The Good Apprentice
Jump At The Sun
This is the untold story
of how black saints -
and the slaves who
venerated them -
transformed the early
modern church. It
speaks to race, the
Atlantic slave trade,

and global Christianity,
and provides new ways
of thinking about
blackness, holiness,
and cultural authority.

Salvation Harper
Collins

A stirring meditation of
being Black and
learning to love in a
loveless, anti-Black
world “Only once in a
lifetime do we come
across a writer like
Danté Stewart, so

young and yet so masterful with the pen. This work is a thing to make dungeons shake and hearts thunder.”—Robert Jones, Jr., New York Times bestselling author of *The Prophets In Shoutin’ in the Fire*, Danté Stewart gives breathtaking language to his reckoning with the legacy of white supremacy—both the kind that hangs over our country and the kind that is internalized on a molecular level. Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage, resilience, and remembrance—and explores how these virtues might function as a work of love against an unjust, unloving world. In 2016, Stewart was a

rising leader at the predominantly white evangelical church he and his family were attending in Augusta, Georgia. Like many young church leaders, Stewart was thrilled at the prospect of growing his voice and influence within the community, and he was excited to break barriers as the church’s first Black preacher. But when Donald Trump began his campaign, so began the unearthing. Stewart started overhearing talk in the pews—comments ranging from microaggressions to outright hostility toward Black Americans. As this violence began to reveal itself en masse, Stewart quickly found himself isolated amid a people unraveled; this

community of faith became the place where he and his family now found themselves most alone. This set Stewart on a journey—first out of the white church and then into a liberating pursuit of faith—by looking to the wisdom of the saints that have come before, including James H. Cone, James Baldwin, and Toni Morrison, and by heeding the paradoxical humility of Jesus himself. This sharply observed journey is an intimate meditation on coming of age in a time of terror. Stewart reveals the profound faith he discovered even after experiencing the violence of the American church: a faith that loves Blackness; speaks truth to pain and

trauma; and pursues a truer, realer kind of love than the kind we're taught, a love that sets us free.

Ending Racism

Convergent Books
Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von

Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Notes on Diana Ross, Dark Girls, and Being Dope HarperCollins
In *Remembered*

Rapture: The Writer at Work, award-winning author and renowned academic “bell hooks reveals the heart of her writing life and the process through which she has come to be known as a ‘visionary feminist’” (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks’s wide-ranging intellectual scope, untangling the complex personae of women writers,

especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read."—The

Philadelphia Inquirer
Salvation Indiana University Press

A chance meeting turned my world inside out. Intelligent, sexy, and rich. With a dash of roguish charm and a cocksure smile, Nathan Blake is the ultimate fantasy. He can have any woman he wants with only a glance. And he wants me. My past has left me broken and humiliated, wary of men like him. I cut myself off from the pain, moving thousands of miles away to escape every

reminder, determined to start anew. I've been second best before. It isn't happening again. One kiss and I'm caught under his spell, drawn to him with every breath I take. I can't resist. The passion that explodes between us becomes an intense connection neither of us thought we'd share. Or need. The suffering inside me reflects his - a pain I know he feels, but can't bring himself to reveal. I have no idea his love can heal me - that mine can heal him... ...if only I can let down my guard for him and trust. Salvation is a captivating story of finding, fighting and finally giving in to a love that is clearly meant to be. This is no ordinary billionaire romance - it is a beautifully tender,

tastefully erotic story with twists and turns that will leave you wanting more.

Black People and Love
Cambridge University Press

Edward Baltram is overwhelmed with guilt. His nasty little prank has gone horribly wrong: He has fed his closest friend a sandwich laced with a hallucinogenic drug and the young man has fallen out of a window to his death. Edward searches for redemption through a reunion with his famous father, the reclusive painter Jesse Baltram. Funny and compelling, *The Good Apprentice* is at once a supremely sophisticated entertainment and an inquiry into the spiritual crises that afflict the modern

world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Belonging

HarperCollins

"A manual for fixing our culture...In writing that is elegant and penetratingly simple, [hooks] gives voice to some things we may

know in our hearts but need an interpreter like her to process.”—Black Issues Book Review
 New York Times bestselling author, acclaimed visionary and cultural critic bell hooks continues her exploration of the meaning of love in contemporary American society, offering groundbreaking, critical insight about Black people and love. Written from both historical and cultural perspectives, *Salvation* takes an incisive look at the transformative power of love in the lives of African Americans. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of Martin Luther King, Jr., James Baldwin, and

Maya Angelou, the liberation movements of the 1950s, 60s, and 70s, or hip hop and gangsta rap culture, hooks lets us know what love’s got to do with it. Combining the passionate politics of W.E.B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation’s wounds from a culture of lovelessness. Her writings on love and its impact on race, class, family, history, and popular culture will help us heal and create beloved American communities.

