Introduction
To The
Command
LineHow to
Use the
Command
Line. Using

the command
line is as
simple as
opening up
Terminal
(available on
Mac and
Linux) or
iTerm
(available on
Mac only) on
your
computer,
typing a
command and
pressing
enter. Most
commands
will return

some kind of
output. Go
ahead and
open up
Terminal and
try typing the
following
command:
echo "Hello
World"Launch
