*Freemason's Book of the Royal Arch* Independently Published  
 In *The Four Cardinal Virtues*, Joseph Pieper delivers a stimulating quartet of essays on the four cardinal virtues. He demonstrates the unsound overvaluation of moderation that has made contemporary morality a hollow convention and points out the true significance of the Christian virtues.

""In the Interests of the Brethren"" by Rudyard Kipling. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

*Freemasons For Dummies* Philadelphia [Lancaster, Pa., Press of

the New era printing Company

In *The Complete Idiot's Guide to Freemasonry*, an expert author reveals the truths and dispels the myths that have surrounded the Freemasons for hundreds of years- Were the first masons 14th-century stone masons and cathedral builders, or can Freemasonry really be traced back as far as Egypt, Babylon, and Palestine? The Masonic insistence on the belief in a Supreme Being The Masons and the Knights Templar True or false- the Masons coordinated the Boston Tea Party and the American Revolution. How are Masons initiated, and exactly what goes on in a Masonic lodge? What s the difference between the York Rite and the Scottish Rite, and are there women and African American Freemasons? The Masons in the streets of Washington, DC- a tour [The Freemason's Monitor](#) CreateSpace

A handbook for newly raised Pennsylvania Freemasons. Contains hints, information, and advice for those Masons living in the "Keystone State." This Book attempts to answer questions many new Freemasons have asked themselves: "What do I do now? What are my options? Where can I contribute my talents?" Too often, new members have to search for answers to these questions on their own. This handbook offers practical advice,

pointers on ritual, and thumbnail explorations of Masonic customs, history, and ritual. Written for the new Freemason, it contains much that would interest the general reader seeking information about "The Craft."

This is a new release of the original 1924 edition.

**Ahiman: A Review of Masonic Culture and Tradition**

Penguin

'Goodly Heritage' by Dwight L. Smith is the most comprehensive historical account ever written about the Freemasons in the state of Indiana. It was originally published in 1968 in conjunction with the 150th anniversary of the January 1818 founding of the Grand Lodge of Indiana F&AM in Madison, and is widely considered to be the most authoritative historical reference work for the state's fraternity. It contains a wealth of early photographs of historic lodges and influential men within the Masonic community, along with exhaustive reference lists of lodges, grand lodge officers, and more. This facsimile reprint edition was authorized in 2018 in conjunction with the Grand Lodge's Bicentennial celebration and through the assistance of the Masonic Library and Museum of Indiana, Inc.

Additional Editor Is Harold Van Buren Voorhis.

**Short Talks on Masonry** CreateSpace

Freemasonry Defined is a short read that packs a powerful educational punch for Masons the world over. Drawing on specific historical examples of positive actions by Masons and hardships against them, author Shawn M. Gorley lays out how the fraternity has persevered through the centuries. Gorley heavily researched each example showing the core of the tenets that make an upright man and Mason. I especially like the examples from war and repression and how Masonry emerged victorious in the end. Gorley did the Brotherhood a true heartfelt service in sharing his own personal passions through this book. I hope and anticipate more of the same as he continues to work his stone of knowledge.

**Introduction to Freemasonry - Entered Apprentice** Ulysses Press

Masonry is a beautiful system of morality, veiled in allegory, illustrated by signs and symbols, and embodying ideals that transcend most human barriers. The work of masonry is based upon and filled with scripture, with beauty, and with God's love, irrespective of any one individual's relationship with God. The one requirement of a man who would like to join masonry is that he believes in God. As an evangelist, I want to hear the blessed name of Jesus on people's lips, but as a Mason, my duty is to help men make those decisions for themselves. This volume is designed to help masons and their families to seek light from scripture, whether they have a church or not, whether they are Christian or not. If I have written these scripture studies well, the readers should walk away from this book being better informed and challenged to read more and more scripture, seeking more about God within their traditions, and be more confident believers. People who are more confident in what they believe can have discussions that do not turn to bad arguments, and are not easily offended. Those who can discuss any topic can best work together and best agree. In most instances of this book, I have used the lines from ritual in full context, as too often Masons do not follow through and see where lines come from. At other times, the same Chapter of scripture might contain two or three different passages that are of special import to the Craft, thus are better served integrating them. There are many times when an entire chapter is important to read in order to get one short line that is used in a lecture or prayer or degree. Since not all masonic traditions use the same scriptures, I have endeavored

