The Invention of Sound Arrow

Set in the 1920s, this passionate, provocative tale is perfect for fans of Downton Abbey and E.L. James' Fifty Shades of Grey.

November 1921. Since arriving in London, Madeline, the young French ward of Ash, the new Duke of Belfield, has become the subject of lurid speculation, and when she's offered the chance to travel to Belfield Hall, Ash's country seat in Oxfordshire, Madeline is eager to seek refuge there. But Oxfordshire is not as quiet a retreat as she assumed, for soon she clashes with a handsome gamekeeper - Nathan Mallory - whose seduction techniques are astounding and addictive. Meanwhile, Madeline's secret nightmares of her own dark past in Paris continue to haunt her. At the same time Madeline realises that her guardian the Duke (whom she holds in the

highest regard) has an impossible love too - for his Sophie, the former servant girl. It's in Madeline's power to reunite the two, but quite possibly at the cost of her own happiness - and her choices are made even more difficult by the secret machinations of powerful people who would do anything to keep Sophie and Ash apart . . .

bottle of bourbon. The thief, a mysterious woman named Paris, claims the bottle is rightfully hers. After all, the label itself says it's property of the Maddox family who owned and operated the Red Thread Bourbon distillery since the last days of the Civil War, until the company went out of business for reasons no one knows... No one except Paris. In the small hours of a Louisville morning, Paris unspools the lurid tale of Tamara Maddox, heiress to the distillery that became an empire. Theirs is a legacy of wealth and power, but also of lies, secrets and sins of omission. Why Paris wants the bottle of Red Thread remains a secret until the truth of her identity is at last

revealed, and the century-old vengeance Tamara vowed against her family can finally be completed.

Darker. Cinquanta sfumature di nero raccontate da Christian There was time when my country was the country of fairy tales, a country where every child would want to grow and play. This is the story of the author's physical and emotional journey from her war-torn homeland, Somalia. Some time after the military coup in 1969 Shirin left Mogadishu and moved to Italy to make a new life and home for herself and her family. Since then she has crossed continents and lived in several cities, facing the challenge of integrating with many different kind of society

before settling in England in 2010. This book encapsulates her reflections on the Somali diaspora.

Lei è la sua prigioniera. Lui è il suo rapitore. La loro relazione è un volatile tira e molla. Lui fa la parte del cattivo e lei quella della vittima; ognuno interpreta il proprio ruolo alla perfezione. Una seppellisce il passato per dimenticare, l'altro combatte per ricordarle come hanno cominciato. Lei cerca disperatamente di fuggire. Lui cerca disperatamente di trattenerla. Una cosa è chiara: Soltanto uno rimarrà in piedi, alla fine.

The Years That Followed Farrar, Straus and Giroux
A father searching for his missing daughter is

suddenly given hope when a major clue is discovered, but learning the truth could shatter the seemingly perfect image Hollywood is desperate to uphold. Gates Foster lost his daughter, Lucy, seventeen years ago. He's never stopped searching. Suddenly, a shocking new development provides Foster with his first major lead in over a decade, and he may finally be on the verge of discovering the awful truth. Meanwhile, Mitzi Ives has carved out a space among the Foley artists creating the immersive sounds giving Hollywood films their authenticity. Using the same secret techniques as her father before her, she's become an industry-leading expert in the sound of violence and

horror, creating screams so bone-chilling, they may as well be real. Soon Foster and Ives find themselves on a collision course that threatens to expose the violence hidden beneath Hollywood's glamorous façade. A grim and disturbing reflection on the commodification of suffering and the dangerous power of art, *The Invention of Sound* is Chuck Palahniuk at the peak of his literary powers -- his most suspenseful, most daring, and most genre-defying work yet.

A play about marriage,

lust, adultery, corruption and deceit - all aided by the Mandrake Infusion. It is Machiavelli's greatest sex farce, and a landmark of the Italian Renaissance. This adaptation opened at the Jack Studio Theatre in London on 28 May 2013. "I'm not sure what liberties were applied in bringing a hit from the 1520s to the 21st century stage, but Mandrake had a timeless yet timely

vibe about it - like a smart Shakespearean production. It was fresh and contemporary brimming with universal and relevant themes and a humour that's stood the test of time."
