International Lonely Guy Prestel Publishing
 The birthplace of graffiti, New York City, has evolved into a global center for street art. Its public surfaces host a range of media from handmade stickers and wheatpastes to huge installations and murals. Artists from across the globe routinely travel to New York City to grace its walls as they refashion the city into one huge never-ending unofficial street art festival. Among these are such contemporary urban legends as D'Face, Banksy, Os Gemeos, Case, MaClaim, Invader, Stik and Faith 47. Street Art NYC showcases both sanctioned and unsanctioned works captured in the course of a transformative decade that saw the emergence of over a dozen distinctly engaging projects. The hugely popular Bushwick Collective, L.I.S.A Project NYC and Welling Court Mural Project are highlighted with introductory essays. Local community-based projects and festivals, as well as those responding to specific environmental and social issues, are also represented. Banksy's one month 2013 residency, Better Out than In is documented with words and images. And homage is paid to the legendary 5 Pointz graffiti and street art mecca. Street Art NYC is a beautifully designed hardcover book. The full color photographs by Lord K2 captures the art in the city, printed on thick coated paper, and Lois Stavsky's text provides the context. This is the only book to spotlight the transformational decade that marked the shift from largely unsanctioned to widely curated street art throughout New York City's five boroughs. This book is a collaboration between Lord K2, an award-winning photographer and curator of the online Museum of Urban Art and Lois Stavsky, a noted street art documentarian and editor of the popular blog, Street Art NYC.

 'Meeting of Styles' is the offspring of the legendary 'Wall Street Meeting', an international graffiti and Hip Hop event in Germany, where graffiti artists from all over the world gathered in the spirit of collaboration. In the late 1990s this legendary event welcomed hundreds of artists and more than 25,000 international visitors to enjoy the art in process. After this gathering made waves worldwide, its offshoot, the 'International Meeting of Styles', was founded in 2002. Inspired by a passion for art and brought to life by an international network of graffiti artists and enthusiasts, it has become the biggest event in graffiti culture worldwide. Meeting of Styles has launched more than 130 events and attracted more than 150,000 spectators across cities such as New York, Chicago, London, Paris, Buenos Aires, Venice, St. Petersburg and Sofia.

American popular culture has produced few heroic figures as famous and enduring as that of the Batman. The dark, mysterious hero who debuted in 1939's DETECTIVE COMICS #27 as the lone "Bat-man" quickly grew into the legend of the Caped Crusader. After his landmark debut and origin story, the Dark Knight was given many seminal elements, including his partner in crime-fighting Robin, the Boy Wonder, and such adversaries as the Joker, Two-Face and the Scarecrow. This fourth volume of BATMAN: THE GOLDEN AGE collects the Dark Knight Detective's adventures from BATMAN #12-15, DETECTIVE COMICS #66-74 and WORLD'S FINEST COMICS #7-9.

Narratives We Organize by DC Comics

A 3-d pop up book featuring the work of artist Sandra Chevrier *Bat-manga!* Rizzoli International Publications

Pop Up Funk is a three dimensional explosion of art from Jim Mahfood, the dark master of psychedelic groove. The standard edition of Jim Mahfood's Pop Up Funk comes in a beautiful full color casewrap with six pop up spreads: Funky Beats, Sir?, Grrl Scouts, Pure Gonzo, Everybody Loves Tank Girl, Pop Life and Thrilling. This release was originally available funded on Kickstarter in February 2020. Each pop up spread opens to 11" x 17" Also includes four additional pieces of art in the front and rear endleaves.

Writing the Future Dokument Forlag

Edited by the artist herself from an archive of work stretching back to the beginning of her career, this is at once a collection of Tracey Emin's works on paper, an exposé of her life as an artist, and a collectible artifact in its own right.

The books shows the powerful work and international trajectory of Spanish urban artist Francisco de Pájaro aka Art is Trash.

One Thousand Drawings Paragon Books

A Pop Up Book featuring 3-D Versions of Comic, Pop & Street Art from 6 Acclaimed Artists

Yayoi Kusama Rizzoli International Publications

Renowned manga artist and comics creator Camilla D'Errico's beginner's guide to drawing her signature Japanese-style characters. From comics to video games to contemporary fine art, the beautiful, wide-eyed-girl look of shoujo manga has infiltrated pop culture, and no artist's work today better exemplifies this trend than Camilla D'Errico's. In her first instructional guide, D'Errico reveals techniques for creating her emotive yet playful manga characters, with lessons on drawing basic body construction, capturing action, and creating animals, chibis, and mascots. Plus, she gives readers a behind-the-scenes look at her character design process, pointers on creating their own comics, and prompts for finishing her drawings. Pop Manga is both a

celebration of creativity and an indispensable guide that is sure to appeal to manga diehards and aspiring artists alike.

Pop Manga Rizzoli Publications

Topics covered by this title include: structuralist approaches to narrative analysis; poststructural approaches to narrative; genre analysis; and narrating ourselves.

