Revisit thoughts and memories with a 5-year journal and memory bookThis classic memory keeper is the perfect way to track the ups and downs of life, day by day.More than a daily diary or journal: For those daunted by the idea of keeping a journal or diary, the simple commitment of just One Line a Day is manageable for everyone. Each page of the journal includes an entry for five successive years, allowing users to revisit previous thoughts on a specific day of the year over the span of five years, and reflect on change and progress.Use the One Line a Day 5-year journal format to provide an insightful snapshot of your thoughts, memories, change, and progress on each of the 365 days of the yearSee patterns emerge as important events like anniversaries, birthdays, and holidays come and goAs the pages fill, you'll discover happy coincidences and have a chance to relive forgotten momentsA valuable alternative to the 5-minute journal format, One Line a Day will appeal to those new to the journaling habit and seasoned journalers alike.A great way to begin the day or to put down a final thought before falling asleep at nightDurable and elegantly designed with a ribbon for easy opening to the right pageMakes a great graduation or milestone birthday gift, or for someone starting on a new journey in lifeKeepsake diary will enhance the appreciation of life and be a treasure for years to come

The first collected and annotated edition of Carroll's brilliant, witty poems, edited by Gillian Beer. 'Twas brillig, and the slithy toves / Did gyre and gimble in the wabe...' wrote Lewis Carroll in his wonderfully playful poem of nonsense verse, 'Jabberwocky'. This new edition collects together the marvellous range of Carroll's poetry, including nonsense verse, parodies, burlesques, and more. Alongside the title piece are such enduringly wonderful pieces as 'The Walrus and the Carpenter', 'The Mock Turtle's Song', 'Father William' and many more. This edition also includes notes, a chronology and an introduction by Gillian Beer that discusses Carroll's love of puzzles and wordplay and the relationship of his poetry with the Alice books 'Opening at random Gillian Beer's new edition of Lewis Carroll's poems, Jabberwocky and Other Nonsense, guarantees a pleasurable experience - not all of it nonsensical' - Times Literary Supplement Lewis Carroll was the pen-name of the Reverend Charles Lutwidge Dodgson.

Born in 1832, he was educated at Rugby School and Christ Church, Oxford, where he was appointed lecturer in mathematics in 1855, and where he spent the rest of his life. In 1861 he took deacon's orders, but shyness and a stammer prevented him from seeking the priesthood. His most famous works, Alice's Adventures in Wonderland (1865) and Through the Looking-Glass (1872), were originally written for Alice Liddell, the daughter of the Dean of his college. Charles Dodgson died of bronchitis in 1898. Gillian Beer is King Edward VII Professor Emeritus of English at the University of Cambridge and past President of Clare Hall College. She is a Fellow of the British Academy and of the Royal Society of Literature. Among her works are Darwin's Plots (1983; third edition, 2009), George Eliot (1986), Arguing with the Past: Essays in Narrative from Woolf to Sidney (1989), Open Fields: Science in Cultural Encounter (1996) and Virginia Woolf: The Common Ground (1996).

Vi leker kung och andra historier samlar de bästa av satirmästaren Sinclair Lewis noveller. De flesta publicerades ursprungligen i Cosmopolitan, Harper's Magazine och The Saturday Evening Post. I översättning av Hugo Hultenberg. SINCLAIR LEWIS [1885-1951] var en amerikansk författare. Efter examen från Yale skrev han för tidningar som Cosmopolitan och The Saturday Evening Post. Han fick sitt litterära genombrott med den satiriska romanen Storgatan [Main Street, 1920]. Sinclair Lewis var den förste amerikanske författaren att tilldelas Nobelpriset.

Visste du at vi, i snitt, plukker opp mobilen vår 150 ganger i løpet av en dag? Og at når du som gammel ser tilbake på livet ditt vil du ha brukt over 11 år på mobilen din? Fri deg fra skjermavhengigheten med hjerneforsker Ole Petter Hjelle! Når noen liker innlegget ditt i sosiale medier påvirker det hjernen din. For hver eneste «like» blir du belønnet med dopamin, noe som fører til at du blir hektet og som gjør det ekstremt vanskelig å legge bort telefonen. Forskning viser at det er en sammenheng mellom mobilbruk og depresjon, ensomhet, angst og søvnlidelser, spesielt hos barn og unge. I Det digitale dopet forteller dr. Hjelle på engasjerende vis hva som skjer i hjernen vår når vi scroller, spiller og bruker sosiale medier. Og ikke minst: hvordan små justeringer kan føre til store endringer og fri deg fra det digitale dopet.

