SMALL TOWN. BIG SECRET. An unforgettable literary crime debut that brings the darkness in an Australian country town vividly to life, as it slowly reveals its devastating secrets. In the long, hot summer of 1989, Ben and Fab are best friends. Growing up in a small country town, they spend their days playing cricket, yabbing in local dams, wanting a pair of Nike Air Maxes and not talking about how Fab's dad hits him, or how the sudden death of Ben's next-door neighbour unsettled him.

Almost teenagers, they already know some things are better left unsaid. Then a newcomer arrived in the Wimmera. Fab reckoned he was a secret agent and he and Ben staked him out. Up close, the man's shoulders were wide and the veins in his arms stuck out, blue and green. His hands were enormous, red and knotty. He looked strong. Maybe even stronger than Fab's dad. Neither realised the shadow this man would cast over both their lives. Twenty years later, Fab is still stuck in town, going nowhere but hoping for somewhere better. Then a body is found in the river, and Fab can't ignore the past any more. 'Very little fiction is as emotionally true as this. WIMMERA is a dark and disturbing story from a substantial new talent.' SATURDAY PAPER 'This is literary crime fiction at its best.' BOOKS+PUBLISHING WIMMERA WAS THE 2016 WINNER OF THE CRIME WRITERS' ASSOCIATION DEBUT DAGGER (UK) SHORTLISTED FOR THE 2018 INDIE DEBUT FICTION AWARD SHORTLISTED FOR LITERARY FICTION BOOK OF THE YEAR, ABIA AWARDS 2018 SHORTLISTED FOR THE MATT RICHELL AWARD FOR NEW WRITER OF THE YEAR, ABIA AWARDS 2018 [A woman's guide to understanding what's hindering her from receiving the love and man she deserves.](#) Xlibris

The best-selling poet of HER & HER Vol. 2 returns with a different voice, on a different path, but with the same mission. HIM is a collection of "he-poetry" in a world of "she-poems" that tends to only refer to him when speaking ill. Through poetry and prose, Pierre wears his heart on paper and pens a tribute to men; their undelivered feelings, unrecognized strength, their loud silence, and their neglected complaints. HIM celebrates good men, their love, their worth, and their beauty. The characteristics that often fall into the shadows are now brought to life.

The obsession of a toxic relationship can have the same enticement as drugs or alcohol. The pattern echoes time and time again: a new significant other draws you into a new relationship that starts off loving and alluring only to develop into a hurtful or abusive cycle. People who have a healthy understanding of "true love" do not tolerate this kind of pain. He or she will move on in search of a healthier bond. It's an unhealthy view on love that will rationalize the toxic behavior and cling to the relationship long after it should have ended. Like any other addiction, those hooked on a toxic love have no control over excessive urges to text, call, manipulate or beg for love, attention and affection. They want help. They want to end the pain and recover, but it's just like trying to shake a drug habit. In *Addicted to Pain*, author and relationship expert Rainie Howard reveals the truths every woman needs to heal from a toxic relationship and return to a life rich with purpose and fulfillment. This all-in-one spiritual guide provides daily insight on love addiction and a healing plan to help you recover from the overwhelming effects of a toxic relationship.

Unspoken Feelings of a Man explores the deepest parts of a male as he evolves into a man. These are the words behind the silence that many deal with. Thoughts, emotions, and real life struggles are unleashed within these pages. The person speaking isn't fictional but very real and opens himself up wide for the world to salvage pieces they too can relate to. This literary piece speaks volumes on love, pain, mistakes, and personal growth. When you are able to peer into the soul of another person, you realize that you are human too. Words left unsaid halt the opportunity for another to grow from your experiences. On every page are words from the depths of a man's core that has broken others and been broken, priceless words no longer left unspoken.

"To The Women I Once Loved" is a reflection of a poet's heart, his deepest inner feelings towards past relationships and how they contributed to the man he has become. Each piece brings consciousness to parts of a woman that ought to be glorified, qualities men sometimes neglect in relationships; while making both men and women aware that who they become has a direct correlation with who they've been with. Pierre allows readers to see where he missed it before in a way that is uplifting not only to the reader but also the women of his past. This literary piece is filled with hope and will salivate the soul of those waiting on love.

Don't be afraid to feel, emotions are beautiful, to feel is a way to deal with life episodes. They say to feel and express everything is a sign of weakness and you will appear vulnerable, I beg to differ. Those who have never tried to feel and resist to experience going through their own emotions will appear strong on the outside but apparently they are fragile on the inside, because they never feel, and when we don't feel, we will never know how to handle a touch of an emotion, that's why it will easily drive us insane. Diving deep into a feeling will make us want to swim up for air again, to breathe again, to see everything clear again and to believe once more. Choose to feel. To feel is fearless, it breeds courage.
