Count  
Alexander

Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the

hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose. *The Other Language*

A "beautifully written" dark fable from a doll's point of view—by the New York Times–bestselling author of *The Lost Daughter* and the Neapolitan Novels (The Washington Post). One of NPR's Best Books of the Year. Readers of Elena Ferrante's *The Lost Daughter* may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll's

perspective.

Whether we  
 should stay in  
 or leave a  
 relationship is  
 one of the  
 most  
 consequential  
 and painful  
 decisions we  
 are ever likely  
 to confront:  
 few other  
 issues will  
 have such  
 power to  
 trouble  
 us. What  
 makes the  
 issue so hard  
 is that there  
 are no fixed  
 rules for  
 judgement.  
 How can we  
 tell whether a  
 relationship is  
 'good enough'  
 or plain  
 wrong? How  
 do we draw  
 the line  
 between

justified  
 longing and  
 naivety? Is sex  
 vital or could  
 it be  
 foregone?  
 Does someone  
 'better'  
 actually exist?  
 How much  
 should the  
 feelings of  
 children be  
 counted (and  
 what might  
 they be in the  
 long term)?  
 Could one's  
 partner  
 change,  
 perhaps with  
 therapy, or  
 should one  
 assume that  
 who they are  
 now is who  
 they will  
 always be? All  
 these  
 questions  
 typically haunt  
 our minds as

we weigh up whether to stay or go. With no axe to grind or ideology to promote, this book walks the reader gently through their options and opens their mind to perspectives they might not have considered. The goal is to help clarify what the reader wants deep down so the answer that emerges will be properly attuned to their unique circumstances and (often very private) aspirations.

Here is a tool that carries the promise of the clearer and less compromised future we deserve. This book aims to take the reader towards a time, presently hard to imagine, when the choice will no longer feel so agonising. Using its lessons, we can understand ourselves deeply, consider our options, minimise our regrets and find the way ahead. Those Who

Leave and Those Who Stay Harvard University Press  
A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is

marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegant, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. <i>The Last Thing He Told Me</i> Harper Collins Those Who Leave and Those Who	StayEuropa Editions <u>Exit, Voice, and Loyalty</u> Knopf Books for Young Readers A Read with Jenna Today Show Book Club Pick! comes a suspenseful and provocative novel keenly attuned to the complexities of parenthood, race, and class. *Leave the World Behind* explores how our closest bonds are reshaped—and unexpected new ones are forged—in moments of crisis. Amanda and Clay head out to a remote corner of Long Island expecting a vacation: a quiet reprieve from life in New York City, quality time with their

teenage son and daughter, and a taste of the good life in the luxurious home they've rented for the week. But a late-night knock on the door breaks the spell. Ruth and G. H. are an older couple—it's their house, and they've arrived in a panic. They bring the news that a sudden blackout has swept the city. But in this rural area—with the TV and internet now down, and no cell phone

service—it's hard to know what to believe. Should Amanda and Clay trust this couple—and vice versa? What happened back in New York? Is the vacation home, isolated from civilization, a truly safe place for their families? And are they safe from one other?

**Faith for Exiles**

Vintage  
A novel in the bestselling quartet about two very different women and

their complex friendship: “Everyone should read anything with Ferrante’s name on it” (The Boston Globe). The follow-up to *My Brilliant Friend*, *The Story of a New Name* continues the epic New York Times–bestselling literary quartet that has inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*, Lila has recently

married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. *Marriage* appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central

to their emotional lives and a source of strength in the face of life’s challenges. In these Neapolitan Novels, Elena Ferrante, “one of the great novelists of our time” (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an intense, generous-

hearted family saga.

*The Book Thief* Aladdin The Story of the Lost Child is the long-awaited fourth volume in the Neapolitan novels (My Brilliant Friend, The

Story of a New Name, Those Who Leave and Those Who Stay). The quartet traces the friendship between Elena and Lila, from their childhood in a poor neighbourhood in Naples, to their thirties, when both women are mothers but each has chosen a different path. Their lives are still inextricably linked, for better or worse, especially when it comes to the drama of a lost child.

Elena Ferrante was born in Naples. She is the author of seven novels: The Days of Abandonment, Troubling Love, The Lost Daughter, and the quartet of Neapolitan novels: My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay, and The Story of the Lost Child. Frantugmalia, a selection of interviews, letters and occasional writings by Ferrante, will be published in 2016. She is one of Italy's

most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the New Yorker and a recipient of the PEN Renato Poggioli Translation Prize. Praise for Ferrante and the Neapolitan novels '[Ferrante's] charting of the rivalries and sheer inscrutability of female friendship is raw. This is high stakes, subversive literature.'

