A Transnational History of Right-Wing Terrorism offers new insights into the history of right-wing extremism and violence in Europe, East and West, from 1900 until the present day. It is the first book to take such a broad historical approach to the topic. The book explores the transnational dimension of right-wing terrorism; networks of right-wing extremists across borders, including in exile; the trading of arms; the connection between right-wing terrorism and other forms of far-right political violence; as well as the role of supportive elements among fellow travelers, the state security apparatus and political elites. It also examines various forms of organizational and ideological interconnectedness and what inspires right-wing terrorism. In addition to several empirical chapters on prewar extreme-right political violence, the book features extensive coverage of postwar right-wing terrorism including the recent resurgence in attacks. This book will be of great interest to students and scholars of right-wing extremism, fascism, Nazism, terrorism and political violence.

The West Wing premiered in 1999. That's a long time ago. Back then, we were worrying about the Millennium Bug, paying \$700 for DVD players, and using pagers. 1999: a century ago. And yet, the show continues to have an impact that is arguably unique. If you live or work in DC, references to it are inescapable. People have walked down the aisle to the theme music. Or they've named children, pets, GPS systems, and even an iPhone app after the characters. Or they've started Twitter accounts as the

characters to continue the storyline and comment on current political events. Or they credit it for closer relationships with their family members or a way out of depression. In this anthology of quotes and essays, contributors from six countries, ranging in age from twenty to seventy years old, tell their West Wing stories.

A New York Times Notable Book of the Year * A Washington Post Best Book of the Year (Nonfiction)* * A Kirkus Best Book of the Year* "Jo Becker has written a riveting history of one of America's great court cases. She captures our struggle for freedom and its epic sweep just perfectly. Future generations will turn to her book to understand Proposition 8 from its inception its journey to the Supreme Court, along with special insights into the remarkable DOMA victory led by the legendary Edie Windsor."--David Mixner, LGBT Activist and Author of *Stranger Among Friends* and *Brave Journeys: Profiles in Gay and Lesbian Courage* "[A] riveting legal drama, a snapshot in time, when the gay rights movement altered course and public opinion shifted with the speed of a bullet train... Becker's most remarkable accomplishment is to weave a spellbinder of a tale that, despite a finale reported around the world, manages to keep readers gripped until the very end." --The Washington Post A groundbreaking work of reportage by Pulitzer Prize-winning journalist Jo Becker, *Forcing the Spring* is the definitive account of five remarkable years in American civil rights history, when the United States experienced a tectonic shift on the issue of marriage equality. Focusing on the historic legal challenge of California's ban on same-sex marriage, Becker offers a gripping, behind-the-scenes narrative told with the lightning pace of a great legal thriller. Taking the reader from the Oval Office to the Supreme Court ruling, from state-by-state campaigns to an astounding shift in national public opinion, *Forcing the Spring* is political and legal journalism at its finest.

The brilliant screenplay of the forthcoming film *The Trial of the Chicago 7* by Academy and Emmy Award-winning screenwriter and director Aaron Sorkin. Sorkin's film dramatizes the 1969 trial of seven prominent anti-Vietnam War activists in Chicago. Originally there were eight defendants, but one, Bobby Seale, was severed from the trial by Judge Julius Hoffman—after Hoffman had ordered Seale bound and gagged in court. The defendants were a mix of counterculture revolutionaries such as Abbie Hoffman and Jerry Rubin, and political activists such as Tom Hayden, Rennie Davis, and David Dellinger, the last a longtime pacifist who was a generation older than the others. Their lawyers argued that the right to free speech was on trial, whether that speech concerned lifestyles or politics. *The Trial of the Chicago 7* stars Sacha Baron Cohen, Eddie Redmayne, Frank Langella, and Mark Rylance, among others, directed by Aaron Sorkin. This book is Sorkin's screenplay, the first of his movie screenplays ever published.

THE INSTANT NEW YORK TIMES BESTSELLER "Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The

result is one of the best of the recent flood of Trump tell-alls." —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President's biggest successes, and he shared the blame for some of his administration's worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. Team of Vipers tells the full story, as only a true insider could.

