 Financial freedom means more than the ability to juggle a paycheck, pick a few good investments, retire at 65, and keep debt levels manageable. True financial freedom involves understanding the psychological, emotional, and intellectual implications of money and wealth, and how to be the master of money, rather than its servant. This book offers: A clear assessment of

your individual money personality and what to do if it differs from your partner's Concise explanations of where personal money attitudes originate Advice on how to teach children a constructive attitude toward money Effective means for setting realistic goals, and tips on how to save and spend money wisely Creative ways to set and stay within a budget Proven methods for staying free and dealing with setbacks along the road to true financial freedom

Minecraft is known as a platform for creativity, and with mods, players can take their gaming experience to another creative level. Mods, short for "modifications," are any software that change Minecraft's original content. Mods can make minor changes or change the entire world—it's all up to the player. Screenshots show mods in action, while STEM and coding sidebars round out the content.

After years as a therapist, Barbra Gilman concluded that most people do not need therapy but are asking deeper questions: What is my relationship to the universe? Who am I? Why am I here? How can I create a successful and happy life for myself and my loved ones? This book, inspired by the author's workshops, *Living Life Eyes Wide Open*, explores these fundamental questions, with 38 exercises to manifest your fondest dreams. "Takes the great metaphysical

truths of life and instills them with new insights, making them come alive for you personally..a down-to-earth practical guide for changing your life." ~Reverend Dorothy Ann Jackson Co-Minister, Unity of Sarasota, Florida
"Finally a book that answers all of life's secrets! Simple enough for a child, humorous enough for my husband!" ~Jessica Saunders, a reader
"Filled with the wisdom and joy of co-creating with the guidance of a deep inner source." ~ Hal Zina

Bennett, author of *Write From the Heart* Barbra Gilman teaches the popular workshop, *Living Life Eyes Wide Open*, and is CEO of *Success Strategies For Life*. She is an Interfaith Minister, has hosted her own radio show, “Conscious Choices,” and spent over 20 years as a therapist and counselor.

Today more than ever Open Broadcaster Software is being recognized as a valuable

video production tool in the broadcast industry. OBS stands for Open Broadcaster Software, and it is the most popular free live-streaming software in the world. OBS is an open-source-software application, and the project is reviewed, maintained, and enhanced by a community of volunteers. Anyone can use it for free and also participate in its development using Github, Discord, or other online collaboration tools. This guide has been written to compliment an

online OBS training course available on Udemy.com. With this guide, the included online course, downloadable materials and a complementary audiobook, anyone interested in learning more about OBS should be able to advance their skills efficiently with these resources. The OBS suite is a versatile tool for recording video and live streaming. It can be used to record presentations, screen-capture sessions, eSports gaming, and much more. OBS can be used to capture and

record video, with a robust set of tools for processing audio as well. OBS can eliminate the need for expensive internal capture cards with the integration of the NewTek(R) NDI(R), and it simplifies the process of screen recording and online streaming.

The Unofficial Guide to New England & New York with Kids is packed with information and tips for

planning a New England or New York vacation that everyone in the family, from tots to parents, is sure to enjoy. Author Laurie Bain Wilson, who has taken countless trips to New England and New York with her ten-year-old son, has rated and ranked all of the best attractions in the area according to age group. You'll find complete coverage of New England's natural attractions, along with the best outdoor adventures for families, from learning to ski in Maine to canoeing on Lake

Umbagog, a National Wildlife Refuge, in New Hampshire. Wilson has also ferreted out the best kid-friendly and kid-favored restaurants and accommodations, with choices like Papa's Pizza on Cape Cod, where a pizza and mozzarella stick lunch by the sea costs about \$5, and the Mystic Marriott Hotel and Spa in Mystic, Connecticut, which offers a kids-stay-free promotion. With maps, tips on how to keep kids happy on vacation, and a list of what to take, the Unofficial Guide to

New England & New York with Kids is the only guide you'll need to plan a perfect family vacation in New England and New York.

No project management training? No problem! In today's workplace, employees are routinely expected to coordinate and manage projects. Yet, chances are, you aren't formally trained in managing projects—you're an unofficial project

manager. FranklinCovey experts Kory Kogon and Suzette Blakemore understand the importance of leadership in project completion and explain that people are crucial in the formula for success. This updated and revised edition of *Project Management for the Unofficial Project Manager* offers practical, real-world insights for effective project management and guides you through the essentials of the value, people, and project management process: Scope Plan Engage Track

and Adapt Close If you're struggling to ensure multiple projects are finished with high value and on time, this book is for you. If you manage projects without the benefit of a team, this book is also for you. Change the way you think about project management—"project manager" may not be your official title, but with the right strategies, you can excel in this project economy.

It'd be pretty boring if every part of the world was the same. This is also

true of the game of Minecraft! Just like the real world, a Minecraft world has many different biomes, with different features, plants, and animals in each one. In this intriguing book, young readers will learn more about Minecraft's biomes and how they compare to real-world biomes and their climates, animals, and plant life. Colorful illustrations show the resemblances and differences, and accessible text explains how players can make the most of the fascinating,

diverse world around them.
