A New York Times Bestseller! Based on the #1 New York Times bestselling picture book sensation *The Good Egg*, Jory John and Pete Oswald present: *The Great Eggscape!* *The Great Eggscape* is when the Good Egg and his pals escape their carton and drop into the store for a morning of fun, enjoyed by everybody. Well, almost everybody. Shel (an egg) isn't a huge fan of group activities, especially when he's made to be "It" for a game of hide-and-seek. Nevertheless, Shel doesn't want to let his friends down, so he reluctantly plays, anyway. But after a morning of hiding and seeking, somebody's still missing. Will the dozen eggs friends ever be reunited? Find out in this hilarious egg hunt adventure that reminds us to break out of our shells and help our friends in need!

If you are serious about weight training, you have probably experienced the "plateau phenomenon." You train harder, you consume extra protein in your diet, but you just don't get the strength and power gains that you want. For the last ten years sports nutrition has focused on what to eat. The latest research from leading sports science labs now shows that when you eat may be even more important. Nutrient Timing adds the missing

dimension to sports nutrition, the dimension of time. By timing specific nutrition to your muscle's 24-hour growth cycle, you can activate your body's natural anabolic agents to increase muscle growth and gain greater muscle mass than you ever thought possible. Nutrient Timing is the biggest advance in sports nutrition in over a decade.

Whose Toes are Those? National Geographic Books

The kids in *What I Like About Me*, are as different as night and day. And, guess what? They love it. Some adore the fact that their braces dazzle and gleam, others feel distinguished when they wear their glasses. This fun-loving book, with a mirror included on the last page, proves to kids that, in a world where fitting in is the norm, being different is what makes us special. Helping children learn about diversity, while fostering self-esteem, is what this super-sized Teacher Classroom Pack is all about. Teachers can read the rhyming text of the award-winning *What I Like About Me!* and use the oversized book to focus on differences in nationality, appearance, food, and more. Inviting children to look in the giant mirror will encourage them to think and talk about what they like best about themselves.

Breaking the Ocean Houghton Mifflin Harcourt

"Country Girl is Edna O'Brien's exquisite account of her dashing, barrier-busting, up-and-down life."-National Public Radio When Edna O'Brien's first novel, *The Country Girls*, was published in 1960, it so scandalized the O'Briens' local parish that the book was burned by its priest. O'Brien was undeterred and has since created a body of work that bears comparison with the best writing of the twentieth century. *Country Girl* brings us face-to-face with a life of high drama and contemplation. Starting with O'Brien's birth in a grand but deteriorating house in Ireland, her story moves through convent school to elopement, divorce, single-motherhood, the wild parties of the '60s in London, and encounters with Hollywood giants, pop stars, and literary titans. There is love and unrequited love, and the glamour of trips to America as a celebrated writer and the guest of Jackie Onassis and Hillary Clinton. *Country Girl* is a rich and heady accounting of the events, people, emotions, and landscape that have imprinted upon and enhanced one lifetime.

Speak Up, Molly Lou Melon Houghton Mifflin Harcourt

From legendary author and critic bell hooks and multi-Caldecott Medalist Chris Raschka comes a new way to talk about race and identity that will appeal to parents of the youngest readers. The skin I'm in is just a covering. It cannot tell my story. If you want to know who I am, you have got to come inside and open your heart

way wide. Race matters, but only so much--what's most important is who we are on the inside. Looking beyond skin, going straight to the heart, we find in each other the treasures stored down deep. Learning to cherish those treasures, to be all we imagine ourselves to be, makes us free. This award-winning book, celebrates all that makes us unique and different and offers a strong, timely and timeless message of loving yourself and others.
