This volume explores
 corporate governance
 from three
 perspectives: a
 traditional economic, a
 philosophical, and an
 integrated business
 ethics perspective.
 Corporate governance
 has enjoyed a long

tradition in the English-speaking world of management sciences. Following its traditional understanding it is defined as leadership and control of a firm with the aim of securing the long-term survival and viability of that firm. But recent business scandals and financial crises continue to provide ample cause for concern and have all fuelled interest in the ethical aspects. As a result, corporate governance has been criticized by many social groups. Economic sciences have failed to provide a clear definition of the corporate governance concept. Complexity increases if we embed the economic approach of corporate governance in a philosophical context.

This book seeks to define the concept by examining its economic, philosophical and business ethics foundations.

 The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever applicable. The whole book has been updated and corrections made wherever required. Theory and accounting treatment has been revised as per Accounting Standards - 4 (Revised) and Companies (Amendment) Act, 2019. Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional institutes. Salient Features of the Book
 The following features

are worth nothing in the present text: • The illustrations and assignment material has been made to conform to the requirements of Schedule III of the Companies Act, 2013. The relevant problems/solutions has also been revised. • The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements regarding Proposed final dividend has been incorporated at relevant pages and the illustrations amended accordingly. • The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book. • In the chapter of Redemption of

Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been also summerised in the chapter. • All chapters have been revised and udapted. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations. *Cost Accounting (For B. by Bhavnagar University like B.Sc.Nursing. There is a set of old question papers of third year. *NEP Corporate Law B. Com. 3rd Sem* Sultan Chand & Sons This book has been written specifically for the students of BCom (Hons) of the University of Delhi in accordance with its prescribed syllabus and that of School of Open Learning. Its basic features are the same as the mother book *Cost Accounting—Principles and Practice*, which is a UGC recommended text for the last many years. Thus, it gives a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been organized on 'first things first' basis to

sustain the interest of the students. Every discussion involving conceptual difficulties is immediately followed by a numerical example.

A tender blossom at 18, Moga Kuber, was burdened: running the home, school teaching, and continuing college to fulfill her dreams...

Moga's dreams were sown by her poor father's ambition! She completes her Master's in English Literature and lands the plum job of 'Lecturer' in the College Uphill. Right at the beginning, Moga sets goals for herself ?- Whilst nurturing the young minds to dream, Moga strives painstakingly and succeeds in

establishing both UG and PG courses in English Literature in the College Uphill. A strict disciplinarian, Moga is both admired and reviled in equal measure. Moga's vision and dedication inspire her well-wishers, whereas her detractors only want to use her to discredit her. Does Moga lose hope and give up? Or, does love for her profession conquer all?

This book is essential for academics that enter the field of higher education and training, as it focuses on preparing teachers and trainers to respond appropriately to student success

challenges. Student success is a burning issue, both globally and locally. While student achievement is determined by a combination of factors, teachers and their teaching practices do matter. Higher education teachers are expected to fulfil different roles at different times, such as planning for curriculum implementation, mentorship and coaching, facilitating learning, resource development, and student assessment. Against this background the primary purpose of Empowering novice academics for student success: Wearing different hats is building the capacity of novice teachers and trainers to play an influential role in

increasing student success throughput.

Inspector Ghote, 'one
of the great creations

of detective fiction' (Alexander McCall Smith), investigates the curious case of a stolen exam paper in this classic mystery - with a brand-new introduction by bestselling author Vaseem Khan. Bombay University is in the grip of a cheating scandal, centred on one of its most deplorable colleges. A final exam paper has been stolen and sold prior to the test, leading to calls for the principal's immediate resignation. The prime suspect for the theft, the student Bala Chambhar, is in a coma, after taking an overdose of sleeping pills. Inspector Ganesh Ghote of the Bombay CID is sent in to wrap up what appears to be a straightforward case: how did Bala steal the paper from Principal

Bembalkar's locked office? But what he finds soon leads him to ask a different question: did Bala try to take his own life - or was he poisoned? Hindered by student protests, and under pressure from his superiors, Ghote investigates with his usual thoroughness, only to find corruption, scandal and chaos wherever he looks . . .

Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly),

but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always

hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. "Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures."--MICHAEL DEAN MCDONALD, the Bible Project
