KASH DAYTON

The Cost of Honor Insight

Editions

In this first installment in
a six book series set after

the end of Stargate Atlantis's final season, Atlantis returns to the Pegasus Galaxy where the Wraith are now under the new and powerful Queen of Death who desperately needs Dr. Rodney McKay--the only one who can lead them to Earth. Original.

Arkham Horror Novel

Harper Collins

There is nothing to fear but fear herself... Mutant vampire Durham Red returns in this new chilling, gothic SF adventure. Danger threatens when Red discovers that a twisted future version of herself, the demonic Brite Red, is hunting her down. The only way she can survive is to get her hands on the terrifying alien artefact known as Manticore but, even then, can she destroy her own future? Mixing SF action with gothic horror, Manticore Reborn is an edge-of-your-seat thrill ride as the most dangerous woman in the galaxy finds out there's something even she is scared of - herself.

Halcyon Fandemonium Limited

Colonel Jack O'Neill and his SG-1 team find themselves stranded on a primitive world where the inhabitants pay homage to the Goa'uld by providing their best

specimens as host bodies for their young.

Casualties of War

Fandemonium Limited

"It was meant to be a soft mission, something to ease Doctor Daniel Jackson back into things after his time among the Ancients-- after all, what could possibly go wrong on a simple survey of ancient Chinese ruins? As it turns out, a whole lot. After accidentally activating a Goa'uld transport ring, Daniel finds himself the prisoner of Lord Yu, the capricious Goa'uld System Lord. Meanwhile, SGI's efforts to rescue their friend are hampered by a representative of the Chinese government with an agenda of his own to follow-- and a deep secret to hide. But Colonel Jack O'Neill is in no mood for delay. He'll go to any lengths to get Daniel back-- even if it means ignoring protocol and taking matters into his own hands"--Page 4 of cover.

STARGATE ATLANTIS Third Path (Legacy Book 8)

Fandemonium Limited

Unverzichtbar für jeden, der mit der Zukunft Schritt halten will! Future Histories - jetzt erst recht! Wie sieht unsere Welt in Hunderten, Tausenden, Millionen von Jahren aus?

Welches Schicksal erwartet uns am äußersten Rand der Zeit? Neben solchen makrohistorischen Fragen widmet sich das „Science-Fiction-Jahr 2011“ verstärkt dem Auftreten der Science Fiction in den alten und neuen Medien unserer Gegenwart.

Außerdem: Essays, Interviews, Rezensionen, Marktberichte und vieles mehr...

Entanglement

Fandemonium Books

in a world known as P4V-837, the SG-1 team encounters the Kayeichi, a race of apparently hospitable natives, but, after a few hours on the planet, the members of the team find themselves experiencing bizarre hallucinations that become progressively darker and more terrifying. Reissue. (A Sci-Fi Channel series, starring Richard Dean Anderson)

Death Game Black Flame

With Ancient technology scattered across the Pegasus galaxy, the Atlantis team is not surprised to find it in use on a world once defended by Dalera, an Ancient who was cast out of her society for falling in love with a human.

Nemesis Jossey-Bass

Aris Boch is back--and this time he's after Daniel

Jackson.

Sacrifice Moon

Fandemonium Books
Colonel Jack O'Neill and the Stargate SG-1 team undertake a new mission that prompts a journey to myriad worlds in their efforts to safeguard humanity from hostile alien forces. Original. *STARGATE SG-1 ATLANTIS Points of Origin*

Fandemonium Limited
A brutal society needs the team to harness Wraith technology.

Stargate Atlantis

Fandemonium Limited
The Essential Cult TV Reader is a collection of insightful essays that examine television shows that amass engaged, active fan bases by employing an imaginative approach to programming. Once defined by limited viewership, cult TV has developed its own identity, with some shows gaining large, mainstream audiences. By exploring the defining characteristics of cult TV, The Essential Cult TV Reader traces the development of this once obscure form and explains how cult TV achieved its current status as legitimate television. The essays explore a wide range of cult programs, from early shows such as

Star Trek, The Avengers, Dark Shadows, and The Twilight Zone to popular contemporary shows such as Lost, Dexter, and 24, addressing the cultural context that allowed the development of the phenomenon. The contributors investigate the obligations of cult series to their fans, the relationship of camp and cult, the effects of DVD releases and the Internet, and the globalization of cult TV. The Essential Cult TV Reader answers many of the questions surrounding the form while revealing emerging debates on its future. *Das Science Fiction Jahr 2011* Fandemonium Books
From The Matrix and Harry Potter to Stargate SG:1 and The X-Files, recent science fiction and fantasy offerings both reflect and produce a sense of the religious. This work examines this pop-culture spirituality, or "postmodern sacred," showing how consumers use the symbols contained in explicitly "unreal" texts to gain a secondhand experience of transcendence and belief. Topics include how media technologies like CGI have blurred the lines between real and unreal, the polytheisms of Buffy and Xena, the New Age

Gnosticism of The DaVinci Code, the Islamic "Other" and science fiction's response to 9/11, and the Christian Right and popular culture. Today's pervasive, saturated media culture, this work shows, has utterly collapsed the sacred/profane binary, so that popular culture is not only powerfully shaped by the discourses of religion, but also shapes how the religious appears and is experienced in the contemporary world. The Postmodern Sacred University Press of Kentucky
In the fragile peace following Queen Death's defeat, Dr. Daniel Jackson arrives in Atlantis to indulge in some real archaeology. Naturally, things don't go according to plan. The Trojan War 2000 AD Books
Reawakened after a millennium in suspended animation, mutant vampire Durham Red discovers that she has become the center of an entire religion and is forced to seek refuge on the harsh world of Purity, a planet whose citizens have outlawed all forms of technology, but an evil creature of unimaginable ferocity is stalking Purity, hunting down its

inhabitants. Original.

