The Gringo Champion Algonquin Books

In *13 Colors of the Honduran Resistance*, feminist author and activist Melissa Cardoza tells 13 stories about women from the Honduran resistance in the aftermath of the June 28th, 2009 coup against President Manuel Zelaya. On that day, led by a U.S.-trained General, the Honduran military barged in to the president's house and took him in his pajamas into a helicopter, flying him first to a U.S. base in Honduras and then on to Costa

Rica. It was the first coup of the 21st century in Central America. The military and Honduran oligarchy quickly imposed an interim government, undid most of the progressive reforms underway, and passed hundreds of concessions to corporate interests. To the surprise of the coup's backers, however, thousands of people around the country spontaneously came out into the streets. Their numbers and the depth of their vision and commitment kept growing during hundreds of days of consecutive protest, with fearless women at the forefront. Melissa calls those the times "when protests were poetry in the streets." *13 Colors of the Honduran Resistance* is her most intimate and impactful work to date. It is a book about the multiple and intersectional identities of those who found each other in the streets through the resistance. It is a book about what they share, not just with each other but with all people who struggle for a more just world. Melissa weaves the stories of 13 women together in a way that leaves readers unfamiliar with the events surrounding the coup and resistance in Honduras convinced of their fundamental importance to liberation struggles everywhere. This bilingual edition is the product of collaboration with translator Matt Ginsberg-Jaeckle, who was introduced to the author by

assassinated indigenous leader Berta Caceres, to whom this edition is dedicated. ---En 13 Colores de la Resistencia Hondureña, la luchadora feminista y autora Melissa Cardoza cuenta 13 historias de mujeres de la resistencia hondureña después del golpe de Estado del 28 de julio de 2009 en contra del Presidente Manuel Zelaya. Ese día, los militares hondureños allanaron la casa del Presidente y lo llevaron en pijamas a un helicóptero, pasando primero por una base militar de EE.UU. en Honduras y luego a Costa Rica. Dirigidos por el General Hondureño Romeo Vásquez Velásquez, entrenado en la Escuela de las Américas en EE.UU., llevaron a cabo el primer golpe de Estado del siglo veintiuno en Centroamérica. Los militares y la oligarquía hondureña rápidamente impusieron un gobierno interino, deshicieron la mayor parte de las reformas progresivas que habían empezado y aprobaron cientos de concesiones para las empresas privadas. Pero los golpistas fueron sorprendidos cuando miles de personas en todo el país salieron espontáneamente a las calles. El número de gente, así como la profundidad de su visión y compromiso durante cientos de días de movilización consecutiva, continuaron creciendo con mujeres valientes siempre en las primeras filas. Melissa describe esa etapa como los tiempos "cuando las manifestaciones eran poesía en las calles". 13 Colores de la Resistencia Hondureña es su obra más íntima e impactante hasta la fecha. Como sugiere el título, es un libro sobre las identidades plurales e interseccionales de quienes se encontraron en las calles por medio de la resistencia. Es un libro sobre lo que comparten, no solamente entre sí, sino con todos los pueblos que luchan por un mundo más justo. Melissa teje las historias de estas 13 mujeres juntas de tal forma que el lector o la lectora, sin conocimiento previo de los eventos del golpe de Estado y de la resistencia en Honduras, termina convencido de su importancia fundamental para las luchas de liberación en todas partes. Esta edición bilingüe es producto de una colaboración con traductor Matt Ginsberg-Jaeckle, quien conoció a la autora a través de la lideresa indígena asesinada Berta Caceres, a quien esta edición está dedicada.

