In the first full-
scale life of
the most
important

composer-
lyricist at work
in musical
theatre today,
Meryle
Secrest, the
biographer of
Frank Lloyd
Wright and
Leonard
Bernstein,
draws on her
extended
conversations
with Stephen

Sondheim as
well as on her
interviews
with his
friends,
family,
collaborators,
and lovers to
bring us not
only the artist-
-as a master
of modernist
compositional
style--but also
the private

man.
Beginning with his early childhood on New York's prosperous Upper West Side, Secret describes how Sondheim was taught to play the piano by his father, a successful dress manufacturer and amateur musician. She writes about Sondheim's early ambition to become a concert pianist, about the effect on him of his parents' divorce when he was ten, about his years in military and

private schools. She writes about his feelings of loneliness and abandonment, about the refuge he found in the home of Oscar and Dorothy Hammerstein, and his determination to become just like Oscar. Secret describes the years when Sondheim was struggling to gain a foothold in the theatre, his attempts at scriptwriting (in his early twenties in Rome on the set of *Beat the Devil* with Bogart and

Huston, and later in Hollywood as a co-writer with George Oppenheimer for the TV series *Topper*), living the Hollywood life. Here is Sondheim's ascent to the peaks of the Broadway musical, from his chance meeting with playwright Arthur Laurents, which led to his first success-- as co-lyricist with Leonard Bernstein on *West Side Story*--to his collaboration with Laurents on *Gypsy*, to

his first full Broadway score, *A Funny Thing Happened on the Way to the Forum*. And Secret writes about his first big success as composer, lyricist, writer in the 1960s with *Company*, an innovative and sophisticated musical that examined marriage à la mode. It was the start of an almost-twenty-year collaboration with producer and director Hal Prince that resulted in such shows as *Follies*, *Pacific Overtures*,

Sweeney Todd, and *A Little Night Music*. We see Sondheim at work with composers, producers, directors, co-writers, actors, the greats of his time and ours, among them Leonard Bernstein, Ethel Merman, Richard Rodgers, Oscar Hammerstein, Jerome Robbins, Zero Mostel, Bernadette Peters, and Lee Remick (with whom it was said he was in love, and she with him), as

Secret vividly re-creates the energy, the passion, the despair, the excitement, the genius, that went into the making of show after Sondheim show. A biography that is sure to become the standard work on Sondheim's life and art. *The Hard Facts of the Grimms' Fairy Tales* David Fickling Books Traveling alone, deep in the woods, Elisabeth suspects her basket of treats isn't the only thing a sly wolf is

after. A classic of children's literature, this retelling of the Brothers Grimm fairy tale brings new life to an old favorite with illustrations that children will linger over.

Surrounded by an abundance of wildflowers, mushrooms, pinecones, and birds, Elisabeth heads off in her red cloak to visit her ailing grandmother. She's all alone—until she is joined by a wicked wolf, who urges her to

stray from her wooded path. Framed with hand-drawn patterns and textured vignettes, Trina Schart Hyman's illustrations add intrigue to the familiar story, filled with subtle detail and depth. With the help of a brave woodsman, Elisabeth and her grandmother are saved, and Little Red Riding Hood learns a valuable lesson. Little Red Riding Hood was a Caldecott Honor Book,

and received a Gold Kite Award for Picture Book Text.

Where the Red Fern Grows

Everyman's Library
Kikko sets out after her father with a forgotten pie for Grandma. When she arrives at a strange house in the wintry woods, a peek in the window reveals that the footprints Kikko had been following did not belong to her father at all, but to a bear in a long coat and hat! Alice in Wonderland

meets Little Red Riding Hood in this charmed tale.

Becoming Meryl Streep

Open Road Media Well-known stories by the Grimm brothers, as well as other childhood tales, are woven together into a colorful parable about the human search for "happily ever after" and the price of that

quest, in a volume based on the Broadway musical. *Into the Woods* Routledge Interwoven with such classics as Cinderella, Jack and the Beanstalk, and Little Red Ridinghood, is the story of the baker and his wife, whose longing for a child is thwarted by a mischievous witch who lives next door.

