The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation, and explains the symbolic use of numbers, colors and the

foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end-times that we are assuredly apart. The guide takes the reader verse by verse; chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Triumph and Terror: Revelation D the Truth for End Times is a Study Guide appropriate as a resource for Christians of all denominations. The goal of the Study is to strengthen readers' faith and understanding, as well as to challenge and stimulate the thinking of all who seek. It aims to provide a straightforward, uncomplicated narration of our Lord's glorious Revelation. The writing of *Triumph and Terror...* is presented in a chapter-by-chapter commentary dealing concisely with each and every verse. Comments critical to the reader's understanding are carefully supported by and referenced to scripture; moreover, to

simplify the reading for young Christians and impatient seekers, quite often the referred scripture is quoted. Seldom does the manuscript allow supposition. The Study is strengthened and enhanced by the inclusion of ten teaching appendices, a ten-page glossary of terms and a brief synopsis at the beginning of each chapter. The approach is intentionally direct and the language written simply so that it is appropriate for the lay reader. Prayerfully, the writer has attempted to coherently unravel the mysteries of the Revelation and clearly present the ideas and themes that are complex and interwoven. The simplicity of the Study responds to a pressing need in both the Christian and secular world: never before has there been such urgent seeking for answers as to what the future holds for humankind. In some instances, the Study confirms currently accepted theological ideology; however, in other areas it opens discussions never before pursued. It carefully documents, through scripture and historical records, the answers to questions that are as old as Daniel, while opening insight into passages which have generally been avoided by most scholars. Through consistent use of scripture, it informs and challenges teachings that have hitherto been unchallenged.

Revelation 12-22 MacArthur New Testament Commentary

Thomas Nelson

Have you ever experienced competing in a game when it seemed like your opponent was so fierce, so challenging, so strong that you thought that you were going to lose? Or have you ever felt the strength of your opponent that you felt like you were a grasshopper in the eyes of giants? Well, this is what the book of revelation is all about. It's a book that inspires us as believers to be faith giants and to view our spiritual enemies as grasshoppers in our eyes; with that faith we can conquer and defeat anything that the enemy throws at us. The purpose of this prophetic book is to give instructions, commendations, as well as warnings of discipline to the seven Churches of Asia Minor. Even though it was written for them, it will do us well if we truly glean from its spiritual treasures. It is a book of eschatology, a divine plan given by God about the end-times that warns unbelievers about God's wrath and judgment. Not only does it warn the unsaved about God's oncoming judgment, but it also gives joy to the faithful, who will be caught up during the Rapture and who will not have to experience or go through the seven-year tribulation period

that will take place on earth after the church gets Raptured up to meet Christ in the air. It is also a book that encourages believers to stay faithful to Christ until the end of time. Why? Because we win! It is a book that prepares and reminds those who accept Christ during the tribulation period that despite the Antichrist's demonic attacks, we will triumph with Christ in the end. Even though this book is full of symbolism and various interpretations, God's divine plan will be revealed by way of the Holy Spirit. This is what the word revelation means. It means to uncover or to unveil. Therefore, if there is ever a time that you thought that you were going to lose this Christian battle, be of good cheer. We win! Again, I say, as you face the trials and tribulations of the devil, be of good courage. You are on the right team!

Revelation of John Britt Gillette

Revelation Now is an overview of the New Testament Book of Revelation with Old Testament references. It offers apocalyptic perspectives on what global life is like in a changing world while it also provides fresh insights on human behavior under turbulence and duress. Through insightful passages of scripture, contemporary conditions in the world and analysis of human personality, the book deals with global society, world governance, ancient world history, and faith challenges. The book begins by dealing with the historical context of world empires during the time when ancient nations were active participants in the collective life of a developing Hebrew people. It presents a more comprehensive view of the role of ancient empires in the theological drama of faith versus the influence of nations interacting with Israel, while it addresses the hidden role of empire influence as it affects faith and people committed to God. In summation, Revelation Now progresses from examining the historic seven churches of Asia Minor to the actions of a disguised beastly power that affects world ideology, religion, and

materialistic commerce. Ultimately, the purpose of the book is to bring deeper enlightenment in analyzing the contemporary plight of humanity.