to select scriptures from various masonic jurisdictions around the world, both in the "Blue Lodges" of the first three degrees and those of the Appendant Bodies. I do not identify which degree or source that each scripture reading comes from, as that is for each mason to learn if they do not immediately recognize the verses. All scripture used throughout this book is from the King James Version of the Bible unless otherwise noted. There are times when other translations give a better sense of the intentions of why we use the lines in Lodges. It is highly recommended that in any serious study of the Bible, several translations are used. For those interested, there are several websites of note, including BibleHub.com and BibleGateway.com. I often used these two sites to assist in my studies during the construction of this book. If you are interested in Biblical languages, I recommend using the BibleHub.com resources, clicking on Hebrew or Greek to take you to the original languages and helping you see where else each particular word is used as per Englishman's Concordance, Strong's, and several other major reference works. Where I have translated from Hebrew or Greek, it should be stated that the translations are mine, and any errors made are mine and not those of any source from which I sought assistance. I have tried to be faithful to scripture and modern English (American) language. While I had several brilliant Hebrew professors in both Seminaries I graduated from, my abilities do not show their great skill teaching, only my poor abilities learning. Several other works informed the discussions here, including The Anchor Bible Series of Commentaries, the Exegetical Guide to the Greek New Testament, the Story of God Bible Commentary, and many others. I have attempted to bring the benefit of scholarship without the burdens thereof so that this book might be easier to read and use.

**Goodly Heritage: One Hundred Fifty Years of Craft**

**Freemasonry in Indiana** John Wiley & Sons

This book examines the creation of the Antients Grand Lodge and traces the influence of Ireland and the London Irish, and most especially that of Laurence Dermott, the Antients' Grand Secretary, in the development of freemasonry in the second half of the eighteenth century. The book demonstrates the relative accessibility of the Antients and contrasts this with the exclusivity of the 'Moderns' -- the original Grand Lodge of England. The Antients instigated what became a six decades long rivalry with the Moderns and pioneered fundamental changes to the social composition of freemasonry, extending formal sociability to the lower middling and working classes and creating one of the first modern friendly societies. Schism does not stand solely as an academic work but introduces the subject to a wider Masonic and non-Masonic audience and, most particularly, supplements dated historical works. The book contributes to the history of London and the London Irish in the long eighteenth century and examines the social and trade networks of the urban lower middling and working class, subjects that remains substantially unexplored. It also offers a prism through which Britain's calamitous relationship with Ireland can be examined.

**Deciphering the Lost Symbol** Harper Collins

Famous American Freemasons is a collection of stories about some of the Masons from America's past. Through little-known stories of some of the fraternity's most influential members, Todd E. Creason shows the amazing range of contributions Masons have made to the causes of freedom, politics, philosophy, scientific discovery, and the arts-contributions that have helped to define the nation. In Famous American Freemasons, author and Freemason Todd E. Creason also gives unique insight into the history and philosophy of Freemasonry in America while debunking common myths and misconceptions about the world's largest and oldest fraternal organization. These famous American

men came from all walks of life with different religious beliefs as well as educational, cultural, economic, and career backgrounds. They became patriots, Presidents, military leaders, entertainers, and American legends-and one and all were Freemasons.