My Neighbor Hayao Little Simon

This catalog serves as a fully illustrated look into the world of artists Jonas Wood and Shio Kusaka, published in conjunction with the artists' debut exhibition at Gagosian Gallery, Hong Kong. Both Kusaka's porcelain vessels and Wood's drawn and painted interiors are depicted within this new book in vibrant color plates and photographs. Wood and Kusaka draw from each other's work as painter and potter to probe the tensions between representation and expression, precision and chance, and influences from art history and life. An insightful new text by art critic Chris Wiley accompanies color images of Wood and Kusaka at their shared studio on Blackwelder Street in Los Angeles, where they work alongside one another to create works that draw from personal memory and their shared existence as a married couple. This book was produced with Karma, NY.

The two hottest genres in comics gleefully collide head-on, as the most beloved American superhero gets the coolest Japanese manga makeover ever. In 1966, during the height of the first Batman craze, a weekly Japanese manga anthology for boys, Shonen King, licensed the rights to commission its own Batman and Robin stories. A year later, the stories stopped. They were never collected in Japan, and never translated into English. Now, in this gorgeously produced book, hundreds of pages of Batman-manga comics more than four decades old are translated for the first time, appearing alongside stunning photographs of the world's most comprehensive collection of vintage Japanese Batman toys. This is The Dynamic Duo as you've never seen them: with a distinctly Japanese, atomic-age twist as they battle aliens, mutated dinosaurs, and villains who won't stay dead. And as a bonus: Jiro Kuwata, the manga master who originally wrote and drew this material, has given an exclusive interview for our book. More than just a dazzling novelty, Bat-Manga is an invaluable, long-lost chapter in the history of one of the most beloved and timeless figures in comics.

Jonas Wood and Shio Kusaka Watson-Guption

A collection of color photographs that showcase the street art of Brooklyn, New York.

Cages - Paintings by Sandra Chevrier John Wiley & Sons

The world's first pop up book about cannabis! Dimensional Cannabis is a pop up book covering various aspects of cannabis

culture. Produced and published by Poposition Press, the book is illustrated by Mike Giant with art direction from Kevin Steele. With six beautifully illustrated pop up spreads, this is sure to light up your book collection!

"This book is a unique view inside the life and work of one of the most private, but also one of the most loved, most applauded and most influential figures in the vibrant world of street art. Blek le Rat is revered and acknowledged by the international street and graffiti community, and his work has influenced record and CD design, advertising and graphics, as well as the work of many street artists around the world." "Blek le Rat offers photography of over 300 of the artist's work in situ. With an in-depth personal exploration of the method and meaning behind Blek's stencils, as

well as a taste of the evolution of urban art from New York, Paris, Barcelona and Buenos Aires, to London, Taipei, Naples and Berlin, this book cannot fail to inspire street and urban enthusiasts and students alike."--BOOK JACKET.

[Elements Of Pop Up](#) John Benjamins Publishing

With her debut monograph, artist and painter Anna Valdez takes viewers into her lush, plant filled studio for an intimate look into her artistic practice and personal life. Her paintings are mainly autobiographical, documenting the ongoing nature of and in her studio accentuated with nods to art history, botany, sexuality and still life painting. This comprehensive coffee table book features an extensive catalog of the artist's work to date accompanied by an eclectic look at the many facets of the artist's personal life that inform and influence her work.

Guides readers on the proper use of in vitro drug release methodologies in order to evaluate the performance of special dosage forms In the last decade, the application of drug release testing has widened to a variety of novel/special dosage forms. In order to predict the in vivo behavior of such dosage forms, the design and development of the in vitro test methods need to take into account various aspects, including the dosage form design and the conditions at the site of application and the site of drug release. This unique book is the first to cover the field of in vitro release testing of special dosage forms in one volume. Featuring contributions from an international team of experts, it presents the state of the art of the use of in vitro drug release

methodologies for assessing special dosage forms' performances and describes the different techniques required for each one. In Vitro Drug Release Testing of Special Dosage Forms covers the in vitro release testing of: lipid based oral formulations; chewable oral drug products; injectables; drug eluting stents; inhalation products; transdermal formulations; topical formulations; vaginal and rectal delivery systems and ophthalmics. The book concludes with a look at regulatory aspects. Covers both oral and non-oral dosage forms Describes current regulatory conditions for in vitro drug release testing Features contributions from well respected global experts in dissolution testing In Vitro Drug Release Testing of Special Dosage Forms will find a place on the bookshelves of anyone working with special dosage forms, dissolution testing, drug formulation and delivery, pharmaceuticals, and regulatory affairs.

In Vitro Drug Release Testing of Special Dosage Forms
Gingko Press

Collecting more than a decade's worth of excavations, comic strips, animation stills, storybook covers, and much more, this broken jigsaw puzzle of a graphic novel tells the story of Pim & Francie — childlike male and female imps — whose irresponsible antics get them into horrific, fantastic trouble. The brilliant, fairy tale-like backdrops hint at further layers of reality lurking under every gingerbread house or behind every sunny afternoon. Their loosely defined relationship only contributes to the existential fear that lingers underneath the various perils they are subjected to, which are threaded together by text and notes by the artist.
