How Reading Changed My Life Penguin

Adrift in New York, an alcoholic cop searches for meaning in his life by revisiting his past. The department has taken away Dermot Davey's gun. After countless incidents of excessive force and on-the-job drunkenness, and one harrowing moment where he nearly killed a civilian, the New York Police Department has dumped him on the "Bow and Arrow Squad"—the home for alcoholic cops unfit to carry firearms. Without his pistol, Dermot feels like he's hardly a cop. As his marriage tanks, Dermot drinks, and considers ending it all. But everything changes when he learns about his dad. Dermot's father disappeared when he was a child, leaving Dermot's mother to raise him alone. Now Dermot hears word that his old man has surfaced in Ulster, the heart of the increasingly bloody Irish Troubles. Hoping to find redemption, he travels to Ireland to meet his father. What he finds is a war-torn, deadly place—a brutish, ugly city that is nevertheless no uglier than the darkness inside his own soul. This ebook features an illustrated biography of Jimmy Breslin including rare photos and never-before-seen documents from the author's personal collection.

World Without End Tom Doherty Assoc Llc

While the Imperium holds sway over Pangaea, sex remains a shameful remnant of the past, but when Pangaea's most beloved dreamer is brutally assassinated, a dangerous group of revolutionaries fights for the return of violence, sex, and freedom. Original.

Night Without End Unbound Publishing

"A bittersweet modern love story [that] reads as easily as a novel." —Vogue "Fascinating. . . . A detailed, grittier portrait of the woman Hemingway loved and left." —Newsday Hadley Richardson and Ernest Hemingway were the golden couple of Paris in the twenties, the center of an expatriate community boasting the likes of Scott and Zelda Fitzgerald, Gertrude Stein and Alice B. Toklas, and James and Nora Joyce. In this haunting account of the young Hemingways, Gioia Diliberto explores their passionate courtship, their family life in Paris with baby Bumby, and their thrilling, adventurous relationship—a literary love story scarred by Hadley's loss of the only copy of Hemingway's first novel and ultimately destroyed by a devastating ménage à trois on the French Riviera. Compelling, illuminating, poignant, and deeply insightful, *Paris Without End* provides a rare, intimate glimpse of the writer who so fully captured the American imagination and the remarkable woman who inspired his passion and his art—the only woman Hemingway never stopped loving.

Days Without End Penguin

The beloved, #1 global bestseller by John Green, author of *The Anthropocene Reviewed* and *Turtles All the Way Down* "John Green is one of the best writers alive." —E. Lockhart, #1 bestselling author of *We Were Liars* "The greatest romance story of this decade." —Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous

plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

Paris Without End Penguin

An "affecting" portrait of a working-class community in contemporary rural Ireland that is "reminiscent of William Faulker's *As I Lay Dying*" (*The New York Times Book Review*) In the aftermath of Ireland's financial collapse, dangerous tensions surface in an Irish town. As violence flares, the characters face a battle between public persona and inner desires. Through a chorus of unique voices, each struggling to tell their own kind of truth, a single authentic tale unfolds. *The Spinning Heart* speaks for contemporary Ireland like no other novel. Wry, vulnerable, all-too human, it captures the language and spirit of rural Ireland and with uncanny perception articulates the words and thoughts of a generation. Technically daring and evocative of Patrick McCabe and J.M. Synge, this novel of small-town life is witty, dark and sweetly poignant. Donal Ryan's brilliantly realized debut announces a stunning new voice in fiction.

Star of the Sea Spectra

One Day Bloomsbury Publishing USA

Longlisted for the Man Booker Prize, a mesmerizing new novel from the award-winning author of *The Secret Scripture*. Sebastian Barry's latest novel, *Days Without End*, is now available. A first-person narrative of Lilly Bere's life, *On Canaan's Side* opens as the eighty-five-year-old Irish émigré mourns the loss of her grandson, Bill. Lilly, the daughter of a Dublin policeman, revisits her eventful past, going back to the moment she was forced to flee Ireland at the end of the First World War. She continues her tale in America, where—far from her family—she first tastes the sweetness of love and the bitterness of betrayal. Spanning nearly seven decades, Sebastian Barry's extraordinary fifth novel explores memory, war, family ties, love, and loss, distilling the complexity and beauty of life into his haunting prose.

