*National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States* Wm. B. Eerdmans Publishing

This survey textbook by two respected New Testament scholars is designed to meet the needs of contemporary evangelical undergraduates. The book effectively covers the New Testament books and major topics in the New Testament, assuming no prior academic study of the Bible. The authors pay attention to how the New Testament documents fit together as a canonical whole that supplements the Old Testament to make up the Christian Scriptures. They also show how the New Testament writings provide basic material for Christian doctrine, spirituality, and engagement with culture. Chapters can be assigned in any order, making this an ideal textbook for one-semester courses at evangelical schools. This is the first volume in a new series of survey textbooks that will cover the Old and New Testaments. The book features full-color illustrations that hold interest and aid learning and offers a full array of pedagogical aids: photographs, sidebars, maps, time lines, charts, glossary, and discussion questions. Additional resources for instructors and students are available through Textbook eSources.

*The Gospel According to Matthew* Zondervan Publishing Company  
This new study of the Old Testament canon by Roger Beckwith is on a scale to match H. E. Ryle's classic work, which was first published in 1892. But Beckwith has the advantage of writing after the Qumran (and other) discoveries; and he has also made full use of all the available sources, including biblical manuscripts and rabbinical and patristic literature, taking into account the seldom studied Syriac material as well as the Greek and Latin material. The result of many years of study, this book is a major work of scholarship on a subject which has been neglected in recent times. It is both historical and theological, but Beckwith's first consideration has been to make a thorough and unprejudiced historical investigation. One of his most important concerns - and

one that is crucial for all students of Judaism, and Christians in particular - is to decide when the limits of the Jewish canon were settled. In the answer to this question lies an important key to the teaching of Jesus and his apostles, and the resultant beliefs of the New Testament church. Furthermore, any answers to questions about the state of the canon in the New Testament period would help to open a way through the present ecumenical (and interfaith) impasse on the subject. With its meticulous research and evenhanded approach, this book is sure to become the starting point for study of the Old Testament canon in the years to come.

*Holy Bible* Zondervan Academic

Readers of the New Testament often encounter quotes or allusions to Old Testament stories and prophecies that are unfamiliar or obscure. In order to fully understand the teachings of Jesus and his followers, it is important to understand the large body of Scripture that preceded and informed their thinking. Leading evangelical scholars G. K. Beale and D. A. Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. College and seminary students, pastors, scholars, and interested lay readers will want to add this unique commentary to their reference libraries. Contributors Craig L. Blomberg (Denver Seminary) on Matthew Rikk E. Watts (Regent College) on Mark David W. Pao (Trinity Evangelical Divinity School) and Eckhard J. Schnabel (Trinity Evangelical Divinity School) on Luke Andreas J. Köstenberger (Southeastern Baptist Theological Seminary) on John I. Howard Marshall (University of Aberdeen) on Acts Mark A. Seifrid (Southern Baptist Theological Seminary) on Romans Roy E. Ciampa (Gordon-Conwell Theological Seminary) and Brian S. Rosner (Moore Theological College) on 1 Corinthians Peter Balla (Károli Gáspár Reformed University, Budapest) on 2 Corinthians Moisés Silva (author of *Philippians in the Baker Exegetical Commentary on the New Testament*) on Galatians and Philippians Frank S. Thielman (Beeson Divinity School) on Ephesians G. K. Beale (Wheaton College Graduate School) on Colossians Jeffrey A. D. Weima (Calvin Theological Seminary) on 1 and 2 Thessalonians

Philip H. Towner (United Bible Societies) on 1 and 2 Timothy and Titus George H. Guthrie (Union University) on Hebrews D. A. Carson (Trinity Evangelical Divinity School) on the General Epistles G. K. Beale (Wheaton College Graduate School) and Sean M. McDonough (Gordon-Conwell Theological Seminary) on Revelation

*Two Testaments, One Bible* Baker Books

This concise guide by a leading New Testament scholar helps readers understand how to better study the multitude of Old Testament references in the New Testament. G. K. Beale, coeditor of the bestselling *Commentary on the New Testament Use of the Old Testament*, focuses on the "how to" of interpreting the New Testament use of the Old Testament, providing students and pastors with many of the insights and categories necessary for them to do their own exegesis. Brief enough to be accessible yet thorough enough to be useful, this handbook will be a trusted guide for all students of the Bible. "This handbook provides readers with a wonderful overview of key issues in and tools for the study of the use of the Old Testament in the New. I expect it to become a standard textbook for courses on the subject and the first book to which newcomers will be directed to help them navigate through these sometimes complex waters."--Roy E.

