On Diary is the second collection in English of the groundbreaking and profoundly influential work of one of the best-known and provocative theorists of autobiography and diary. Ranging from the diary's historical

origins to its pervasive presence on the Internet, from the spiritual journey of the sixteenth century to the diary of Anne Frank, and from the materials and methods of diary writing to the question of how diaries end, these essays display Philippe Lejeune's expertise, eloquence, passion, and humor as a commentator on the functions, practices, and significance of keeping or

reading a diary. Lejeune is a leading European critic and theorist of diary and autobiography. His landmark essay, "The Autobiographical Pact," has shaped life writing studies for more than thirty years, and his many books and essays have repeatedly opened up new vistas for scholarship. As Michael Riffaterre notes, "Lejeune's work on autobiography is the most original, powerful,

effective approach to a difficult subject. . . . His style is very personal, lively. It grabs the reader as scholarship rarely does. Lejeune's erudition and methodology are impeccable." Two substantial introductory essays by Jeremy Popkin and Julie Rak place Lejeune's work within its critical and theoretical traditions and comment on his central importance within the fields of life writing, literary genetic studies, and cultural studies.

I am Anne Frank Oxford

A New York Times Bestseller *Less a mystery unsolved than a secret well kept...* Using new technology, recently discovered documents and sophisticated investigative techniques, an international team—led by an obsessed retired FBI agent—has finally solved the mystery that has haunted generations since World War II: Who betrayed Anne Frank and her family? And why? Over thirty million people have read *The Diary of a Young Girl*, the journal teen-aged

Anne Frank kept while living in an attic with her family and four other people in Amsterdam during World War II, until the Nazis arrested them and sent them to a concentration camp. But despite the many works—journalism, books, plays and novels—devoted to Anne's story, none has ever conclusively explained how these eight people managed to live in hiding undetected for over two years—and who or what finally brought the Nazis to their door.

With painstaking care, retired FBI agent Vincent Pankoke and a team of indefatigable investigators pored over tens of thousands of pages of documents—some never before seen—and interviewed scores of descendants of people familiar with the Franks. Utilizing methods developed by the FBI, the Cold Case Team painstakingly pieced together the months leading to the infamous arrest—and came to a shocking conclusion. The

Betrayal of Anne Frank: A Cold Case Investigation is the riveting story of their mission. Rosemary Sullivan introduces us to the investigators, explains the behavior of both the captives and their captors and profiles a group of suspects. All the while, she vividly brings to life wartime Amsterdam: a place where no matter how wealthy, educated, or careful you were, you never knew whom you could trust.

Photographs, illustrations, and maps accompany historical essays, and diary excerpts, providing an insight to Anne Frank

and the massive upheaval which tore apart her world.

Anne Frank's Diary: The Graphic Adaptation Crown
Imagine if the boy in hiding with Anne Frank had survived the war... On 16 February 1944, Peter, Anne Frank's closest confidant in the Secret Annex, declared to her that if he got out alive, he would reinvent himself entirely; no one would ever know who he was, or where he had been. This is the story of what might have happened if the boy in hiding had survived the

horror. After the war, Peter van Pels leaves liberated Europe and its ghosts behind him and makes for the United States, the land of self-invention; there, he flourishes in business, marries and raises a family. He lives in the present and plans for the future; for him, the past does not exist. But Peter's carefully constructed life is broken apart when *The Diary of a Young Girl* is published and becomes a sensation all over the world. As Anne Frank's words take on a strange

and disturbing life of their own, enmeshed in bitter controversy and recrimination, Peter sees his past being adapted, distorted, argued over and endlessly reinterpreted, until the dissonance between his present and former lives sparks a crisis he cannot suppress. *The Boy Who Loved Anne Frank* is a compelling novel about the power of stories, the meaning of history and the possibility of coming to terms with an unbearable burden of memory. On February

16, 1944, Anne Frank recorded in her diary that Peter, whom she at first disliked but eventually came to love, had confided in her that if he got out alive, he would reinvent himself entirely. This is the story of what might have happened if the boy in hiding survived to become a man. Peter arrives in America, the land of self-creation; he flourishes in business, marries, and raises a family. He thrives in the present, plans for the future, and has no past. But when *The Diary of a*

Young Girl is published to worldwide acclaim and gives rise to bitter infighting, he realises the cost of forgetting. Based on extensive research of Peter van Pels and the strange and disturbing life Anne Frank's diary took on after her death, this is a novel about the memory of death, the death of memory, and the inescapability of the past. **The Play of the Diary of Anne Frank** Dramatists Play Service Inc
Recounts the story of Hannah Goslar, a close friend of Anne Frank and

one of the last to see her alive.

Long Walk to Freedom

Heinemann

A dramatization of The Diary of Anne Frank, recording the experiences of a young Jewish girl who hid from the Nazis for two years before being sent to a concentration camp.

The introduction, notes and assignments provide support in tackling the characters, themes and action of the play.

Anne Frank Unbound

Puffin

Presents the life of Anne Frank from birth until

being taken from the hidden attic by the Nazis.

A detailed timeline of important events in Europe and in the Frank family is included.

Anne Frank's Diary

Simon and Schuster

Guided by Time

Magazine's list of 100 most influential people, this series of 64-page biographies focuses on the leaders, scientists, and icons who shaped our world. These people, many from very humble beginnings, changed how the world works. Each biography includes a

glossary, timeline, and illustrations. An individual guide for each title provides reproducible activities to extend the text. Born in Germany in 1929, Anne Frank was a teenager during World War II. Because Anne was Jewish, she and her family were forced to escape the terror of the Holocaust that swept the continent. Beginning in 1942, Anne kept a diary of the difficult journey of her family. See how Anne's family tried to escape the horror of the war, and how her diary became her best friend.

The Freedom Writers Diary (20th Anniversary Edition) Scholastic Paperbacks
Collection of critical essays about issues related to Anne Frank's diary.

The Diary of Anne Frank Scholastic Inc.

A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. This graphic edition remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and

immediacy to this classic work of Holocaust literature. For both young readers and adults *The Diary* continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Includes extensive quotations directly from the definitive edition; adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank

Foundation in Basel. *Anne Frank Pantheon*
In her amazing diary, Anne Frank revealed the challenges and dreams common for any young girl. But Hitler brought her childhood to an end and forced her and her family into hiding. *Who Was Anne Frank?* looks closely at Anne's life before the secret annex, what life was like in hiding, and the legacy of her diary. Black-and-white illustrations including maps and diagrams provide historical and visual reference in an easy-to-

read biography written in a way that is appropriate and accessible for younger readers.

[Anne Frank's Tales from the Secret Annex](#) Harper Collins

From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which described her secret life,

and the loves, hopes, fears and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.

Anne Frank: The Collected Works Bantam

For the millions moved by Anne Frank: The Diary of a Young Girl, here at last is Miep Geis's own astonishing story. For more than two years, Miep Gies and her

husband helped hide the Franks from the Nazis. Like thousands of unsung heroes of the Holocaust, they risked their lives each day to bring food, news, and emotional support to the victims. She found the diary and brought the world a message of love and hope. It seems as if we are never far from Miep's thoughts....Yours, Anne From her own remarkable childhood as a World War I refugee to the moment she places a small, red-orange, checkered diary -- Anne's legacy -- in Otto

Frank's hands, Miep Gies remembers her days with simple honesty and shattering clarity. Each page rings with courage and heartbreaking beauty.