World Without End Penguin

NEW NOVEL A THOUSAND MOONS NOW AVAILABLE Winner of the 2016 Costa Book of the Year Winner of the Walter Scott Prize for Historical Fiction 2017 Winner of the Independent Bookshop Week Book Award 2017 Longlisted for the Man Booker Prize 2017 'Pitch perfect, the outstanding novel of the Year.' Observer After signing up for the US army in the 1850s, aged barely seventeen, Thomas McNulty and his brother-in-arms, John Cole, fight in the Indian Wars and the Civil War. Having both fled terrible hardships, their days are now vivid and filled with wonder, despite the horrors they both see and are complicit in. Then when a young Indian girl crosses their path, the

possibility of lasting happiness seems within reach, if only they can survive.

Days Without End * Signed * Days Without End

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

World Without End Vintage Canada

The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

The Dialects of British English in Fictional Texts Penguin

#1 New York Times Bestseller In 1989, Ken Follett astonished the literary world with *The Pillars of the Earth*, a sweeping epic novel set in twelfth-century England centered on the building of a cathedral and many of the hundreds of lives it affected. *World Without End* is its equally irresistible sequel—set two hundred years after *The Pillars of the Earth* and three hundred years after the Kingsbridge prequel, *The Evening and the Morning*. *World Without End* takes place in the same town of Kingsbridge, two centuries after the townspeople finished building the exquisite Gothic cathedral that was at the heart of *The Pillars of the Earth*. The cathedral and the priory are again at the center of a web of love and hate, greed and pride, ambition and revenge, but this sequel stands on its own. This time the men and women of an extraordinary cast of characters find themselves at a crossroads of new ideas—about medicine, commerce, architecture, and justice. In a world where proponents of the old ways fiercely battle those with progressive minds, the intrigue and tension quickly reach a

boiling point against the devastating backdrop of the greatest natural disaster ever to strike the human race—the Black Death. Three years in the writing and nearly eighteen years since its predecessor, *World Without End* is a "well-researched, beautifully detailed portrait of the late Middle Ages" (*The Washington Post*) that once again shows that Ken Follett is a masterful author writing at the top of his craft.

The Confusion of Languages Indiana University Press

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

You Know When the Men Are Gone Ballantine Books

Annie Dunne and her cousin Sarah live and work on a small farm in a remote and beautiful part of Wicklow in late 1950s Ireland. All about them the old green roads are being tarred, cars are being purchased, a way of life is about to disappear. Like two old rooks, they hold to their hill in Kelsha, cherishing everything. When Annie's nephew and his wife are set to go to London to find work, their two small children, a little boy and his older sister, are brought down to spend the summer with their great-aunt. It is a strange chance for happiness for Annie. But against that happiness moves the figure of Billy Kerr, with his ambiguous attentions to Sarah, threatening to drive Annie from her last niche of safety in the world. The world of childish innocence also proves darkened and puzzling to her, and she struggles to find clear ground, clear light - to preserve her sense of love and place against these subtle forces of disquiet. A summer of adventure, pain, delight and ultimately epiphany unfolds for both the children and their elderly caretakers in this poignant and exquisitely told story of innocence, loss and reconciliation.