Her er den ultimate guiden til deg som skal arrangere en hvilken som helst fest eller selskap. Du finner aktiviteter og underholdning som passer til alt fra vorspiel til bursdager til gravøl. Men dette er ikke de uskyldige selskapslekene du er vant

til. Her strekker de seg fra mildt sadistiske leker til morbide morsomheter kun for din indre bekjentskapskjerne. Dennis Vareide gir også sine beste råd for et godt arrangert selskap, og tips til hvordan du kan stikke fra et selskap som ikke fungerer som det skal. Om du som arrangør vil imponere med en annerledes quiz eller en selskapslek som ingen har prøvd før, så er denne boken perfekt for deg! Dennis Vareide (f. 1990) er Norges YouTube-konge. Han startet å produsere innhold på sosial medier i 2010 og har bygget opp 5(!) av Norges største YouTube-kanaler gjennom tidene: Prebz og Dennis, Dennis Vareide, Rakkerstreker, Mikal (gaming) og Vareide (engelsk). Dennis er fremdeles en ledende innholdsskaper med populært innhold på YouTube, TikTok, Snapchat og Instagram. I tillegg har han deltatt i utallige TV-programmer og har i de siste årene også utgitt to brettspill.

Flygare-Carlén kan på grund av sina val av ämnen och miljöer samt hennes framsynthet och moraliska hållning ses som en pionjär i svensk litteratur. Hon skrev om det landskap, de verksamheter och den samhällsstämning som hon själv var förtrogen med. Under 1840-talet stod hon på höjden av sin karriär, och var då Sveriges mest lästa romanförfattare och mest kända i utlandet. Hennes böcker översattes till 12 språk.

*Nära elden* Telegram Förlag

This book investigates the sociohistorical making of place and people in Copenhagen from around 1900 to the present day. Drawing inspiration from Pierre Bourdieu's sociology of social space and symbolic power, and from Loïc Wacquant's hypothesis of advanced marginality and territorial stigmatisation, the book explores the genesis and development of the notorious neighbourhood of Copenhagen North West. As an extraordinary place, the North West provides an illustrative case of Danish welfare and urban history that questions the epitome on inclusive Copenhagen. Through detailed empirical analysis, the book spotlights three angles and entanglements of the social history of this area of Copenhagen: the production of socio-spatial constructions and authoritative categorisations of the neighbourhood, especially by the state and the media; the local social pedagogical interventions and symbolic boundary drawings by welfare agencies in the neighbourhood; and the residents' subjective experiences of place, social divisions and (dis)honour. In this way, *The Making of Place and People in the Danish Metropolis* analyses how social, symbolical, and spatial structures

dynamically intertwine and contribute to the fashioning of divisions of inequality and marginality in the city over the course of some 125 years. It will appeal to scholars of sociology, urban studies, and urban history, with interests in social welfare.

*Vi leker kung* är en novell av Sinclair Lewis, först publicerad 1931. Här i översättning av Hugo Hultenberg. SINCLAIR LEWIS [1885-1951] var en amerikansk författare. Efter examen från Yale skrev han för tidningar som *Cosmopolitan* och *The Saturday Evening Post*. Han fick sitt litterära genombrott med den satiriska romanen *Storgatan* [Main Street, 1920]. Sinclair Lewis var den förste amerikanske författaren att tilldelas Nobelpriset.

**The Danish Secret to Happy Kids** Sourcebooks, Inc.

Vi präster känner ofta tyngden av den anspråksfullhet människor har att få en bra predikan. Eller en vacker predikan, som det ofta heter. Det är ibland som om hela gudstjänsten hänger på prästen. Om prästen lyckas eller ej. Men bör det mänskliga elementet få så stort utrymme i gudstjänsten egentligen? Eller måste åhöraren söka sin blick längre bort än fram till den lilla människan framme vid altaret? "Nära elden" är en samling predikningar av prästen och författaren Axel Hambræus, en samling reflektioner och tankar kring den kristna tron och mänsklighetens begränsningar. Axel Edvard Hambræus (1890-1983) var en svensk präst, kompositör, och författare. Axel skrev både för barn och vuxna och hans berättelser utspelar sig ofta i hans barndomstrakter i Dalsland eller Västmanlands bergslag.