On the Plain of Snakes Oxfam

In the spirit of *Midnight Express* and *Not Without My Daughter* comes the harrowing true story of an American held in a Nicaraguan prison for a murder he didn't commit. Eric Volz was in his late twenties in 2005 when he moved from California to Nicaragua. He and a friend cofounded a bilingual magazine, *El Puente*, and it proved more successful than they ever expected. Then Volz met Doris Jiménez, an incomparable beauty from a small Nicaraguan beach town, and they began a passionate and meaningful relationship. Though the relationship ended amicably less than a year later and Volz moved his business to the capital city of Managua, a close bond between the two endured. Nothing prepared him for the phone call he received on November 21, 2006, when he learned that Doris had been found dead--murdered--in her seaside clothing boutique. He rushed from Managua to be with her friends and family, and before he knew it, he found himself accused of her murder, arrested, and imprisoned. Decried in the press and vilified by his onetime friends, Volz suffered horrific conditions, illness, deadly inmates, an angry lynch mob, sadistic guards, and the merciless treatment of government officials. It was only through his dogged persistence, the tireless support of his friends and family, and the assistance of a former intelligence operative that Eric was released, in December 2007, after more than a year in prison. A story that made national and international headlines, this is the first and only book to tell Eric's absorbing, moving account in his own words. Visit the companion Exhibit Hall at the *Gringo Nightmare* website for additional photos, audio clips, video, case

files, and more.

A Place to Stand Full Court Press

In *Gregory Peck: A Biography*, Gary Fishgall meticulously recounts Peck's influential life, revealing the effects of the actor on the film industry and of the film industry on the actor."--BOOK JACKET.

Enrique's Journey Ballantine Books

NEW YORK TIMES BESTSELLER • AN ALL-ENCOMPASSING GUIDE THAT PARENTS WILL WANT FOR THEIR TEENS This thorough, concise guide offers straight talk about: • The male and female body as it changes and matures. • Teen relationships: what it takes to create happy, supportive, positive, and meaningful connections with family, friends, and others. • Identity empowerment: how to be authentic and thrive in today's world. • Sex and sexuality for boys and girls: how teens should take care of their bodies, embrace their experiences, and strengthen self-esteem. • Strategies for working through the toughest challenges, including bullying, sexual abuse, eating disorders, pregnancy, and more. Praise for *Being a Teen* "A frank and candid resource for adolescents."—People "Fonda's warmth and love for the teen community is evident."—Publishers Weekly "Clear, practical, and riveting, *Being a Teen* cuts away at myth, enhances teens' self-esteem, and arms them with a trove of useful information. Beautifully organized . . . Any parent, teacher, coach, or doctor needs to read this authoritative guide. What a lifesaver for our boys and girls!"—William S. Pollack, PhD, author of the international bestseller *Real Boys* and Associate Clinical Professor, Department of Psychiatry at Harvard Medical School "Being a Teen should be in the hands of every teen in the world. It is a myth-busting, fact-filled treasure full of life information all teens want and need to know."—Christiane Northrup, M.D., New York Times bestselling author of *Women's Bodies, Women's Wisdom* "Clear, unflinching, and nonjudgmental . . . a reliable guide to the turbulent physical and social transitions of adolescence."—Michael Kimmel, Distinguished Professor of Sociology and Gender Studies, Stony Brook University, and author of *Guyland* "A comprehensive, honest, fun-to-read book for today's teenagers. This delightful book will be used again and again."—The Reverend Debra W. Haffner, president, Religious Institute, and author of *From Diapers to Dating* "Detailed, accurate and practical . . . an excellent resource."—Paul Kivel, author of *Boys Will Be Men*

Children of Cain Back Bay Books

An LA Times Best Book of the Year • A New York Times Editors' Pick • A Newsweek 25 Best Fall Books • A The Millions Most Anticipated Book of the Year "Gripping and beautiful. With the artistry of a poet and the intensity of a revolutionary, Lovato untangles the tightly knit skein of love and terror that connects El Salvador and the United States." —Barbara Ehrenreich, author of *Natural Causes* and *Nickel and Dimed* An urgent, no-holds-barred tale of gang life, guerrilla warfare, intergenerational trauma, and interconnected violence between the United States and El Salvador, Roberto Lovato's memoir excavates family history and reveals the intimate stories beneath headlines about gang violence and mass Central American migration, one of the most important, yet least-understood humanitarian crises of our time—and one in which the perspectives of Central Americans in the United States have been silenced and forgotten. The child of Salvadoran immigrants, Roberto Lovato grew up in 1970s and 80s San Francisco as MS-13 and other notorious Salvadoran gangs were forming in California. In his teens, he lost friends to the escalating violence, and survived acts of brutality himself. He eventually traded the violence of the streets for human rights advocacy in wartime El Salvador where he joined the guerilla movement against the U.S.-backed, fascist military government