*Freemasonry Defined* Lulu.com

Unravel the mysteries of the Masons All the myths and rumors about Masonic organizations probably have you wondering "what do Masons really do?" Questions like this one are a natural by-product of being the oldest and largest "secret society" in the world. This book is an ideal starting place to find answers to your questions about the secret and not-so-secret things about Freemasonry. Now in its third edition, this international best-seller peeks behind the door of your local Masonic lodge and explains the meanings behind the rituals, rites, and symbols of the organization. Along the way the book covers nearly 3,000 years of Masonic history, introduces you to some famous Freemasons you already know from history books, and explains the relationship with related groups like Knights Templar, Scottish Rite, Order of Eastern Star, and the beloved fez-wearing Shriners. Look inside the book to learn: What it takes to become a member of the Freemasons, and what you can expect when you join How Lodges are organized and what really goes on during Masonic ceremonies The basic beliefs and philosophies of Freemasonry, including how Masons contribute to charity, and society in general The origins behind some of the wild myths and conspiracy theories surrounding Freemasonry and how to debunk (most of) them Written by a 33rd degree Scottish Rite Mason and the Public Relations and Marketing Director for the Grand Lodge F&AM of Indiana, *Freemasons For Dummies* is a must-read guide for anyone interested in this ancient fraternal order, whether you're looking to join or are just curious about some of the more mysterious aspects of Freemasonry.

*Freemasons For Dummies* Liverpool University Press

Masonic author Carl Claudy presents 24 tales, in the form of advice being given to a younger mason, by the Old Past Master. These are all on masonic topics such as: brotherly love, charity, landmarks, symbols and much more. Any one of them is a great jumping off point for a lodge presentation or discussion.

**The Old Past Master: Foundations of Freemasonry Series**

Createspace Independent Pub

Its mysterious symbols and rituals had been used in secret for centuries before Freemasonry revealed itself in 1717. But where had this powerful organization come from and why had Freemasonry been attacked by the Roman Catholic Church? Robinson answers those questions and more.

**Born in Blood** Lulu.com

The Truth Revealed Freemasons have been connected to the all-seeing eye on the dollar bill, the French Revolution, the Knights Templar, and the pyramids of Egypt. They have been rumored to be everything from a cabal of elite power brokers ruling the world to a covert network of occultists and pagans intent on creating a new world order, to a millennia-old brotherhood perpetuating ancient wisdom through esoteric teachings. Their secret symbols, rituals, and organization have remained shrouded for centuries and spawned theory after theory. The Masonic Myth sets the

record straight about the Freemasons and reveals a truth that is far more compelling than the myths.

*Grand Lodge Bulletin* Lulu.com

Ahiman is a new periodical anthology of Masonic writing, offering a serious exploration of the rich initiatic traditions of Freemasonry. Edited by Masonic scholar Shawn Eyer, Ahiman is dedicated to stimulating scholarship, penetrating interpretation and inspiring creative expressions focused upon the history, rituals, symbolism, iconography and philosophy of Freemasonry. Carefully researched and lavishly produced, each edition of Ahiman offers important material of interest to Freemasons and other students of Western esoteric traditions. This volume features original work by Thomas D. Worrel, David Stafford, Robert G. Davis, Erik Arneson, Adam G. Kendall, Erik O Neal, Greg Maier, Mounir Hanafi and Shawn Eyer, as well as insights from classic authors such as Joseph Fort Newton, Laurence Dermott, Thomas Starr King and W.L. Wilmshurst. "I do not say it lightly, but this premiere issue of Ahiman may be the most balanced and philosophically engaging Masonic journal ever published. And it is probably the most handsomely designed as well. I strongly recommend that any Mason, who seeks a deeper understanding of Freemasonry, check out Ahiman immediately."--Jay Kinney, 33, Author of *The Masonic Myth* and recipient of the Albert G. Mackey Award for Excellence in Masonic Research from the Scottish Rite Research Society "Ahiman fulfils an aching need within the Craft. For many years, there has been a tendency to suggest that Masonic scholarship ought to be exercised in historical argument alone. What has long been lacking is an open discourse that includes scholarship that addresses Freemasonry's spiritual and esoteric elements. To facilitate that wider conversation, Ahiman has now appeared."--Tobias Churton, Author of *The Golden Builders and Freemasonry: The Reality, and Course* Lecturer in Freemasonry at the University of Exeter's Centre for the Study of Esotericism

*Famous American Freemasons* University of Notre Dame Press

Traces the footsteps of the fictional Robert Langdon to explore the symbolism, rituals, art, architecture and very real Washington D.C., locations.

**Illustrations of Masonry**