Worlds Without End: The Mission HarperCollins UK

For more than 50 years, Alan Garner has enraptured generations of readers with works like *The Weirdstone of Brisingamen*, *The Owl Service*, *Red Shift*, and *The Stone Book Quartet*. Described by Philip Pullman as 'the most important British writer of fantasy since Tolkien', Alan Garner has inspired readers and writers alike. Now, in celebration of his 80th birthday, comes *First Light*. A collaboration by many of the acclaimed writers, artists, archaeologists and historians he has influenced over the years, this anthology includes original contributions from David Almond, Margaret Atwood, John Burnside, Susan Cooper, Helen Dunmore, Stephen Fry, Neil Gaiman, Elizabeth Garner, Paul Kingsnorth, Katherine Langrish, Helen Macdonald, Robert Macfarlane, Gregory Maguire, Neel Mukherjee, Philip Pullman, Ali Smith, Elizabeth Wein, Michael Wood, and many, many more. Whether a literary essay, a personal response to Alan's work, a memory of the first time they

read his work, or a story about the man himself, each piece is a tribute to his remarkable impact. Edited by the acclaimed literary journalist and novelist, Erica Wagner, *First Light* is a striking collection that will touch the heart of anyone who grew up reading the works of Alan Garner.

[Imperium Without End](#) Harper Collins

Praised as a “master storyteller” (The Wall Street Journal) and hailed for his “flawless use of language” (Boston Herald), Irish author and playwright Sebastian Barry has created a powerful new novel about divided loyalties and the realities of war. Sebastian Barry's latest novel, *Days Without End*, is now available. In 1914, Willie Dunne, barely eighteen years old, leaves behind Dublin, his family, and the girl he plans to marry in order to enlist in the Allied forces and face the Germans on the Western Front. Once there, he encounters a horror of violence and gore he could not have imagined and sustains his spirit with only the words on the pages from home and the camaraderie of the mud-covered Irish boys who fight and die by his side. Dimly aware of the political tensions that have grown in Ireland in his absence, Willie returns on leave to find a world split and ravaged by forces closer to home. Despite the comfort he finds with his family, he knows he must rejoin his regiment and fight until the end. With grace and power, Sebastian Barry vividly renders Willie's personal struggle as well as the overwhelming consequences of war.

[A Thousand Moons](#) Vintage

COSTA BOOK OF THE YEAR AWARD WINNER LONGLISTED FOR THE 2017 MAN BOOKER PRIZE "A true leftfield wonder: *Days Without End* is a violent, superbly lyrical western offering a sweeping vision of America in the making."—Kazuo Ishiguro, Booker Prize-winning author From the two-time Booker Prize finalist Sebastian Barry, “a master storyteller” (Wall Street Journal) and author of the companion novel *A Thousand Moons*, a powerful chronicle of duty and family set against the American Indian and Civil Wars Thomas McNulty, aged barely seventeen and having fled the Great Famine in Ireland, signs up for the U.S. Army in the 1850s. With his brother in arms, John Cole, Thomas goes on to fight in the Indian Wars—against the Sioux and the Yurok—and, ultimately, the Civil War. Orphans of terrible hardships themselves, the men find these days to be vivid and alive, despite the horrors they see and are complicit in. Moving from the plains of Wyoming to Tennessee, Sebastian Barry's latest work is a masterpiece of atmosphere and language. An intensely poignant story of two men and the makeshift family they create with a young Sioux girl, Winona, *Days Without End* is a fresh and haunting portrait of the most fateful years in American history and is a novel never to be forgotten.

The Pillars of the Earth Faber & Faber

CIA operative Steve Conway sets out to steal an advanced combat uniform that renders a soldier virtually invisible but finds himself targeted by sinister forces that may come from inside the CIA itself.

The Whereabouts of Eneas McNulty Penguin

In 1940, the handsome, athletic, and charismatic David Sparsholt arrives at Oxford University to study engineering, unaware of his effect on others—especially on Evert Dax, the lonely son of a celebrated novelist who is destined to become a writer himself. Spanning three generations, *The Sparsholt Affair* plumbs the ways the friendship between these two men will influence their lives—and the lives of others—for decades to come. Richly observed and emotionally charged, this is a dazzling novel of fathers and sons, of family and legacy, and of the longing for permanence amid life's inevitable transience.