Sunday Telegraph 'Ferrante is an expert above all at the rhythm of plotting...Whether it's work, family, friends or sex-and Ferrante, perhaps thanks to her anonymity as an author, is blisteringly good on bad sex-our greatest mistakes in life aren't isolated acts; we rehearse them over and over until we get them as badly wrong as we can.' Independent 'Great novels are intelligent far beyond the

powers of any character or writer or individual reader, as are great friendships, in their way. These wonderful books sit at the heart of that mystery, with the warmth and power of both.' Harper's 'Elena Ferrante is one of the great novelists of our time. Her voice is passionate, her view sweeping and her gaze basilisk...In these bold, gorgeous, relentless

novels, Ferrante traces the deep connections between the political and the domestic. This is a new version of the way we live now—one we need, one told brilliantly, by a woman.’ New York Times Sunday Book Review ‘When I read [the Neapolitan novels] I find that I never want to stop. I feel vexed by the obstacles—my job, or acquaintances on the subway—that threaten to keep me apart from the books. I mourn separations (a year until the next one—how?). I am propelled by a ravenous will to keep going.’ New Yorker ‘The best thing I’ve read this year, far and away...She puts most other writing at the moment in the shade. She’s marvellous.’ Richard Flanagan ‘The Neapolitan series stands as a testament to the ability of great literature to challenge, flummox, enrage and excite as it entertains.’ Sydney Morning Herald ‘The depth of perception Ms. Ferrante shows about her character’s conflicts and psychological states is astonishing... Her novels ring so true and are written with such empathy that they sound confessional.’ Wall Street Journal ‘The older you get, the harder it is to recapture the

intoxicating sense of discovery that comes when you first read George Eliot, Nabokov, Tolstoy or Colette. But this year it came again when I read Elena Ferrante's remarkable Neapolitan novels.' Jane Shilling, New Statesman 'There is nothing remotely tiring or trying about the experience of reading the Neapolitan novels, which I, and a great many others, now rank among our

greatest book-related pleasures...it is writing that holds honesty dear.' Weekend Australian 'Dickens gave working people a voice. Ferrante, whoever she might be, presents a new paradigm for being female in the world...Ferrante's great literary creations, Lenu and Lila, have the same emotional weight as Anne in Persuasion, Jo in Little Women,

Maggie in The Mill on the Floss, Jane in Jane Eyre.' Helen Elliott in the Monthly 'This stunning conclusion further solidifies the Neapolitan novels as Ferrante's masterpiece and guarantees that this reclusive author will remain far from obscure for years to come.' Publishers Weekly 'The Neapolitan novels are smart, thoughtful, serious literature. At the same

time, they are violent, suspenseful soap operas populated with a vivid cast of scheming characters...Ferrante's novels are deeply personal and intimate, getting to the very heart of what it means to be a woman, a friend, a daughter, a mother.' Debrief Daily 'Shattering and enthralling, intimate and vicious...The Neapolitan Novels are the kind of books that swallow

me whole. As soon as I pick one up, I don't want to breathe or move lest I break the spell...The Neapolitan Novels are among the most important in my reading life. I can't recommend them highly enough.' Readings 'Ferrante captures the complexities of women, friendship and motherhood in ways that make your heart soar and ache in equal measures. If you haven't already, treat

yourself to this series.' ELLE Australia 'Ferrante's Neapolitan novels contain real life – recognisable anxiety, joy, love and heartbreak. This is an incredibly difficult feat to achieve in the first place, let alone sustain, over four books. We will be talking about Elena and Lila for years to come.' Sydney Morning Herald 'There's a bright, sinewy humanness to Ferrante's writing that is so alive it's

alarming...The Story of the Lost Child is a full emotional experience, and a fitting end to a huge, arresting series.' New Zealand Listener 'I was one of the many who wept and wondered over Elena Ferrante's The Story of the Lost Child. I plan to re-read the entire series soon.' *Leave the World Behind* Penguin  
 An innovator in contemporary thought on economic and political development looks here at decline rather than growth.  
 Albert O. Hirschman makes a basic distinction between alternative ways of reacting to deterioration

in business firms and, in general, to dissatisfaction with organizations: one, “exit,” is for the member to quit the organization or for the customer to switch to the competing product, and the other, “voice,” is for members or customers to agitate and exert influence for change “from within.” The efficiency of the competitive mechanism, with its total reliance on exit, is

questioned for certain important situations. As exit often undercuts voice while being unable to counteract decline, loyalty is seen in the function of retarding exit and of permitting voice to play its proper role. The interplay of the three concepts turns out to illuminate a wide range of economic, social, and political phenomena. As the author states in the preface, “having found my own

unifying way of looking at issues as diverse as competition and the two-party system, divorce and the American character, black power and the failure of ‘unhappy’ top officials to resign over Vietnam, I decided to let myself go a little.”

 when the  
 snow falls it is  
 gray. The sky  
 is dark. Their  
 destination is  
 the coast,  
 although they  
 don't know  
 what, if  
 anything,  
 awaits them  
 there. They  
 have nothing;  
 just a pistol to  
 defend  
 themselves  
 against the  
 lawless bands  
 that stalk the  
 road, the

clothes they  
 are wearing, a  
 cart of  
 scavenged  
 food—and  
 each other.  
 The Road is  
 the profoundly  
 moving story  
 of a journey. It  
 boldly  
 imagines a  
 future in  
 which no hope  
 remains, but  
 in which the  
 father and his  
 son, "each the  
 other's world  
 entire," are  
 sustained by  
 love.  
 Awesome in  
 the totality of  
 its vision, it is  
 an unflinching  
 meditation on  
 the worst and  
 the best that  
 we are  
 capable of:  
 ultimate

destructiveness the alive in the  
s, desperate tenderness face of total  
tenacity, and that keeps devastation.
