King Leopold's Ghost Picador

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

More than 6 million copies sold! The classic Christian novel of the crucifixion and one Roman soldier's transformation through faith. At the height of his popularity, Lloyd C. Douglas was receiving an average of one hundred letters a week from fans. One of those fans, a department store clerk in Ohio named Hazel McCann, wrote to Douglas asking what he thought had happened to Christ's garments after the crucifixion. Douglas immediately began working on *The Robe*, sending each chapter to Hazel as he finished it. It is to her that Douglas dedicated this book. A Roman soldier wins Christ's robe as a gambling prize. He then sets forth on a quest to find the truth about the Nazarene—a quest that reaches to the very roots and heart of Christianity. Here is the fascinating story of this young Roman soldier, Marcellus, who was in charge at the crucifixion of Jesus. After he won Christ's robe in a game of dice on Calvary, he experienced a slow and overpowering change in his life. Through the pages of this great book, the reader sees how a pagan Roman was eventually converted to Christ. Set against the vividly drawn background of ancient Rome, this is a timeless story of adventure, faith, and romance, a tale of spiritual longing and ultimate redemption . . .

Heart Of Darkness. The story of the civilized, enlightened Mr. Kurtz who embarks on a harrowing "night journey" into the savage heart of Africa, only to find his dark and evil soul. The Secret Sharer. The saga of a young, inexperienced skipper forced to decide the fate of a fugitive sailor who killed a man in self-defense. As he faces his first moral test the skipper discovers a terrifying truth -- and comes face to face with the secret itself. Heart Of Darkness and The Secret Sharer draw on actual events and people that Conrad met or heard about during his many far-flung travels. In portraying men whose incredible journeys on land and at sea are also symbolic voyages into their own mysterious depths, these two masterful works give credence to Conrad's acclaim as a major psychological writer.

A 2016 Michael L. Printz Honoree "This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear?" New London, Texas. 1937. Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark them. They know the people who enforce them. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people.

With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummeled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, King Leopold's Ghost is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

Now part of the eponymous HBO docuseries written and directed by Raoul Peck, "Exterminate All the Brutes" is a brilliant intellectual history of Europe's genocidal colonization of Africa—and the terrible myths and lies that it spawned "A book of stunning range and near genius. . . . The catastrophic consequences of European imperialism are made palpable in the personal progress of the author, a late-twentieth-century pilgrim in Africa. Lindqvist's astonishing connections across time and cultures, combined with a marvelous economy of prose, leave the reader appalled, reflective, and grateful." —David Levering Lewis "Exterminate All the Brutes," Sven Lindqvist's widely acclaimed masterpiece, is a searching examination of Europe's dark history in Africa and the origins of genocide. Using Joseph Conrad's Heart of Darkness as his point of departure, the award-winning Swedish author takes us on a haunting tour through the colonial past, interwoven with a modern-day travelogue. Retracing the steps of European explorers, missionaries, politicians, and historians in Africa from the late eighteenth century onward, "Exterminate All the Brutes" exposes the roots of genocide in Africa through Lindqvist's own journey through the Saharan desert. As he shows, fantasies not merely of white superiority but of actual extermination—"cleansing" the earth of the so-called lesser races—deeply informed the colonialism and racist ideology that ultimately culminated in Europe's own Holocaust. Conquerors' stories are the ones that inform the self-mythology of the West—whereas the lives and stories of those displaced, enslaved, or killed are too often ignored and forgotten. "Exterminate All the Brutes" forces a crucial reckoning with a past that still echoes in our collective psyche—a reckoning that compels us to acknowledge the exploitation and brutality at the heart of our modern, globalized society. As Adam Hochschild has written, "Lindqvist's work leaves you changed."

Heart of Darkness is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country - even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857-1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella Heart of Darkness [1899], adapted into a film by Francis Ford Coppola in 1979 as *Apocalypse Now*.
