Reiki is a
spiritual
technique for
channeling,
receiving and
transmitting
the Universal

Life Force,
based on the
lay on of the
hands, to
balance and
recharge the
individual
energy flows.

The act of resting our hands on the body to convey emotion, comfort, participation, or alleviate a pain, is part of our instinct, it's genetically encoded in our DNA. In case of ache, the first thing that almost everyone does is to lay their hands on the spot. Our touch conveys warmth, serenity, friendship, and affection. It conveys concern and love. Our touch listens and perceives; it determines

and heals. The First Degree Reiki deals with the material plane, and the transmission is by physical contact, always starting from the assumption that matter, and consequently the physical body too, is a composite of energy, vibrations, waves, magnetic fields, and consciousness that intersect simultaneously, giving the sense of solidity. It teaches the technique

basic practice structure and the standard positions, designed to treat all physical and energy systems of the body. It transmits the four needed activations to open the Reiki channel of awareness, to consciously draw in the Universal Life Force and receive it in greater abundance and pass it on. *The Complete Guide to Reiki Practice for Levels 1, 2 & 3* Self-publishing "Animal Reiki is a great

introduction to the growing field of energy medicine. Written in an easy-to-read style, this book will be enjoyed by animal guardians and veterinarians alike." -- SHAWN MESSONNIER, DVM, author of The Natural Health Bible for Dogs & Cats "I learned a lot from Animal Reiki and highly recommend it to a wide audience." -- MARC BEKOFF, University of Colorado, author of

Minding Animals and editor of the Encyclopedia of Animal Behavior "Fulton and Prasad have created a much needed guide to a method of helping animals heal that is gentle, intuitive, safe and powerful." --SUSAN CHERNAK McELROY, author of All My Relations: Living with Animals as Teachers and Healers WHETHER YOU'RE A NEWCOMER TO THE FIELD OF energy medicine, an

experienced practitioner or an animal lover committed to learning everything you can about your companion's health, Animal Reiki will open your eyes to a new level of healing and well-being. From dogs and cats to horses and birds, this book is everything you need to understand and appreciate the power of Reiki to heal and deepen the bond with the animals in your life.

Introducing the Breathe in Light Technique: 'Bright'
 Simon and Schuster
 Working from the premise that every natural and human-made space has an energy of its own that can physically and emotionally effect anyone in that space, this introduction to ancient practices of environmental shamanism-- or transformation

of the energy of spaces-- explains in practical terms how to liberate old, unproductive energy that may be stored in any space, making room for new vibrations to circulate and increase inhabitants' well-being. Combining timeless traditions with the author's vast experience in energy transformation , this manual offers step-by-step guidance for recognizing and manipulating

the unseen forces that affect everyday life. Real-life examples, guided exercises, annotated endnotes, and an extensive glossary to supplement case studies making the book both informative and accessible for practical use.