Ciampa, Gordon-Conwell Theological Seminary

*Reading Jesus's Bible* HarperCollins UK

David Pawson presents a unique overview of both the Old and New Testaments.

*New Testament Writers and the Old Testament* The Floating Press  
How does the New Testament echo the Old? Which versions of the Hebrew Scriptures were authoritative for New Testament writers? The appearance of concepts, images, and passages from the Old Testament in the books of the New raises important questions about textual versions, allusions, and the differences between ancient and modern meaning. Written by ten distinguished scholars, *Hearing the Old Testament in the New Testament* first lays out significant foundational issues and then systematically investigates the use of the Old in the New Testament. In a culminating essay Andreas Köstenberger both questions and affirms the other contributors' findings. These essays together will

reward a wide range of New Testament readers with a wealth of insights.

*A New Testament Biblical Theology* Liturgical Press

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*Revelation* Crossway

Features: - 14-point type for superior legibility and reading ease. - New expanded end-of-paragraph reference system - Bible Verses for Daily Life - Introductions to books of the Bible - Promises from the Bible section, including "God's Promise of Salvation" and "God's Promise When You Are Weak" - Perspectives from the Bible section, including "What to Read When Seeking God's Direction" or "When You Are Angry." - Large-print dictionary-concordance - 16-page color map section - Double-column format - 7-page presentation and family record section.

*The Bible and Social Justice* Baker Books

While every character, story, and book of Scripture is significant in itself, stepping back for a broad, panoramic view of the entire Bible helps us to take in and understand God's single, unified plan for human history. In this first of a two-part panorama of the Bible, noted Scripture scholar Stephen Binz shows us how all of the Bible's many parts fit together in a grand and awesome narrative. With a clear vision of this sweeping unity, we can then understand far better our own place within the storyline and our own personal role within the mission of God.

*Hearing the Old Testament in the New Testament* Wm. B.

Eerdmans Publishing

This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation. Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments. He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old. Rather, Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices, each of which retains continuing integrity and is heard on

its own terms.

*Three Views on the New Testament Use of the Old Testament*

Ignatius Press

Three approaches to questions about the theological connection between the Old and New Testaments. The relationship between the Testaments is not as simple and straightforward as it sometimes appears. When New Testament authors appeal to Old Testament texts to support their arguments, what is the relationship between their meanings and what was originally intended by their Old Testament forebears? Leading biblical scholars Walter Kaiser, Darrel Bock, and Peter Enns present their answers to questions about the use of the Old Testament in the New Testament, addressing elements such as: Divine and human authorial intent. Context of passages. Historical and cultural considerations. The theological grounds for different interpretive methods. Each author applies his framework to specific texts so that readers can see how their methods work out in practice. Each contributor also receives a thorough critique from the other two authors. Three Views on the New Testament Use of Old Testament gives readers the tools they need to develop their own views on the meaning, contexts, and goals behind the New Testament citations of the Old. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

*Do We Need the New Testament?* Wipf and Stock Publishers

In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor of the award-winning Commentary on the New Testament Use of the Old Testament, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by

students of the New Testament and pastors alike.

*Reading the New Testament as Christian Scripture (Reading Christian Scripture)* Chartwell Books

"...Using individual text as case studies, Steve carefully explores how embedded Jewish scripture texts in the new Testament have been variously interpreted in modern scholarship. .... [from back cover]

**Old Made New** Bloomsbury Publishing

Do we need the Old Testament today? Is this collection of ancient writings still relevant in our postmodern and increasingly post-literary world? Isn't the New Testament a sufficient basis for the Christian faith? What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls 'Father'? Are these two very different Testaments really one Bible? In this thoroughly revised, updated and expanded edition of *Two Testaments, One Bible*, David L. Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture, through a study of its relationship to the New Testament. He introduces the main issues, surveys the history of interpretation, and critically examines four major approaches. He then considers four key themes, which provide a framework for Christian interpretation of two Testaments in the context of one Bible: 'typology,' 'promise and fulfilment,' 'continuity and discontinuity,' and 'covenant.' He completes his study with a summary of the main conclusions and reflection on their implications for the use of the Bible today.