responsible for some of the most barbaric massacres and crimes against humanity in recent history. Roberto returned from war-torn El Salvador to find the United States on the verge of unprecedented crises of its own. There, he channeled his own pain into activism and journalism, focusing his attention on how trauma affects individual lives and societies, and began the difficult journey of confronting the roots of his own trauma. As a child, Roberto endured a tumultuous relationship with his father Ramón. Raised in extreme poverty in the countryside of El Salvador during one of the most violent periods of its history, Ramón learned to survive by straddling intersecting underworlds of family secrets, traumatic silences, and dealing in black-market goods and guns. The repression of the violence in his life took its toll, however. Ramón was plagued with silences and fits of anger that had a profound impact on his youngest son, and which Roberto attributes as a source of constant reckoning with the violence and rebellion in his own life. In *Unforgetting*, Roberto interweaves his father's complicated history and his own with first-hand reportage on gang life, state violence, and the heart of the immigration crisis in both El Salvador and the United States. In doing so he makes the political personal, revealing the cyclical ways violence operates in our homes and our societies, as well as the ways hope and tenderness can rise up out of the darkness if we are courageous enough to unforget.

Gregory Peck Little, Brown

The first major collection of writings by civil rights leader Cesar Chavez One of the most important civil rights leaders in American history, Cesar Chavez was a firm believer in the principles of nonviolence, and he effectively employed peaceful tactics to further his cause. Through his efforts, he helped achieve dignity, fair wages, benefits, and humane working conditions for hundreds of thousands of farm workers. This extensive collection of Chavez's speeches and writings chronicles his progression and development as a leader, and includes previously unpublished material. From speeches to spread the word of the Delano Grape Strike to testimony before the House of Representatives about the hazards of pesticides, Chavez communicated in clear, direct language and motivated people everywhere with an unflagging commitment to his ideals. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Long Honduran Night Random House Trade Paperbacks

"An excellent account and analysis of the Mexican Revolution, its background, its course, and its legacy . . . an important contribution [and] a must read!" (Samuel Farber, author of *Cuba Since the Revolution of 1959*). The most significant event in modern Mexican history, the Mexican Revolution of 1910-20 remains a subject of debate and controversy. Why did it happen? What makes it distinctive? Was it even a revolution at all? In *The Mexican Revolution*, Stuart Easterling offers a concise chronicle of events from the fall of the longstanding Díaz regime to Gen. Obregón's ascent to the presidency. In a comprehensible style, aimed at students and general readers, Easterling sorts through the revolution's many internal conflicts, and asks whether or not its leaders achieved their goals.

Everybody Had His Own Gringo Duke University Press

The author of "Across the Wire" offers brilliant investigative reporting of what went wrong when, in May 2001, a group of 26 men attempted to cross the Mexican border into the desert of southern Arizona. Only 12 men came back out. "Superb . . .

Nothing less than a saga on the scale of the Exodus and an ordeal as heartbreaking as the Passion . . . The book comes vividly alive with a richness of language and a mastery of narrative detail that only the most gifted of writers are able to achieve.--"Los Angeles Times Book Review."

Gordo Delacorte Books for Young Readers

One of Publishers Weekly's Top 10 Fiction Books from 2020.

Longlisted for the Carnegie Medal for Excellence and the Joyce Carol Oates prize. One of Exile in Bookville's Favorite Books of 2020.