Sisters of the Yam

BAAE Publishing
 Acclaimed visionary and intellectual, bell hooks began her exploration of the meaning of love in American culture with

the bestselling *All About Love: New Visions*. Here she continues her love song to the nation with the groundbreaking and soul-stirring *Salvation: Black People and Love*. Intimate and revolutionary, *Salvation* is a gift as provocative as it is healing. Written from a historical and cultural perspective, *Salvation* takes an incisive look at the transformative power of love in the lives of African-Americans. Whether talking about the legacy of slavery, relationships, and marriage in black life, the prose and poetry of Martin Luther King Jr., James Baldwin, Malcolm X, and Maya Angelou, the liberation movements of the 1950s, '60s, and '70s, sexual pain or

pleasure, hip-hop and gangsta rap culture, addiction, greed, or the failure of black leadership, hooks lets us know what love's got to do with it. Combining the passionate politics of W. E. B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its inextricable links to race, class, family, history, and popular culture raise one pivotal question: How can we create beloved American communities? *Salvation* is bell hooks's journey to answer this question—an offering for everyone who cares about the souls of black folk.

Salvation and**Suicide** Women's Press (UK)

In the critical essays collected in *Black Looks*, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in *Black Looks* are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers

who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

*Race and**Representation* NYU Press

Traces a season in the infamous Mexican border city where in spite of brutal violence its citizens are held together by a shared love for its hard-luck soccer team, providing coverage of such topics as local drug and human trafficking issues and the contributions of such figures as midfielder Marco Vidal, team owner Francisco Ibarra and mayor José Reyes Ferriz.

The Love Songs of W.E.B. Du Bois Faber & Faber

Kess found a haven in this remote Beta town,

but it would only last if she could keep her Omega nature a secret. Abused by Alphas, unwanted by Betas, she scraped out a quiet, lonely life and tried to heal her broken spirit. But one fateful glimpse of a grizzled Alpha ended her fragile ruse forever. Catching an Alpha's eye was a fate she had feared... Until him. Hunt was tired. A holdover from another time, an Alpha with no family or mate, life had little joy or warmth to offer him. But he was still the most formidable Alpha in these parts, and a sense of duty to his men kept him moving forward. He couldn't have known a stop-over in a small Beta village would change the course of his fate, and certainly never

pictured himself with an Omega of his own... Until her.

The Journey of Ashley's Sack, a Black Family Keepsake William Morrow

In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in

domestic, secular, and sacred life where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

Killing Rage Simon and Schuster

In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could

both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

Salvation Routledge
Winner of the 2018 Award for Excellence in the Study of Religion in Textual Studies, presented by the American Academy of Religion A new perspective on the role of religion in the work of Langston Hughes Langston's *Salvation* offers a fascinating

exploration into the religious thought of Langston Hughes. Known for his poetry, plays, and social activism, the importance of religion in Hughes' work has historically been ignored or dismissed. This book puts this aspect of Hughes work front and center, placing it into the wider context of twentieth-century American and African American religious cultures. Best brings to life the religious orientation of Hughes work, illuminating how this powerful figure helped to expand the definition of African American religion during this time. Best argues that contrary to popular perception, Hughes was neither an avowed atheist nor unconcerned with

religious matters. He demonstrates that Hughes' religious writing helps to situate him and other black writers as important participants in a broader national discussion about race and religion in America. Through a rigorous analysis that includes attention to Hughes's unpublished religious poems, Langston's *Salvation* reveals new insights into Hughes's body of work, and demonstrates that while Hughes is seen as one of the most important voices of the Harlem Renaissance, his writing also needs to be understood within the context of twentieth-century American religious liberalism and of the larger modernist movement. Combining

historical and literary analyses with biographical explorations of Langston Hughes as a writer and individual, Langston's *Salvation* opens a space to read Langston Hughes' writing religiously, in order to fully understand the writer and the world he inhabited.

