Business Result: Upper-intermediate OXFORD

The Business Result DVD Edition Teacher's Book supports the teacher in every aspect of business English teaching. Notes, activities, and supplementary material in the Teacher's Book provide teachers with extra ideas and support. The tests for each unit at the end of the book allow teachers to give students extra practice, and help to track their progress. The Class DVD features all the video material that can also be found on the Student's Interactive Workbook DVD-ROM. Each unit includes a video clip that can be used as a focal point of discussion, to develop students' listening skills, introduce new vocabulary and teach the business communication skills that students need in context. The Class DVD also includes a downloadable DVD worksheet for every clip, ready to print off and use immediately in class. The worksheets include listening and speaking practice, video script, and answer key. The Teacher Training DVD helps to put teaching theory into practice. It includes classroom footage and author commentary, and shows teachers how BusinessResult works in the classroom. The Teacher Training DVD gives practical tips and help for teaching business English. 15 pedagogical areas are covered across the five levels, such as social English, needs analysis, and business writing. The Teacher Training DVD can be used for introducing new teachers to business English teaching, giving in-house teacher training, or familiarizing teachers with Business Result material.

Business Result How2Become Ltd

Aimed to develop the vocabulary required by professionals and pre-service students, the book provides clear, simple and enjoyable test materials of around 500 key concepts and terms in the field of Business English.

Business Result OUP Oxford

Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. Teachers can choose from the BEC edition or the BULATS edition at the right level for their students. The Teacher's Resource Book is full of useful teaching tips and contains answer keys, tapescripts, model writing compositions, information about the BULATS test and the BEC exam, teaching notes and extra activities including complete extra lessons and case studies. Student's Books, Self-study Books and Audio CDs (2) are also available. [Intelligent business](#) SAGE Publications

With its communicative syllabus, authentic business material, and expert tips from a leading management school, plus interactive multi-media, Business Result helps students learn the communication skills they need for work quickly and effectively.

Business result Longman

What statistical test should I use for this kind of data? How do I set up the data? What parameters should I specify when ordering the test? How do I interpret the results? Herschel Knapp's friendly and approachable guide to real-world statistics answers these questions. Intermediate Statistics Using SPSS is not about abstract statistical theory or the derivation or memorization of statistical formulas-it is about applied statistics. With jargon-free language and clear processing instructions, this text covers the most common statistical functions-from basic to more advanced. Practical exercises at the conclusion of each chapter offer students an opportunity to process viable data sets, write cohesive abstracts in APA style, and build a thorough comprehension of the statistical process. Students will learn by doing with this truly practical approach to statistics.

Business Result Second Edition offers business professionals more communication and language practice than ever before, so they develop business English skills to use immediately. Relevant, personalized practice for people at work With Business Result Second Edition, students practise language that is relevant to their work context, so they can use what they learn in real work situations. NEW Talking Point discussion lessons are based on an interesting business concept, process or approach that is relatable for any student in any business profession. The personalized Talking Point tasks allow students to apply the concept to their own working contexts, and provide the opportunity to use language from the unit. NEW Viewpoints integrate video into the lesson to bring business English to life - and build communication skills for business. Each video lesson relates to content in the units and builds up to a communicative task. NEW Language Points provide explicit focus on the meaning and form of the target language applied in a business context. EXTENDED Practically Speaking sections help students put language to use immediately. In every unit, Practically Speaking relates clearly to the unit content, and includes input, analysis and practice. Easily adapt Business Result Second Edition to fit your teaching context The IMPROVED modular structure of Business Result Second Edition means it can be easily adapted to fit your teaching context. Each section within a unit works in a modular way- they can be completed as standalone activities according to your needs. You can choose lessons that are most relevant for your students. The Teacher's Book provides support for using the course flexibly in 1 to 1 lessons

and with pre-work students. For those working through the book in order, continuity is maintained throughout the book to provide natural progression. Enrich your lessons with ready-to-go resources to pick up and teach in class. NEW photocopiable worksheets for each unit provide more practice for the main sections of each unit: Working with Words, Language at Work and Business Communication. NEW online resources for teachers include Viewpoint video files to stream or download, audio files to stream or download, sample emails for each unit, downloadable business cards, and progress tests. Help students advance their career through progress tracking and assessment support. Clear Outcomes - 'you can' statements help students monitor their own progress, and downloadable progress tests enable you to track students' progress in language skills and speaking skills. NEW Online Practice provides extra interactive practice activities with instant feedback on answers and automatic grading, allowing students to independently review their learning. Online Practice allows you to easily track and report on your students' progress, keeping you up-to-date with your students' learning. Downloadable progress tests for every unit enable you to assess students' progress, and identify student weaknesses and strengths.