**Jabberwocky and Other Nonsense** Simon and Schuster

A delightful, witty, passionate novel that follows its hero from the Depression era to the early twenty-first century—from a master of American letters and the Pulitzer Prize-winning author of the acclaimed *Rabbit* series. John Updike's twenty-first novel, a bildungsroman, follows Owen Mackenzie from his birth in the semi-rural Pennsylvania town of Willow to his retirement in the rather geriatric community of Haskells Crossing, Massachusetts. In between these two settlements comes Middle Falls, Connecticut, where Owen, an early computer programmer, founds with a partner, Ed Mervine, the successful firm of E-O Data, which is housed in an old gun factory on the Chunkaunkabaug River. Owen's education (Bildung) is not merely technical but liberal, as the humanity of his three villages, especially that of their female citizens, works to disengage him from his youthful innocence. As a child he early felt an abyss of calamity beneath the sunny surface quotidian, yet also had a dreamlike sense of leading a charmed existence. The women of his life, including his wives, Phyllis and Julia, shed what light they can. At one juncture he reflects, "How lovely she is, naked in the dark! How little men deserve the beauty and mercy of women!" His life as a sexual being merges with the communal shelter of villages: "A village is woven of secrets, of truths better left unstated, of houses with less window than opaque wall." This delightful, witty, passionate novel runs from the Depression era to the early twenty-first century.

**Dramatik. Spelhuset ; Vävarer i Bagdad ; Porten** BoD – Books on Demand

Spelhuset, Vävarer i Bagdad och Porten är tre dramer som kom ut första gången 1923. Hjalmar Bergman (1883-1931) är en av

den svenska litteraturens stora berättare, mästare på att gestalta brokiga persongallerier och mänsklig medkänsla.

*Ungdomsvännen* Kagge forlag

Werther, en ung och passionerad konstnärssjäl, anländer till den lilla orten Wahlheim. Han fascineras genast av det enkla livet på landsbygden och träffar Lotte, en vacker flicka som tar hand om sina syskon efter moderns död. Trots att hon är trolovad kan inte Werther undgå att bli hejdlöst förälskad i henne. Den unge Werthers lidande var Goethes stora genombrott. Redan när den publicerades 1774 blev den arketyper för det som kallas Sturm und Drang-perioden och snart var både wertherdräkt och wertherfeber begrepp runt om i Europa.

*Vi leker kung och andra historier* Routledge

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

*Ungdom i befrielsekamp* Modernista

"Smart, witty and packed with surprising facts about life in the Nordics, *The Danish Secret to Happy Kids* is a foolproof roadmap to raising kids the Viking way. If you enjoy Helen Russell's signature self-deprecating sense of humor and captivating storytelling, you're in for a real treat." —Linda Åkeson McGurk, author of *There's No Such Thing as Bad Weather* and *The Open-Air Life* What do Vikings know about raising children? Turns out, quite a bit. After a decade of living in Denmark, and raising her three kids there, Helen Russell noticed that Nordic kids (or mini-Vikings) are different from children raised in other parts of the world. They eat differently. They learn differently. They play, dress, and even sleep differently. They run, jump, climb, fall and get up again, out in nature, for hours a day. It's cold and wet and uncomfortable—often. But they cope. Even though the weather's terrible and it's dark October through March. And then they grow up to be some of the happiest adults on the planet. So her question was: how? In *The Danish Secret to Happy Kids*, Russell dives deep into the parenting culture of Denmark and the other Nordic nations, from parental leave policies to school structure to screen time, uncovering surprising strategies and customs that lead to largely happy, well-adjusted humans over the long term. This fascinating peek behind the cultural curtain allows readers to marvel over infants comfortably sleeping outside in chilly temperatures, school-age kids wielding axes in the woods, and teenagers spending a year or two at efterskole, a special boarding school designed to prepare adolescents for independent life in the real world—a concept that is beginning to be adopted in other nations. Refreshingly funny and unfailingly optimistic about the new generation of humans growing up in the world right now, *The Danish Secret to Happy Kids* is a heart-warming love letter to Russell's adopted homeland, a comforting armchair travel read, and proof that we could all use a bit more Viking in our everyday lives.
