## **KODY MARELI**

---

**Follow Safe Work Practices for Direct Client Care** Confirm physical health status

This unit describes the skills and knowledge required for a worker to participate in safe work practices to ensure their own health and safety, and that of others in work environments that involve caring directly for clients. It has a focus on maintaining safety of the worker, the people being supported and

other community members.

*Confirm physical health status CAQA Publications*

This learner guide will provide you with the necessary skills and knowledge to interpret obtained information about client health status and apply that to check the physical health of a client. You will gain a detailed knowledge of anatomy and physiology.
