A stunning masterclass on the creative process, the craft of writing, and the art of finding inspiration from Stephen King, Elizabeth Gilbert, Amy Tan, Khaled Hosseini, Roxane Gay, Neil Gaiman, and more of the most

acclaimed writers at work today "For artists in need of a creative fix, Light the Dark is as good as a visit from the divine muse."

-Bookpage
What inspires you? That's the simple, but profound question posed to forty-six renowned authors in LIGHT THE DARK. Each writer begins with a favorite passage from a novel, a song, a poem—something that gets them started and keeps them going with the

creative work they love.

From there, incredible lessons and stories of life-changing encounters with art emerge, like how sneaking books into his job as a night security guard helped Khaled Hosseini learn that nothing he creates will ever be truly finished. Or how a college reading assignment taught Junot Díaz that great art can be a healing conversation, and an unexpected poet led Elizabeth

Gilbert to
 embrace an
 unyielding
 optimism,
 even in the

 darkness.

For mature audiences. *Creative Strength Training* Penguin For two centuries, Gesamtkunstwerk—the ideal of the “total work of art”—has exerted a powerful influence over artistic discourse and practice, spurring new forms of collaboration and provoking debates over the political

instrumentalization of art. Despite its popular conflation with the work of Richard Wagner, Gesamtkunstwerk’s lineage and legacies extend well beyond German Romanticism, as this wide-ranging collection demonstrates. In eleven compact chapters, scholars from a variety of disciplines trace the idea’s evolution in German-speaking Europe, from its foundations

in the early nineteenth century to its manifold articulations and reimaginings in the twentieth century and beyond, providing an uncommonly broad perspective on a distinctly modern cultural form. *Vermeer and the Masters of Genre Painting* Watson-Guptill Discover a Deeper Connection to Your Artist Self! Begin a fresh approach to your creative practice. Begin building stamina today with Creative Strength Training! "In a world of bookshelves lined with self-

help guides to overhauling ourselves, Jane Dunnewold gives us, instead, a way to discover ourselves. Creative Strength Training is a gift to the artist just starting out, and a powerful resource for those of us who feel like we may have grown stale." - Mary Fisher, artist and AIDS activist "Jane's approach will resonate with anyone who has ever been stymied in his or her attempt

to be original and creative. She guides readers on a journey of self-discovery to seek the core of the creative spirit. This newfound self-awareness and confidence is sure to unleash brand new avenues of creativity for those who read this important new work." -- Maureen Hendricks, owner of Gateway Canyons Resort, home of Alegre Quilt Retreat "Jane Dunnewold's approach to

the creative process is as refreshing as it is realistic-- building stamina means making your art a priority. This method feels at once personal and prolific--a must-have for anyone looking to push his/her boundaries." -- Joe Pitcher, founder of textileartist.org

What keeps so many of us from doing what we long

to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art

emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

QUOTES ILLUSTRATED
by Lesley Riley is a timeless source of inspiration and motivation. Through the diverse and eclectic work

of over 90 artists, familiar and some not-yet-discovered quotes are brought to life. It's an eye-opening experience to see how these talented artists interpret modern and age-old wisdom. To quote Georgia O'Keefe, "Art is not what you see, but what you make others see." And therein lies the magic of this book - it expands your awareness, so that you see, not only with new eyes, but

come to understand how art can illustrate and illuminate more than words alone can express. 100 quotes were carefully chosen by Lesley to create a positive book that moves the reader to take action on their dreams. If the quotes alone don't do the trick, the artwork certainly will. Artists were free to interpret their quote in their own way, with their medium of choice. The book includes wonderful

examples of digital art, art quilts, fiber art, mixed media, collage, assemblage and paintings. There is something to delight all tastes. Artists in particular will find this compendium a source of ideas and techniques for their own art. 365 Days of Art in Nature
Schiffer Publishing
As an artist, Deborah Sokolove has often been surprised and dismayed by the unexamined attitudes and assumptions that the church holds about how artists think and how art functions in human life. By investigating these attitudes and tying them to concrete examples, Sokolove hopes to demystify art-- to bring art

down to earth, where theologians, pastors, and ordinary Christians can wrestle with its meanings, participate in its processes, and understand its uses. In showing the commonalities and distinctions among the various ways that artists themselves approach their work, Sanctifying Art can help the church talk about the arts in ways that artists will recognize. As a member of both the

church and the art world, Sokolove is well-positioned to bridge the gap between the habits of thought that inform the discourse of the art world and those quite different ideas about art that are taken for granted by many Christians. When art is understood as intellectual, technical, and physical as well as ethereal, mysterious, and sacred, we will see it as an integral part of our life

together in Christ, fully human and fully divine. *In Pursuit of Inspiration* Wipf and Stock Publishers How to Read Paintings provides a fascinating analysis of a variety of paintings made in the Western tradition. **Note: Images in paperback are printed in black and white.
