(e.g. dirty bomb, lairy, 9/11, clickable) - Over 200 'Common Learner Error' notes, based on the Cambridge Learner Corpus from Cambridge ESOL exams Plus, on the CD-ROM: - SMART thesaurus - lets you find all the words with the same meaning - QUICKfind - automatically looks up words while you are working on-screen - SUPERwrite - tools for advanced writing, giving help with grammar and collocation - Hear and practise all the words.

Big English Plus Pearson Longman As late as 1987, two-thirds of the Americans who responded to a national survey believed that English was the official language of the United States. In fact, the Constitution is silent on the issue. Since Senator S. I. Hayakawa first proposed an English Language Amendment in Congress in 1981, Official English has been considered in forty-seven states and adopted by seventeen; the amendment is pending in the 102d Congress. Supporters argue that English has always been our common language—a means of resolving conflicts in a nation of diverse racial, ethnic, and religious groups, and an essential tool of social mobility and cultural integration. Opponents charge

that the amendment is unnecessary and that it threatens civil rights, educational opportunities, and free speech, wrapping racist biases in a cloak of patriotism.

Language Loyalties: A Source Book on the Official English Controversy provides a balanced, comprehensive guide to this complex and often confusing debate. It is an essential handbook and reference for advocates, educators, policymakers, jurists, scholars, and citizens who seek to join this debate fully informed. Addressing the issues involved in developing America's first planned national language policy, James Crawford has expertly collected and introduced more than eighty-five source documents and articles.

Big English Plus Multilingual Matters

The English Plus Teacher's Resources offer a wealth of support so that you can save time in lesson preparation, and deliver classes perfectly tailored to your students.

Language Loyalties Rex Bookstore, Inc.

This volume challenges the monolingual mindset by highlighting how language-related issues surround us in many different ways, and explores the tensions that can develop in managing and understanding multilingualism. The book features analysis and discussion on the use of languages across a range of contexts, including post-migration settlement, policy, education, language contact and intercultural communication.

Big English Plus 2 Pupil's Book OUP Oxford

Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing.

Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the heart of the matter and presents clear thinking and writing as skills that students can learn--Publisher's description.

New English File Pearson Longman

The Workbook contains six pages of additional practice for each of the Student's Book units. The Starter unit has eight pages. This comprises exercises for vocabulary, grammar, reading and writing at three levels of difficulty. A two-page Progress review after every unit with self-assessments and I can ... statements. Four pages of Cumulative review which provide revision of all the language and skills studied up to a particular point in the Student's Book. · A Reference section which includes: a Language focus reference with additional practice exercises for each grammar point; an alphabetical Wordlist with illustrations and a phonetic chart; a Key phrases section with Key phrases from the Student's Book; an Irregular verbs list. A Student access card to the online Practice kit for additional self-study practice.
