How to Talk to Girls at Parties by Sunday Times bestselling writer Neil Gaiman is a graphic novel with extraordinary artwork by the Eisner Award-winning duo Fábio Moon and Gabriel Bá. Soon to be a feature film starring Nicole Kidman, this adaptation is 'a quirky delight' (Audrey Niffenegger) and will appeal to fans of Alan Moore, Dave McKean and beyond. ENN is a fifteen-year-old boy who just doesn't understand girls, while his friend Vic seems to have them all figured out. Both teenagers are in for the shock of

their young lives, however, when they crash a local party only to discover that the girls there are far, far more than they appear! From the Locus Award-winning short story by Neil Gaiman, one of the most celebrated authors of our time, and adapted in vibrant ink-and-watercolour illustrations by the Daytripper duo of brothers Fábio Moon and Gabriel Bá, this original graphic novel is not to be missed!

The perfect gift for fans of The Big Lebowski, Jeff Bridges's "The Dude", and anyone who could use more Zen in their lives. Zen Master Bernie Glassman compares Jeff Bridges's iconic role in The Big Lebowski to a Lamed-Vavnik: one of the men in Jewish mysticism who are "simple and unassuming," and "so good that on account of them God lets the world go on." Jeff puts it another

way. “The wonderful thing about the Dude is that he’d always rather hug it out than slug it out.” For more than a decade, Academy Award-winning actor Jeff Bridges and his Buddhist teacher, renowned Roshi Bernie Glassman, have been close friends. Inspiring and often hilarious, *The Dude and the Zen Master* captures their freewheeling dialogue and remarkable humanism in a book that reminds us of the importance of doing good in a difficult world.

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

#1 NEW YORK TIMES BESTSELLER | A REESE WITHERSPOON X HELLO SUNSHINE BOOK CLUB PICK “A great narrative about personal strength and really captures how books bring communities together.” —Reese Witherspoon From the author of *The Last Letter from Your Lover*, now a major motion picture on Netflix, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves

equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt’s new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they’re committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America’s past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women’s friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

Neil Gaiman! Fábio Moon! Gabriel Bá! Two teenage boys are in for a tremendous shock when they crash a party where the girls are far more than they appear! From Neil Gaiman—one of the most celebrated authors of our time—and award-winning artists Fábio Moon and Gabriel Bá, this sumptuous graphic novel is not to be missed! * Moon and Bá adapt the Gaiman story they were

born to draw! “Gaiman, Moon, and Bá have created a triolet of a book, lyrically powerful and utterly unforgettable.”—Junot Díaz “How can something so strange and so beautiful also be so sad? Like a poem, a pattern, and a people whose world was swallowed by the sea, *How To Talk To Girls at Parties* is three things at once.” — Kelly Sue DeConnick “Had sneak peek at *How to Talk to Girls at Parties*. What boys fear! That girls are very smart aliens who will do frightful things to you in *The Upper Room*! Teenage angst. Lovely drawing/painting.” —From a Tweet by Margaret Atwood “A haunting ode to the lyric of girls, who for our protagonists represent a vast, uncharted universe. An extraordinary comic from three extraordinary creators.”—Marjorie Liu “Gentle, strange, and full of perfectly good advice (‘You just have to talk to them!’), *How to Talk to Girls at Parties* is wise and odd. Neil Gaiman’s writing is sweetly complemented by Fábio Moon & Gabriel Bá’s art. It’s a quirky delight.”—Audrey Niffenegger

 In recent years, cultural commentators have sounded the alarm about the dire state of reading in America. Americans are not reading enough, they say, or reading the right books, in the right way. In this book, Alan Jacobs argues that, contrary to the doomsayers, reading is alive and well in America. There are millions of devoted readers supporting hundreds of enormous bookstores and online booksellers. Oprah's Book Club is hugely influential, and a recent NEA survey reveals an actual uptick in the reading of literary fiction. Jacobs's interactions with his students and the readers of his own books, however, suggest that many readers lack confidence; they wonder whether they are

reading well, with proper focus and attentiveness, with due discretion and discernment. Many have absorbed the puritanical message that reading is, first and foremost, good for you--the intellectual equivalent of eating your Brussels sprouts. For such people, indeed for all readers, Jacobs offers some simple, powerful, and much needed advice: read at whim, read what gives you delight, and do so without shame, whether it be Stephen King or the King James Version of the Bible. In contrast to the more methodical approach of Mortimer Adler's classic *How to Read a Book* (1940), Jacobs offers an insightful, accessible, and playfully irreverent guide for aspiring readers. Each chapter focuses on one aspect of approaching literary fiction, poetry, or nonfiction, and the book explores everything from the invention of silent reading, reading responsively, rereading, and reading on electronic devices. Invitingly written, with equal measures of wit and erudition, *The Pleasures of Reading in an Age of Distraction* will appeal to all readers, whether they be novices looking for direction or old hands seeking to recapture the pleasures of reading they first experienced as children.