Breaking Bread

Fortress Press

"Pearson's a common name." "It can't be him." "God wouldn't be that cruel." A painful history Walking into the job interview confirms Ben White's worst fears. It's been eight years since high school, yet he can still recall Wade Pearson's taunts. There's always a chance Wade isn't the same homophobic asshole Ben knew. Yeah right. Except the

boy Ben remembers has grown into one seriously hot, brooding man. In another life, Ben would have climbed him like a tree. Wade's gaze still makes Ben shiver - although now for entirely different reasons. A secret longing As soon as Wade read Ben's application, he knew he had to see him. Ben's still as gorgeous as Wade remembers. It's obvious he doesn't expect to get the job, given their history. But Wade has an agenda. He has to make it up to Ben for treating him so badly - not that Ben will ever know why he acted like he did. Seeing him every day only heightens Wade's regret. If he'd had more courage back then, maybe he and Ben could have been

something. The least he can do is show Ben he's changed. There's no way Wade can get what he really wants - Ben's heart.

American Religion and the Bard of Harlem Bantam

Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About Love: New Visions*. Here she continues her love song to the nation in the groundbreaking and soul-stirring *Salvation: Black People and Love*. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of our most revered artists and leaders, the liberation movements

of the 1950s, '60s, and '70s, or hip-hop and gangsta rap culture, hooks lets us know what love's got to do with it. *Salvation* is work that helps us heal -- and shows us how to create beloved American communities.

Defenseless

HarperCollins

A National Book Critics Circle Finalist in

Autobiography *

Finalist for a Lambda Literary Award *

Named one of the most anticipated books of the year by USA Today, Bitch Magazine, Parade, Salon and Ms. Magazine From a fierce and humorous new voice comes a relevant, insightful, and riveting collection of personal essays on the richness and resilience of black girl culture—for readers of Samantha Irby, Roxane

Gay, Morgan Jerkins, and Lindy West. Shayla Lawson is major. You don't know who she is. Yet. But that's okay. She is on a mission to move black girls like herself from best supporting actress to a starring role in the major narrative. Whether she's taking on workplace microaggressions or upending racist stereotypes about her home state of Kentucky, she looks for the side of the story that isn't always told, the places where the voices of black girls haven't been heard. The essays in *This Is Major* ask questions like: Why are black women invisible to AI? What is "black girl magic"? Or: Am I one viral tweet away from becoming Twitter famous? And: How

much magic does it take to land a Tinder date? With a unique mix of personal stories, pop culture observations, and insights into politics and history, Lawson sheds light on these questions, as well as the many ways black women and girls have influenced mainstream culture—from their style, to their language, and even their art—and how "major" they really are. Timely, enlightening, and wickedly sharp, *This Is Major* places black women at the center—no longer silenced, no longer the minority.

An Enemies to Lovers Salvation Series Romance

Little, Brown
Kingdoms will fall, gods will die, and hearts will be broken in this

sprawling new fantasy from New York Times bestselling author Jodi Meadows. In the middle of nothingness is the Island of Salvation. Reality bends easily here. Villages disappear. Forests burn forever. Pockets of inconsistent time are everywhere, their boundaries strung with yellow ribbon. And the three kingdoms of Salvation have been at war for a thousand years. But the greatest threat is the Malice, an incursion from the demon plane slowly tearing its way through the world's weakest seams. Seams that—once split—will lead to the total unraveling of night and day, light and dark, life and death. Not that the human world takes much interest. Of more concern is the

upcoming marriage of Rune Hightower, Prince of Caberwill, and Johanne Fortuin, Princess of Embria—the serpent bride, a girl of famous cunning—which offers a possible end to the ancient conflict. But Rune has noticed the growing darkness, and he is determined to summon mankind's only defense: Nightrender, the hammer of the gods, an immortal warrior more weapon than girl. There is only one problem. The last time she was summoned, she slaughtered every royal in Salvation, and no one knows why. Will she save humanity from the Malice... or plunge it deeper into the fires of eternal war?

Earphones Award The 2020 National Book Award-nominated poet makes her fiction debut with this magisterial epic—an intimate yet sweeping novel with all the luminescence and force of *Homegoing*; *Sing, Unburied, Sing*; and *The Water Dancer*—that chronicles the journey of one American family, from the centuries of the colonial slave trade through the Civil War to our own tumultuous era. The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl

Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia,

and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

Shoutin' in the Fire

Berkley

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that

patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it’s so deeply ingrained in our society that it’s hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of

their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and

rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.