The West Wing has been named 'TV Show of the Year' by Entertainment Weekly, and stars Stockard Channing, Dule Hill, Allison Janney, Rob Lowe, Janel Moloney, Richard Schiff, Martin Sheen, John Spencer, and Bradley Whitford. The West Wing Script Book is a unique volume containing six scripts from the television phenomenon - winner of 22 Emmy Awards, including Outstanding Drama Series. The show has also won the Producers Guild Award,

Directors Guild Award, Writers Guild Award, Screen Actors Guild Award, Golden Globe, Humanitas Prize and the Peabody Award. Now, for the first time, you can relive your favourite moments from these superlative scripts. This volume includes some of the most emotive and best-loved episodes from the first two series, including the Emmy Award winning *In the Shadow of Two Gunmen*. Also featured is an exclusive interview with creator, writer and director Aaron Sorkin, who explains how this idea for a political drama show became one of the most successful of all time, despite being told that 'shows about politics don't work'. These scripts demonstrate TV at its best, and are a thing to treasure and savour, time and time again. 'President Barlet... is the best world leader that never was. Then there's the writing, the reason that *The West Wing* is so good. Sometimes... the dialogue reaches such levels of perfection, I could weep.' Evening Standard 'With this wonderful political drama, the writer Aaron Sorkin has created a cast of "savvy political operatives" who you would not only want to run the country, but wouldn't mind letting into your life. The sense of brilliant people behaving honourably cannot fail to be moving: in the George Dubya age, we need this more than ever.' The Times 'When it's like this - fast, funny, moving and smart - *The West Wing* is about as good as TV gets.' Mirror 'The show remains one of TV's most satisfying hours, a savvy blend of great acting, whip-smart dialogue and grand gestures. If ever the time were ripe for a romantic salute to the value of public service, now would seem to be it.' Robert Bianco, USA Today 'The TV show of the Year! Prime-time's snuggliest blanket in which to curl up, *The West Wing* is terrific and only getting better. Grade: A.' Ken Tucker, Entertainment Weekly *The West Wing* CreateSpace 'Riveting . . . Essential reading' GUARDIAN 'Packed with hair-raising revelations' OBSERVER The definitive behind-the-scenes story of Trump's final year in office, by Philip Rucker and Carol Leonnig, the Pulitzer Prize winning reporters and authors of the #1 New York Times bestseller, *A Very Stable Genius* The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election

fraud? To answer these questions, Philip Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members—Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power.

Eminent scholars Peter C. Rollins and John O'Connor make an important contribution to the field with an eclectic mix of essays, which translate visual language into on-screen politics. While the series may be criticized as "idealistic," its clever techniques of camera work, lighting, editing, and mise en scene reflect America's best image of itself, and entertains a loyal audience that desperately wants to believe in the nobility of the American dream. This collection introduces readers to the sensibilities to appreciate the show's nuances and the necessary knowledge to avoid any misreadings. It will be of interest to students of politics, popular culture, fans and critics alike.

The Obama White House staff invites us behind-the-scenes of history for a deeply personal and moving look at the presidency and how the president's staff can change the nation "West Wingers is exceptional. . . . We have so much to learn from these stories." —Joe Biden When we elect a president, we elect with

them an entire team that will join them in the West Wing to help run the country. Each of these staffers has a story to tell, and in *West Wingers*, Barack Obama's White House staff reveals how these extraordinary citizens shape the presidency and the nation. In these moving and revealing personal stories, eighteen Obama staffers bring us deep inside the presidency, offering intimate accounts of how they made it to the White House, what they witnessed, and what they accomplished there. We hear from a married gay staffer pushing the president towards marriage equality; a senior aide working to implement the Affordable Care Act while battling Stage IV cancer; a hijab-wearing Muslim adviser accompanying the President to a mosque. In each one we see the human face of government, staffers devoting themselves to the issues that have defined their lives. From the triumphs of Obamacare and marriage equality to the tragedy of the Charleston shooting, this book tells the history of the Obama presidency through the men and women who worked tirelessly to support his vision for America. More than just a history though, *West Wingers* is an inspiring call to arms for public service, a testament to the possibility of real social change, and a powerful demonstration of what true diversity, inclusivity, and progress can look like in America. "These deeply moving stories offer more than a fascinating view into the window of history: they show us how hope becomes real, sustainable change." —Valerie Jarrett, former senior advisor to President Obama