Hunt and Run

Fandemonium Books
Peter Evans's biography of Aristotle Onassis, Ari, met with great acclaim when it was published in 1986. Ari provided the world with an unprecedented glimpse of the Greek shipping magnate's orbit of dizzying wealth, twisted intrigues, and questionable mores. Not long after the book appeared, however, Onassis's daughter Christina and his longtime business partner Yannis Georgakis hinted to Evans that he had missed the "real story" -- one that proved Onassis's intrigues had deadly results. "I must begin," Georgakis said, "with the premise that, for Onassis, Bobby Kennedy was unfinished business from way back..." His words launched Evans into the heart of a story that tightly bound Onassis not to Jackie's first husband, but to his ambitious younger brother Bobby. A bitter rivalry emerged between Bobby and Ari long before Onassis and Jackie had even met. Nemesis reveals the tangled thread of events that linked two of the world's most powerful men in their intense hatred for one

another and uncovers the surprising role played by the woman they both loved. Their power struggle unfolds against a heady backdrop of international intrigue: Bobby Kennedy's discovery of the Greek shipping magnate's shady dealings, which led him to bar Onassis from trade with the United States; Onassis's attempt to control much of Saudi Arabia's oil; Onassis's untimely love affair with Jackie's married sister Lee Radziwiłł; and his bold invitation to First Lady Jackie to join him on his yacht -- without the president. Just as this self-made Greek tycoon gloried in the chance to stir the wrath of the Kennedys, they struggled unsuccessfully to break his spell over the woman who held the key to all of their futures. After Jack's death, Bobby became ever closer to Camelot's holy widow, and fought to keep her from marrying his sworn rival. But Onassis rarely failed to get what he wanted, and Jackie became his wife shortly after Bobby was killed. Through extensive interviews with the closest friends, lovers, and relatives of Onassis and the Kennedys, longtime journalist Evans

has uncovered the shocking culmination of the Kennedy-Onassis-Kennedy love triangle: Aristotle Onassis was at the heart of the plot to kill Bobby Kennedy. Meticulously tracing Onassis's connections in the world of terrorism, Nemesis presents compelling evidence that he financed the assassination -- including a startling confession that has gone unreported for nearly three decades. Along the way, this groundbreaking work also daringly paints these international icons in all of their true colors. From Evans's deeply nuanced portraits of the charismatic Greek shipping magnate and his acquisitive iconic bride to his probing and revelatory look into the events that shaped an era, Nemesis is a work that will not be soon forgotten.

Manticore Reborn Del Rey

From Daryl Gregory, whose Pandemonium was one of the most exciting debut novels in memory, comes an astonishing work of soaring imaginative power that breaks new ground in contemporary fantasy. Switchcreek was a normal town in eastern Tennessee until a

mysterious disease killed a third of its residents and mutated most of the rest into monstrous oddities. Then, as quickly and inexplicably as it had struck, the disease—dubbed Transcription Divergence Syndrome (TDS)—vanished, leaving behind a population divided into three new branches of humanity: giant gray-skinned argos, hairless seal-like betas, and grotesquely obese charlies. Paxton Abel Martin was fourteen when TDS struck, killing his mother, transforming his preacher father into a charlie, and changing one of his best friends, Jo Lynn, into a beta. But Pax was one of the few who didn't change. He remained as normal as ever. At least on the outside. Having fled shortly after the pandemic, Pax now returns to Switchcreek fifteen years later, following the suicide of Jo Lynn. What he finds is a

town seething with secrets, among which murder may well be numbered. But there are even darker—and far weirder—mysteries hiding below the surface that will threaten not only Pax's future but the future of the whole human race.

Angelus Roc Feeders from Within is an Arkham Horror novel by Peter J. Evans. As ex-soldier Mark Harrigan suffers haunting visions that go well beyond shell shock, psychologist Carolyn Fern begins to suspect a dark influence at work. But when a young woman narrowly escapes her dangerous cult, what she reveals will tear all three of their lives apart, even as it intertwines their destinies forever. Now, with the fate of Arkham and the world at stake, these three strangers must come together to face unspeakable horrors from beyond!

Reliquary Fantasy Flight Games
The unity of the team is

threatened on their first mission.

The Morpheus Factor

Fandemonium Limited
When Colonel Ellis encounters an Ancient on the borders of Asuran space, the Atlantis team think their luck has changed. Charming and likable, Angelus connects with each team member in a unique way - more than that, he offers them a weapon that could put an end to their war with both the Wraith and the Asurans.

Fandemonium Books
When Dr. Rodney McKay unlocks an Ancient mystery on a distant moon, he discovers a terrifying threat to the Pegasus galaxy. Determined to disable the device before it's discovered by the Wraith, Colonel John Sheppard and his team navigate the treacherous ruins of an Ancient outpost. But attempts to destroy the technology are complicated by the arrival of a stranger.
