself: • The first trait to seek in a spouse (Day 17) • When, if ever, lying is permitted (Days 71-73) • Why acting cheerfully is a requirement, not a choice (Day 39) • What children don't owe their parents (Day 128) • Whether Jews should donate their organs (Day 290) • An effective but expensive technique for curbing your anger (Day 156) • How to raise truthful children (Day 298) • What purchases are always forbidden (Day 3) In addition, Telushkin raises issues with ethical implications that may surprise you, such as the need to tip those whom you don't see (Day 109), the right thing to do when you hear an ambulance siren (Day 1), and why wasting time is a sin (Day 15). Whether he is telling

us what Jewish tradition has to say about insider trading or about the relationship between employers and employees, he provides fresh inspiration and clear guidance for every day of our lives.

*The Routledge Handbook of Jews and Judaism in Late Antiquity* Jewish Lights Publishing  
From one of the world's most famous and respected rabbis—"a practical explanation of Jewish worship from a spiritual slant" (Detroit Free Press). For both the

novice and for those who have been engaged in prayer for years, here is the one guide needed to practice Jewish prayer and understand the prayer book. From the origins and meaning of worship to a step-by-step explanation of the daily prayers to the reason you're not supposed to chat with your friends during services, Rabbi Adin Steinsaltz answers many of the questions likely to arise about Jewish prayer. Here are chapters on daily prayer; Sabbath prayer; prayer services for the holidays; the yearly cycle of synagogue Bible readings; the history and makeup of the synagogue; the different prayer rites for Ashkenazim, Sephardim, Yemenites, and other cultural/geographic groupings; the role of the rabbi and the cantor in the synagogue; and the role of music in the service.