In *The Last Great Road Bum*, Héctor Tobar turns the peripatetic true story of a naive son of Urbana, Illinois, who died fighting with guerrillas in El Salvador into the great American novel for our times. Joe Sanderson died in pursuit of a life worth writing about. He was, in his words, a "road bum," an adventurer and a storyteller, belonging to no place, people, or set of ideas. He was born into a childhood of middle-class contentment in Urbana, Illinois and died fighting with guerillas in Central America. With these facts, acclaimed novelist and journalist Héctor Tobar set out to write what would become *The Last Great Road Bum*. A decade ago, Tobar came into possession of the personal writings of the late Joe Sanderson, which chart Sanderson's freewheeling course across the known world, from Illinois to Jamaica, to Vietnam, to Nigeria, to El Salvador—a life determinedly an adventure, ending in unlikely, anonymous heroism. *The Last Great Road Bum* is the great American novel Joe Sanderson never could have written, but did truly live—a fascinating, timely hybrid of fiction and nonfiction that only a master of both like Héctor Tobar could pull off.

13 Colors of the Honduran Resistance Zondervan

A story of resistance, repression, and US policy in Honduras in the aftermath of a violent military coup.

Don't be afraid Gringo Blackstone Publishing

A New York Times Notable Book for 2011 A Boston Globe Best

Fiction Book of 2011 The great panoramic social novel that Los

Angeles deserves—a twenty-first century, West Coast Bonfire of

the Vanities by the only writer qualified to capture the city in all

its glory and complexity With *The Barbarian Nurseries*, Héctor

Tobar gives our most misunderstood metropolis its great

contemporary novel, taking us beyond the glimmer of Hollywood

and deeper than camera-ready crime stories to reveal Southern

California life as it really is, across its vast, sunshiny sprawl of

classes, languages, dreams, and ambitions. Araceli is the live-in

maid in the Torres-Thompson household—one of three Mexican

employees in a Spanish-style house with lovely views of the

Pacific. She has been responsible strictly for the cooking and

cleaning, but the recession has hit, and suddenly Araceli is the

last Mexican standing—unless you count Scott Torres, though

you'd never suspect he was half Mexican but for his last name

and an old family photo with central L.A. in the background. The

financial pressure is causing the kind of fights that even Araceli

knows the children shouldn't hear, and then one morning, after a

particularly dramatic fight, Araceli wakes to an empty

house—except for the two Torres-Thompson boys, little aliens

she's never had to interact with before. Their parents are

unreachable, and the only family member she knows of is Señor

Torres, the subject of that old family photo. So she does the only

thing she can think of and heads to the bus stop to seek out their

grandfather. It will be an adventure, she tells the boys. If she only

knew . . . With a precise eye for the telling detail and an unerring

way with character, soaring brilliantly and seamlessly among a

panorama of viewpoints, Tobar calls on all of his experience—as a

novelist, a father, a journalist, a son of Guatemalan immigrants,

and a native Angeleno—to deliver a novel as broad, as essential,

as alive as the city itself.

The Stone World Harper Collins

Written by a pastor and father who has walked a painful road, *Hope When Life Unravels* explores the encouraging, upside-down truths of the book of Job, and other key Bible passages, to remind us of the ways God is present in our pain. Why does God allow suffering? And why does God seem to go silent when we're in pain? In *Hope When Life Unravels*, Dr. Adam Dooley, pastor and host of the daily radio broadcast *A Better Way*, searches for answers to our biggest questions about suffering as he shares his son Carson's story of battling leukemia. Adam speaks openly about the gut-wrenching struggle his family endured for three years of life-threatening illness and how God met them in their hours of need—even when it wasn't in the ways they wanted. And, along with his own story, Adam takes readers through the story of Job, unpacking insights about God's character, his love, and how we can stay connected to him even during seasons of pain. Both inspiring and comforting, *Hope When Life Unravels* invites us to draw closer to a God who is often active in our lives in times when we have trouble seeing him the most.