Stories to delight, enchant, and surprise you. Bestselling author and master storyteller Neil Gaiman here presents a breathtaking collection of tales that may chill or amuse readers—but always embrace the unexpected: A teenage boy who has trouble talking to girls finds himself at a rather unusual party. A sinister jack-in-the-box haunts the lives of the children who owned it. A boy raised in a graveyard makes a discovery and confronts the much more troubling world of the living. A stray cat fights a nightly battle to protect his adopted family from a terrible evil. These

eleven stories illuminate the real and the fantastic, and will be welcomed with great joy by Neil Gaiman's many fans as well as by readers coming to his work for the first time.

Tropic of The Sea Harper Collins

Multiple award winning, #1 New York Times bestselling author Neil Gaiman returns to dazzle, captivate, haunt, and entertain with this third collection of short fiction following *Smoke and Mirrors* and *Fragile Things*—which includes a never-before published American Gods story, “Black Dog,” written exclusively for this volume. In this new anthology, Neil Gaiman pierces the veil of reality to reveal the enigmatic, shadowy world that lies beneath. *Trigger Warning* includes previously published pieces of short fiction—stories, verse, and a very special Doctor Who story that was written for the fiftieth anniversary of the beloved series in 2013—as well “Black Dog,” a new tale that revisits the world of *American Gods*, exclusive to this collection. *Trigger Warning* explores the masks we all wear and the people we are beneath them to reveal our vulnerabilities and our truest selves. Here is a rich cornucopia of horror and ghosts stories, science fiction and fairy tales, fabulism and poetry that explore the realm of experience and emotion. In *Adventure Story*—a thematic companion to *The Ocean at the End of the Lane*—Gaiman

ponders death and the way people take their stories with them when they die. His social media experience *A Calendar of Tales* are short takes inspired by replies to fan tweets about the months of the year—stories of pirates and the March winds, an igloo made of books, and a Mother’s Day card that portends disturbances in the universe. Gaiman offers his own ingenious spin on Sherlock Holmes in his award-nominated mystery tale *The Case of Death and Honey*. And *Click-Clack the Rattlebag* explains the creaks and clatter we hear when we’re all alone in the darkness. A sophisticated writer whose creative genius is unparalleled, Gaiman entrances with his literary alchemy, transporting us deep into the realm of imagination, where the fantastical becomes real and the everyday incandescent. Full of wonder and terror, surprises and amusements, *Trigger Warning* is a treasury of delights that engage the mind, stir the heart, and shake the soul from one of the most unique and popular literary artists of our day.

THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin’s monumental epic cycle of high fantasy. Now, in *A Feast for Crows*, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. A FEAST FOR CROWS It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King’s Landing. Robb Stark’s demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out.

But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

How to Talk to Girls McFarland

From New Yorker staff writer and Harvard historian Jill Lepore, the dark, spellbinding tale of her restless search for the long-lost, longest book ever written, a century-old manuscript called “The Oral History of Our Time.” Joe Gould, a madman, believed he was the most brilliant historian of the twentieth century. So did some of his friends, a group of modernist writers and artists that included E. E. Cummings, Marianne Moore, William Carlos Williams, John Dos Passos, and Ezra Pound. Gould began his life’s work before the First World War, announcing that he intended to write down nearly everything anyone ever said to him. “I am trying to preserve as much detail as I can about the normal life of every day people,” he explained, because “as a rule, history does not deal with such small fry.” By 1942, when The New Yorker published a profile of Gould written by the reporter Joseph Mitchell, Gould’s manuscript had grown to more than nine million

words. But when Gould died in 1957, in a mental hospital, the manuscript was nowhere to be found. Then, in 1964, in “Joe Gould’s Secret,” a second profile, Mitchell claimed that “The Oral History of Our Time” had been, all along, merely a figment of Gould’s imagination. Lepore, unpersuaded, decided to find out. Joe Gould’s Teeth is a Poe-like tale of detection, madness, and invention. Digging through archives all over the country, Lepore unearthed evidence that “The Oral History of Our Time” did in fact once exist. Relying on letters, scraps, and Gould’s own diaries and notebooks—including volumes of his lost manuscript—Lepore argues that Joe Gould’s real secret had to do with sex and the color line, with modernists’ relationship to the Harlem Renaissance, and, above all, with Gould’s terrifying obsession with the African American sculptor Augusta Savage. In ways that even Gould himself could not have imagined, what Gould wrote down really is a history of our time: unsettling and ferocious.