*Gospel Deeps* Wipf and Stock Publishers

"New Testament writers drew heavily from Old Testament Scriptures as the demonstrated the fulfillment of the plan and promises of God in Christ. The New Testament is filled with such quotations, but their use raises several problems. How do we account for the occasions when the New Testament writers seem to take liberties with the Hebrew text, or when the wording of other New Testament citations of the Old Testament is closer to the Greek Septuagint (LXX) than to the original Hebrew? [The authors] have undertaken a systematic study of the use of Old Testament quotations in the New Testament. In three parallel columns for ready reference and study they have affixed the Masoretic Hebrew, Septuagint, and Greek New Testament texts pertinent to each quotation. A fourth column-- the largest segment of the valuable language tool--provides a critical

commentary of orthographic, linguistic, and textual notes on the 312 entries. In addition, the authors include the results of a statistical survey in which every quotation is assigned to one of six levels to determine its degree of difficulty regarding the faithfulness of the New Testament to the Old Testament quotation. Helpful introductory material, including complete cross-references to the tool in both Old and New Testament order, make the work invaluable to scholars and students alike" -- BOOK JACKET from Moody Press.

*The Holy Bible* Baker Books

There are over one hundred explicit quotations of Scripture in Paul's letters and at least two hundred allusions. The coming of Jesus and the birth of the church caused Paul to look at the Scriptures with new eyes, sometimes clarifying what was written and sometimes reinterpreting it. This volume illuminates Paul's use of the Old Testament, providing a big-picture overview for students of the New Testament. Steve Moyise, a recognized expert on the use of the Old Testament in the New, discusses Paul's handling of creation stories, Abraham, Moses, the Law, the Prophets, and the Writings. He then assesses competing contemporary approaches to Paul's interpretations of Scripture.

**Panorama of the Bible** InterVarsity Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format

volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Biblical Theology of the Old and New Testaments**

InterVarsity Press

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

**Evoking Scripture** Crossway

How the Old Testament is used in the New Testament is currently a matter of fierce debate. Scholars argue about whether the early Christians, as readers and writers or hearers, would have known the Hebrew Bible by heart and the extent to which they would have acknowledged it as Scripture. Many modern translations of the Bible no longer include cross-references that indicate the sources of Old Testament quotations (or allusions) in New Testament writings. Students may therefore find it difficult to appreciate how much Old Testament material is included in the New Testament and to estimate the relative weighting of Old Testament themes in different New Testament writings. *New Testament Writers and the Old Testament* introduces the issues involved in understanding the controversy about the relationship of the Old and New Testaments. The wealth of information this book contains, together with cross-references linking the two testaments, make it an invaluable resource for both the Bible student and the general reader.

[Overview of the Old and New Testaments](#) Canongate U.S.

Greg Lanier Presents a Simple Method for Studying Old Testament Citations in the New Testament Many Bible readers have difficulty understanding the Old Testament's connection to the New Testament, and some even believe it's obsolete in light of God's new covenant. In reality, New Testament writers alluded to earlier books of the Bible roughly 300-400 times. The Old Testament isn't outdated; it's critical to understanding the rest of Scripture. In *Old Made New*, Greg Lanier explains how New Testament authors used the Old Testament to communicate the gospel and present the person and work of Jesus. He also explains what the Old Testament teaches Christians today about the church's identity and ethics. Writing for a broad range of readers, Lanier distills thorough research into simple, descriptive examples and tips. His 3-step method explains how to identify and explore an Old Testament passage and see how it's "remixed" in the New Testament to thoughtfully engage with Scripture. Download Study Guide Download Redemptive-Historical Bible Reading Plan Accessibly Written: Clear language and easy-to-follow methods make this resource helpful for laypeople, Sunday school leaders, and students Effective Bible Study Method: Includes the most recent research on Old Testament references in the New Testament, complete with a simple 3-step study plan to help readers apply it Comprehensive: Tables, worksheets, case studies, and notes guide readers through exciting, thorough Scripture study Appendices Included: Features the most agreed-upon citations, quotations, and allusions to the Old Testament in the New Testament, along with a Bible reading plan