On the heels of their six-time Academy Award®-winning smash, *La La Land*, Oscar®-winning director Damien Chazelle and star Ryan Gosling reteam for Universal Pictures' *First Man*, the riveting story of NASA's mission to land a man on the moon, focusing on Neil Armstrong and the years 1961-1969. A visceral, first-person account, based on the book by James R. Hansen, the movie explores the sacrifices and the cost--on Armstrong and on the nation--of one of the most dangerous missions in history. *First Man: The Annotated Screenplay* is the official companion to the

movie, and features a wealth of stunning photography, alongside the full shooting script. Academy Award®-winning screenwriter Josh Singer (Spotlight) and James R. Hansen, whose book *First Man* is the only authorized biography of Armstrong, provide an in-depth commentary on the challenges of dramatizing a fact-based historical motion picture. Exclusive annotations separate those facts from the dramatic fictions the filmmakers utilized, as well as explain the overarching dramatic choices made in telling the story of the man behind the icon.

The virulent new brand of Islamic extremism threatening the West In November 2015, ISIS terrorists massacred scores of people in Paris with coordinated attacks on the Bataclan concert hall, cafés and restaurants, and the national sports stadium. On Bastille Day in 2016, an ISIS sympathizer drove a truck into crowds of vacationers at the beaches of Nice, and two weeks later an elderly French priest was murdered during morning Mass by two ISIS militants. Here is Gilles Kepel's explosive account of the radicalization of a segment of Muslim youth that led to those attacks—and of the failure of governments in France and across Europe to address it. It is a book everyone in the West must read. Terror in France shows how these atrocities represent a paroxysm of violence that has long been building. The turning point was in 2005, when the worst riots in modern French history erupted in the poor, largely Muslim suburbs of Paris after the accidental deaths of two boys who had been running from the police. The unrest—or "French intifada"—crystallized a new consciousness among young French Muslims. Some have fallen prey to the allure of "war of civilizations" rhetoric in ways never imagined by their parents and grandparents. This is the highly anticipated English edition of Kepel's sensational French bestseller, first published shortly after the Paris attacks. Now fully updated to reflect the latest developments and featuring a new introduction by the author, *Terror in France* reveals the truth about a virulent new

wave of jihadism that has Europe as its main target. Its aim is to divide European societies from within by instilling fear, provoking backlash, and achieving the ISIS dream—shared by Europe's Far Right—of separating Europe's growing Muslim minority community from the rest of its citizens.

The *Grand Budapest Hotel* recounts the adventures of Gustave H (Ralph Fiennes), a legendary concierge at a famous European hotel between the wars, and Zero Moustafa (Tony Revolori), the lobby boy who becomes his most trusted friend. Acting as a kind of father figure, M. Gustave leads the resourceful Zero on a journey that involves the theft and recovery of a priceless Renaissance painting; the battle for an enormous family fortune; a desperate chase on motorcycles, trains, sledges and skis; and the sweetest confection of a love affair all against the backdrop of a suddenly and dramatically changing Continent. Inspired by the writings of Stefan Zweig, *The Grand Budapest Hotel* recreates a bygone era through its arresting visuals and sparkling dialogue. The charm and vibrant colors of the film gradually darken with a sense of melancholy as the forces of history conspire against our hero and his vanishing way of life. Written and directed by Wes Anderson, whose films include *The Royal Tenenbaums*, *Moonrise Kingdom*, and *Fantastic Mr. Fox*. The film also stars Jude Law, Tilda Swinton, Edward Norton, Jeff Goldblum, Harvey Keitel, Adrian Brody, Saoirse Ronan, Lea Seydoux, Bill Murray and Owen Wilson.
