### Living the Bhagavad Gita Harmony

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In *Paths to God*, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, *Paths to God* is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives. The faster the world moves, the more important it becomes to slow down and look within for what makes us truly happy. If you measure success by the quality of your life rather than just by material achievements, then the timeless wisdom of this book will speak directly to your heart and soul. For more than fifty years, this classic inspirational guide has helped hundreds of thousands of people to move through obstacles and invite all-round success fully into their lives. Filled with sensible down-to-earth wisdom, *The Law of Success* explores the spiritual sources of creativity, positive thinking, and dynamic will, as well as the success-producing power of self-analysis and meditation. It shows how each one of us can naturally attract happiness and harmony.

Religion or faith in fundamental principles is the foundation upon which the edifice of reasoning or science is built upon. While it is a religion that binds us into courses of action consistent with those fundamental principles, it is a science that enables us to stay clear of inconsistent systems of guiding principles and to practically attain the goals posited by our principles. The Science of Religion by Paramahansa Yogananda arrives by analysis at inner happiness or bliss as the goal that binds all men.

*Paths to God* Prabhat Prakashan

The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."

Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the lessons that Bhagawan teaches through this book.

 This collection of informal counsel provides intimate glimpses into the mind of one of the great spiritual figures of our time. In answering the questions of those who turned to him for guidance, Yogananda expressed himself with candor, spontaneity, and

insight. He knew when to relieve a somber situation with a flash of wit, and was able to transform philosophical truths into simple precepts for everyday living.

A spiritual thought-leader and featured guest on Oprah's SuperSoul Sunday helps us learn to quiet fear and anxiety and discover the powerful wholeness that exists within us all in this inspiring and affirmative guide. Achieving equilibrium in today's age of anxiety can seem like a near-impossible—even frivolous—task. Panache Desai offers a refreshing, surprisingly unusual approach to meet the challenges of the modern moment and heal the fractured self it produces. For Desai, the soul—whole, unbroken, at peace, and one with the life source—isn't a destination. It already exists within each of us, just

waiting to be revealed. It is not something we have to work to develop—it is our birthright. And when we are in union with our soul, we experience a personal evolution that not only illuminates our individual cosmic purpose but helps us to engage the sense of purpose and presence necessary to remake the world itself. *You Are Enough* offers a straightforward, non-judgmental, and approachable process of revealing the soul, of coming into alignment and harmony with our true selves. Combining personal narrative, clear and inspiring philosophy, and prescriptive practices, it reveals that the way through is the way in—that the way through fear, self-doubt, and anxiety is accepting and embracing dissonance and emotional and psychological blockages, so that we can approach our lives and the world from a perspective that understands our fears are not who we are. Desai's goal is simple: to guide readers through radical self-acceptance toward a life of ultimate peace and fulfillment. Beautifully designed, this enlightening volume by a fresh voice shows us that while life may have caused us to forget our power, potential, light, and love, they are always there, just waiting to be discovered.