An Organizer's Tale Open Road + Grove/Atlantic

Garvin, who covered the war in Nicaragua for the *Washington Times* from 1983-1989, presents a partisan but not uncritical account of the contras: who they were, why they fought, how their US allies helped and hindered them. Annotation copyrighted by Book News, Inc., Portland, OR

Ringside Seat to a Revolution Eamon Dolan Books

Legendary travel writer Paul Theroux drives the entire length of the US-Mexico border, then goes deep into the hinterland, on the back roads of Chiapas and Oaxaca, to uncover the rich, layered world behind today's brutal headlines. Paul Theroux has spent his life crisscrossing the globe in search of the histories and peoples that give life to the places they call home. Now, as immigration debates boil around the world, Theroux has set out to explore a country key to understanding our current discourse: Mexico. Just south of the Arizona border, in the desert region of Sonora, he finds a place brimming with vitality, yet visibly marked by both the US Border Patrol looming to the north and mounting discord from within. With the same humanizing sensibility he employed in *Deep South*, Theroux stops to talk with residents, visits Zapotec mill workers in the highlands, and attends a Zapatista party meeting, communing with people of all stripes who remain south of the border even as their families brave the journey north. From the writer praised for his "curiosity and affection for humanity in all its forms" (*New York Times Book Review*), *On the Plain of Snakes* is an exploration of a region in conflict.

In the Time of the Butterflies Haymarket Books

Johnny Rico is back. After risking his life as an Afghanistan stop-loss soldier, an experience he described in the cult phenomenon *Blood Makes the Grass Grow Green*, he now dares to embed himself on both sides of America's most dangerous domestic conflict—the war for and against illegal immigration—in an exhilarating new exercise in immersion journalism. The gonzo author—part Hunter Thompson, part George Plimpton—explores a seemingly insoluble issue by getting his hands dirty and his boots on the ground. As a "typically spoiled American" who doesn't speak a lick of Spanish, he takes it upon himself to try to cross the Mexican border into the United States illegally. Eager to tell the story from all sides—or simply to get good material for his

book—Rico also travels treacherously with the Border Patrol, meets extreme immigrant advocates who publish maps for illegals, visits a modern-day "underground railroad" in Texas, and hunts for miscreants with angry vigilantes. In such hot spots as the Tecate Line, a forty-five-mile stretch of hills on California's southern fringe, and Arizona's Amnesty Trail, the single busiest part of the U.S. border, Rico encounters Los Zetas, the paramilitary group that has taken over Mexico's drug cartels, interviews the volunteer Minutemen, who believe in an imminent and apocalyptic Mexican invasion, and tries to recruit coyotes (human smugglers, usually fortified by meth and cocaine). In his heedless and openly opportunistic style, Rico unearths more truths about this explosive subject than most traditional reporters could ever hope to. *Border Crosser* is another knockout from this new-generation journalist, at once a concerned citizen, courageous spy, and unparalleled author.

The House of Broken Angels Createspace Independent Publishing Platform

In the 1930s, Américo Paredes, the renowned folklorist, wrote a novel set to the background of the struggles of Texas Mexicans to preserve their property, culture and identity in the face of Anglo-American migration to and growing dominance over the Rio Grande Valley. Episodes of guerilla warfare, land grabs, racism, jingoism, and abuses by the Texas Rangers make this an adventure novel as well as one of reflection on the making of modern day Texas. George Washington Gñmez is a true precursor of the modern Chicano novel.

The Old Gringo Grove Press

In *The Old Gringo*, Carlos Fuentes brings the Mexico of 1916 uncannily to life. This novel is wise book, full of toughness and humanity and is without question one of the finest works of modern Latin American fiction. One of Fuentes's greatest works, the novel tells the story of Ambrose Bierce, the American writer, soldier, and journalist, and of his last mysterious days in Mexico living among Pancho Villa's soldiers, particularly his encounter with General Tomas Arroyo. In the end, the incompatibility of the two countries (or, paradoxically, their intimacy) claims both men, in a novel that is, most of all, about the tragic history of two cultures in conflict.

The Last Gringo Vintage

The Pushcart Prize-winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking" tale of triumph over brutal adversity (*The Nation*). Jimmy Santiago Baca's "astonishing narrative" of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (*Arizona Daily Star*). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —*Fort Worth Star-Telegram* "A hell of a book, quite literally. You won't soon forget it." —*The San Diego U-T* "This book will have a permanent place in American letters." —Jim Harrison, *New York Times*-bestselling author of *A Good Day to Die*