The Tea Party in the Woods Grand Central Publishing
"The Woods

are just Trees. The Trees are just Wood.' - All together? In 1987, Stephen Sondheim and James Lapine combined several classic fairy tales including Little Red Riding Hood, Cinderella, and Jack and the Beanstalk to create *Into the Woods*. Funny and heartfelt, this musical explores what it might mean to act responsibly in society, both as a parent and as a child. Situating the work within Sondheim's

oeuvre and the Broadway canon, Olaf Jubin first offers a detailed reading of the show itself, before discussing key productions in New York and London, and 2014's Oscar-nominated screen adaptation. The radically different approaches to staging *Into the Woods* are testament to how open the musical is to re-interpretation for new audiences. A combination of critical explication

with performance and film analysis, as well as an overview of popular and critical reception, this book is meant for anyone who has enjoyed *Into the Woods*, be it as a musical theatre fan, an enchanted audience member, a student or a dedicated theatre professional." -

Sondheim's oeuvre and the Broadway canon, Olaf Jubin first offers a detailed reading of the show itself, before discussing key productions in New York and London, and 2014's Oscar-nominated screen adaptation. The radically different approaches to staging Into the Woods are testament to how open the musical is to re-interpretation for new audiences. A combination of critical

explication with performance and film analysis, as well as an overview of popular and critical reception, this book is meant for anyone who has enjoyed Into the Woods, be it as a musical theatre fan, an enchanted audience member, a student or a dedicated theatre professional. Dramatists Play Service, Inc. (Applause Libretto Library). This 1995 Pulitzer Prize-winning

musical was inspired by the painting A Sunday Afternoon on the Island of La Grande Jatte by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the

entire script of the musical. " Sunday is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical." Frank Rich, The New York Times Magazine Twelve

Dreams
Rowman & Littlefield
THE STORY:
Inspired by an actual case history denoted by Carl Jung, the play traces the story of a little New England girl, Emma, who makes a booklet of her dreams which she gives to her psychiatrist father, Charles Hatrick, for Christmas. Still nu
The Boy from the Woods
HarperCollins
Golding's iconic 1954 novel, now with a new

foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision,

their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Coraline Hal Leonard Publishing Corporation Offers the complete libretto to the Tony Award-winning

Broadway musical *Within the Woods* Hal Leonard Corporation Who is the man in the woods—and can Helen catch him before it's too late? Helen's first day at New Bedford Regional High School is off to a hectic start. Her locker combination doesn't work, she's late to all her classes, and she doesn't know a single person. But she doesn't need friends to figure out the unofficial rules:

Cheerleaders simply don't associate with frizzy-haired new girls who look too young and draw political cartoons. And when Mr. Brzostoski confiscates one her drawings during class, Helen thinks her first day can't get any worse, but her luck changes. Instead, Mr. Bro invites Helen to join the school paper, where she meets Pinky Levy—who helps her get her locker open. But after school,

fate throws Helen and Pinky together again when they both witness a car wreck. Someone threw a stone at the car window and caused the crash, and Helen is sure she saw a man in the woods nearby. When the police arrest one of her fellow students, she knows they have the wrong person—but Pinky is the only one who believes her. Will she be able to find the true

identity of the man into the woods before it's too late? This ebook features an illustrated biography of Rosemary Wells including rare images from the author's collection. *Into the Woods Edition Songbook* Penguin From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and

Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the

most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long

wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost.

Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers)

.
Red Wolf Kids
Can Press Ltd
Murder, mutilation, cannibalism, infanticide, and incest: the darker side of classic

fairy tales is the subject of this groundbreaking and intriguing study of Jacob and Wilhelm Grimm's Nursery and Household Tales. This expanded edition includes a new preface and an appendix featuring translations of six tales with commentary by Maria Tatar. Throughout the book, Tatar draws on the disciplinary tools of psychoanalysis and folklore

while also providing historical context to explore the harsher aspects of these stories, presenting new interpretations of tales that engage in a kind of cultural repetition compulsion. No other book so thoroughly challenges us to rethink the happily-ever-after of these classic stories. [Into the Woods](#) Theatre Communications Group It's fast becoming a geek world

out there, and all moms need to show off their tech smarts and superhero-like skills in order to keep their savvy kids entertained and engaged. [Geek Mom: Projects, Tips, and Adventures for Moms and Their 21st-Century Families](#) explores the many fun and interesting ways that digital-age parents and kids can get their geek on together. Imaginative ideas for all ages and budgets

include thrifty Halloween costumes, homemade lava lamps, hobbit feasts, and magical role-playing games. There are even projects for moms to try when they have a few precious moments alone. With six sections spanning everything from home-science experiments to superheroes, this

comprehensive handbook from the editors of Wired.com's popular GeekMom blog is packed with ideas guaranteed to inspire a love of learning and discovery. Along the way, parents will also find important tips on topics such as determining safe online communities for children, organizing a home learning

center, and encouraging girls to love science. Being geeky is all about exploring the world with endless curiosity. Geek Mom is your invitation to introducing the same sense of wonder and imagination to the next generation.
